## W&M Alumni Career Network

[Alumni Career Network](#)  
[WMAA Linked In](#)  
[Alumni Webinars](#)

The Alumni Career Network is a partnership between the William and Mary Alumni Association and the Cohen Career Center to establish an exclusive network of W&M alumni and employers. Alumni have free unlimited access to the network and all of its resources. Whether you're an active job seeker, an employer, a recruiter, or an individual interested in networking with others, Alumni Career Network is the destination for alumni at any point in their careers -- from recent grads to experienced professionals. Explore the offerings below and if you have any questions, please contact Katie Gillespie '03, Assistant Director of Alumni Programs at 757.221.1171.

The most important resource in William and Mary's Career Network is the many dedicated alumni who bring the College with them into the professional world. The William and Mary Alumni Association and the Cohen Career Center want to make building professional connections, helping students and fellow alumni and accessing resources on careers as easy as possible and so we have established the **William and Mary Alumni Career Network** group on the popular professional networking site, [LinkedIn](#). This is the best place to find and post information on jobs from and for William and Mary graduates, learn about mentoring opportunities and seek advice in the subgroup [Tribe Connections](#) and discuss career related topics with fellow members of the Tribe. We hope you will join us in this effort to help William and Mary Connect in the professional world.
