DID YOU KNOW THAT?

A Newsletter for Graduate Students in Arts & Sciences

The Virginia Space Grant Consortium (VSGC)
2013-2014 Scholarship and Fellowship Program

VIRGINIA SPACE GRANT CONSORTIUM GRADUATE RESEARCH FELLOWSHIPS, application deadline February 8, 2013. W&M graduate students have been very successful in receiving these research fellowships of $5000. During the past three years, ten W&M A&S graduate students have received new $5,000 research fellowships and nine W&M A&S grad students have received $5,000 renewals. Students must be U.S. citizens and can be pursuing any field of study with aerospace relevance (STEM fields as well as social science fields). The term "aerospace" is interpreted very broadly, although the application must explain the aerospace relevance of the proposed research. If you have questions about these fellowships, please e-mail Dean John Swaddle (jpswad@wm.edu). More information about Virginia Space Grant Consortium can be found at http://www.vsgc.odu.edu. Application for 2013-14 Graduate STEM Research Fellowship Program can be found at http://www.vsgc.odu.edu/sf/gradfellow/.

NOMINATIONS SOUGHT FOR S. LAURIE SANDERSON AWARDS FOR EXCELLENCE IN UNDERGRADUATE MENTORING. In the spring of 2009, the A&S Graduate Studies Advisory Board and the A&S Committee on Graduate Studies voted unanimously in support of the Board's concept for initiating and funding these annual awards to A&S graduate students in recognition of outstanding undergraduate mentoring in scholarship and research outside of classroom teaching. A total of 12, $250 awards have been presented at the Symposium since 2010. Unlike the Teaching Assistant awards that are currently offered within some departments/programs, this award recognizes mentoring in the context of undergraduate scholarship and research outside of classroom teaching. Such mentoring might include, among other examples, graduate students who mentor undergraduates in the context of the undergraduate students' senior theses, honors theses, writing projects, term papers, or research in a laboratory, field site, museum, or archive. The 2012-2013 awards will be presented at the 2013 Graduate Research Symposium's awards luncheon on March 23, 2013, drawing more undergraduate students and faculty to the symposium and luncheon and increasing visibility for the important contributions of graduate students in mentoring undergraduate students in scholarship and research. Guidelines and a nomination form http://www.wm.edu/as/graduate/gradadvisoryboard/undergradmentor/index.php are available for undergraduate students and faculty, who are invited to nominate current graduate students. The deadline is February 1, 2013, for receipt of a complete nomination consisting of a nomination form from a current or past W&M undergraduate student AND a second nomination form from a current or past W&M faculty member.

DATES TO REMEMBER

Add/Drop Period: Students can add and drop courses online beginning Tuesday, January 15 at 3:00pm through 5:00pm January 28.

Withdrawal Period: After January 28 registration changes must be submitted on an Add/Drop/Withdrawal form for the Dean’s approval and processing. Please contact the Registrar and Administrator of Graduate Student Services (wdcart@wm.edu) if you have questions.
RESEARCH & TRAVEL FUNDING

A&S GRADUATE STUDENT RESEARCH GRANTS. A&S Graduate students are encouraged to apply for support [maximum of $300] from the Office of Graduate Studies and Research (OGSR) that will allow them to collect data at museums or archives, conduct research, and travel to field work sites. The purpose of the support is to enhance the graduate students' professional preparation. Not all applicants will receive funding or full funding; therefore, students are encouraged to apply for additional aid or matching funds from other sources and to indicate this information on their applications. Such information will be viewed favorably in the evaluation process. Funding will be limited to direct research related activities. Eligibility: Any graduate student actively enrolled in a graduate program of Arts & Sciences, and who is in good academic standing may apply. Students who have previously received a Graduate Student Research Grant from the OGSR are eligible to apply, but applications from students who have received fewer OGSR Graduate Student Research Grants recently will be given higher funding priority. 2012-2013 GRADUATE STUDENT RESEARCH GRANTS Application Procedure: There will be three opportunities to apply (one in October, one in February and one in April). Applications for Spring 2013 must be received in the Office of Graduate Studies and Research by 4:00 p.m. on February 15, 2013, and will cover expenses incurred January 1 through April 15, 2013. Late applications will not be accepted. Applications must be signed by the student’s faculty advisor, and must also include a signed Institutional Compliance Form. Guidelines and an application can be found at: http://www.wm.edu/as/graduate/studentresources/researchgrants/index.php. Students seeking funding for conference travel should not apply to this program, but should see application guidelines for the GSA Supplemental Conference Travel funds at http://wmpeople.wm.edu/site/page/gsa/conferencefunding.

FROM THE A&S GRADUATE STUDENT ASSOCIATION (GSA)

GSA SPRING MEETINGS
Spring 2013 GSA meeting will be held from 6:15-7:30 pm in the James Room on the following Wednesdays: February 6, March 13, and April 3. Pizza and refreshments will be provided. Representation at these meetings ensures that your program remains eligible under the "Good Standing Provision for GSA Conference Funding". Department representatives are encouraged to contact Libby Cook ecook@email.wm.edu for more information.

