Welcome Back!

This email is the first of an important weekly newsletter from the Office of Graduate Studies and Research called DID YOU KNOW THAT? [DYKT?]. You will receive it every Monday morning throughout the academic year. As our continuing students know, the DYKT? is a valuable source for timely information of interest to Arts & Sciences graduate students, such as application information for grants and awards, news & events, and academic deadlines and changes. Please help us keep this as informative and reliable as possible by giving us your input. Visit our DYKT website for information and for previous and archived issues.
