

The College of William and Mary  
Educational Policy Committee

Minutes  
October 8, 2009

Attending: Phil Kearns (chair), Chris Carone, Sallie Marchello, Cathy Reed, Carol Sheriff, Cory Springer, Tric Wesp.

1. Meeting called to order at 4:00pm.
2. Minutes of September 24, 2009 approved as distributed in email.
3. Given lack of a quorum, only applications approved on line were passed.
4. New Course Applications
  - ANTH 422 *Applied Anthropology*  
Approved. Note that this was originally submitted as ANTH 425 which conflicted with a current course.
  - CHEM 309L *Instrumental Analysis Laboratory*  
Approved.
  - INTR 499 *Washington Semester Internship*  
Approved.
5. Course Change Applications
  - CHEM 309 Changed credits from 4 to 3 consistent with separation of lab.  
Approved.
  - SOCL 427 Changed title and catalog description.  
Approved.
  - THEA 319 Changed credits from 1 to 3.  
Approved.
6. Curriculum Change Applications
  - Chemistry  
Changes consistent with splitting CHEM 309 into lecture and separate laboratory.  
Approved.
  - Classical Studies  
Changes in Latin placement rules  
Tabled pending input from MLL concerning possible consistency issues.
  - Marine Science Minor  
New minor proposed by GEOL, BIOL, and VIMS.  
Tabled.  
Chair will poll membership by email to see if there are sufficiently significant issues outstanding to warrant inviting submitter to the October 22 meeting.

Mathematics

Change to allow ECON 408 in the probability and statistics area of the applied mathematics concentration.

Approved.

Sociology

Change to limit the number of credits in independent study courses that will count towards the major to 6

Approved.

7. Meeting adjourned at 4:35pm.
