PLEASE NOTE

- All courses must be selected in consultation with a Women’s Studies advisor. All courses taken outside Women’s Studies and used to fulfill credits towards the minor must be approved by the student’s advisor and the Curriculum Committee.
- If you take a course that is cross-listed with Women’s Studies but you register for it in the other department, you may count that course towards your Women’s Studies minor without getting approval from the Curriculum Committee.
- No more than ten credits of introductory courses (excluding WMST 205) and three credits of Independent Study may count towards the minor.
- Students who minor in WMST may count no more than two courses as credit towards both their major and their WMST minor.
- Because there are so many ways of satisfying our requirements, the registrar has to enter some information for WMST minors manually into the Banner system. Two semesters before you graduate, check your Degree Evaluation and contact your advisor if there are any errors.
