Permission for Senior Research (Chem 409)

Students wishing to enroll in Chem 409 must first obtain permission from their Research Advisor. The form below is for that purpose. Please complete, ask your Chem 409 advisor to sign at the bottom, and return it to the Department Office (ISC 1039). The department will then provide course permit-overrides for you within 24 hours of submission of this form.

DATE: _____ Term: FALL SPRING SUMMER YEAR _____

_____ _____

Student Name (Please print first, middle and last name) College Identification No.

_____

Student E-mail Address

CHEM 409 - _____ Course _____ Credit Hours _____

(Section) **(I.D. #)** **(1, 2 or 3)**

Will you use this course **this semester** to satisfy the 2nd concentration writing requirement in chemistry? Note: You should only enroll in 409W in the **last** semester that you plan to enroll in 409. **A course permit-override will be provided for you to enroll in Chem 409W if you check yes.**

YES ☐ NO ☐

Please provide a course permit-override in the Banner System for me in the above course(s). I take full responsibility for completing the registration process or dropping this course(s) if I decide it does not fit into my schedule. **All registration activity must be completed by the add/drop deadline.**

Student's signature _____

I approve the above request for admission into Chem 409.

Chem 409 Advisor's signature _____
