

# Distinguished Master's Thesis/Dissertation Award

## NOMINATION FORM

### Instructions: Please submit the following information.

- A nomination form that has been signed by the Director of Graduate Studies of the respective department/program.
- A CD with a SINGLE FILE containing all components of the thesis/dissertation in the appropriate order (including all appendices, charts, tables, and figures).
- A nomination letter from the student's thesis/dissertation advisor, and a recommendation letter from another faculty member who can evaluate the significance of the thesis or dissertation. The letters must reflect only work pertaining to the student's thesis/dissertation, and should be provided in sealed envelopes bearing the faculty member's name on the flap of the envelope.
