Job Responsibilities

- Manage the Games Area in the Sadler Center
  - Supervise approximately 12 student employees who work at the Games Desk. This includes hiring, training, scheduling, and evaluating
  - Advise Games Desk staff in the planning and implementation of occasional campus-wide game nights
  - Manage physical space, including recommendations for new games, equipment maintenance, and work order requests

- Assist the Assistant Director with the student employment program of a staff of approximately 70
  - Plan and implement the development and training program for student employees. This includes training sessions before the start of each semester and extended training throughout the academic year
  - Recruit, interview, and hire new student employees annually
  - Advise Student Supervisors, including training, weekly meetings, and ongoing development

- Assist with the assessment of the programs, operations, and facilities of the Sadler and Campus Centers. This involves weekly user satisfaction surveys and an annual campus-wide assessment in collaboration with the Division of Student Affairs assessment efforts.
- Learn and assist with building management and audio/visual set-up.
- Manage departmental social media accounts.
- Cover various responsibilities for the professional staff, including occasional weekend on-call duties.
- Attend division-wide meetings and hold membership on College committees as assigned.
- Other duties and projects which vary throughout the year.

Preferred Qualifications

- Willingness to take initiative and develop projects
- Ability to work well both on a team and independently
- Experience with student employment, especially student unions or student activities
- Ability to learn and master new computer software
- Strong written and verbal communication skills

Learning Outcomes

- Gain experience in student supervision, including recruiting, hiring, training, supervising, and evaluating
- Practice advising skills with both individual students and student groups
- Develop and implement assessment at the division level