GSA SUPPLEMENTAL CONFERENCE TRAVEL FUNDING. Through a collaborative effort between the Office of Graduate Studies and Research (OGSR) and the GSA, a limited number of $200 awards are available to assist selected Arts & Sciences graduate students who are attending or presenting at a research conference. The OGSR/GSA Conference Funding competitively awards Arts & Sciences graduate students who wish to attend or present at research conferences in their field of study. Conference Funding is financed through the Office of Graduate Studies and Research; however, it is solely administered by the GSA. The goal of Conference Funding is to supplement other funding sources and to help offset the expenses that graduate students accrue advancing their scholarship and knowledge. Since conference experience and attendance are critical for the job market, Conference Funding is designed to encourage graduate student presence at conferences by addressing some of the limitations of other funding sources. The application deadline for conference travel taken during the period January 1, 2013 through April 15, 2013 is 5:00pm on February 1, 2013. For more information and the application, please see http://wmpeople.wm.edu/site/page/gsa/conferencefunding.
GRADUATE CENTER PROGRAMS
The Graduate Center, located in the Stetson House at 232 Jamestown Road, offers courses and workshops intended to complement your academic curriculum. Meeting times are chosen to avoid conflicts with your primary academic commitments.

COLL 503 (Section 1): Listening, Speaking & Pronunciation Skills - 25763; Begins January 30, 2013
(0 credit, P/F) Instructor – Lee Alexander
Wednesday, Blow 333, 5:00 – 6:50 pm
Listening and speaking are inextricably linked. Active listening is a key component to correcting pronunciation errors, and is essential for academic, professional, and personal success. This course is designed for nonnative English speakers who wish to develop their English proficiency. A variety of resources including film, CDs, and the Internet, expose students to different American accents and speech patterns. Recorded assignments provide opportunities for self-assessment and instructor feedback.

COLL 503 (Section 2): Listening, Speaking & Pronunciation Skills - 28805; Begins January 30, 2013
(0 credit, P/F) Instructor – Lee Alexander
Wednesday, Blow 333, 7:00 – 8:50 pm
Listening and speaking are inextricably linked. Active listening is a key component to correcting pronunciation errors, and is essential for academic, professional, and personal success. This course is designed for nonnative English speakers who wish to develop their English proficiency. A variety of resources including film, CDs, and the Internet, expose students to different American accents and speech patterns. Recorded assignments provide opportunities for self-assessment and instructor feedback.

COLL 520: Academic Writing - 23650; Begins January 29, 2013
(0 credit, P/F) Barbara Monteith
Tuesday, Tyler 322, 5:00 – 6:20 pm
A course for domestic and international students to improve writing skills and gain confidence in their ability to write formal, academic English. The writing process will be emphasized, with special attention given to improving the students’ organizing, proofreading, and revising skills. Students will learn how to identify their audience, define their purpose, and add cohesion and clarity to their writing. In addition, writing conventions concerning plagiarism and other writing norms will be examined.

COLL 530: Thesis/Dissertation Writing - 24329; Begins January 30, 2013
(0 credit, P/F) Kristen Maurice
Wednesday, James Blair 228, 11:00am – 12:20 pm
A course for domestic and international students beginning their theses/dissertations. Thesis/dissertation guidelines will be discussed and sample chapters from specific fields will be analyzed. In collaboration with their academic advisor and in consultation with the instructor, students will organize and write individual chapters, simultaneously reviewing and revising their writing.

UPCOMING EVENTS

IMPORTANT COMMENCEMENT INFORMATION

Student Affairs will hold Commencement 101 informational forums on the following dates:

- Wed., Feb. 6 – 5:30-6:30 p.m.
- Tues, Feb. 12 – 5:00-6:00 p.m.; 6:00-7:00 p.m. (back-to-back)
- Tues. Feb. 19 – 6:00-7:00 p.m.; 7:00-8:00 p.m. (back-to-back)
- Mon, Feb. 25 – 5:00-6:00 p.m. in Commonwealth Auditorium (Sadler Center).

Anyone who is interested in Commencement 2013 is encouraged to attend -- undergrads, grad students, staff, parents, etc. It should last no more than an hour and it will be a good opportunity for students to ask any questions they might have about Commencement-related activities.

This year’s Commencement Weekend is planned for May 10-12, 2013. Please read the following three (3) important event updates:

- **Registration and tickets:** Degree candidates who want to participate in and receive guest tickets to the main Commencement Ceremony at William & Mary hall are required to register in advance. Online registration to receive up to four (4) guest tickets will run from March 15 – April 1, 2013. Degree candidates who walk in the academic procession do not need a ticket. If any tickets remain after the registration period, degree candidates may enter a lottery for one additional ticket (in early April). Stay tuned for more on this.
• **Regalia** (caps, gowns, hoods) and Graduation Announcements: The W&M Bookstore (757-253-4900) is your primary source for these items. You may purchase regalia and other graduation-related items at the Grad Finale sales event in the Sadler Center March 26-27, 2013 (11-6 on Tues 3/26 and 10-4 on Wed 3/27). We will send you more information closer to the time of this event. The Law School will hold their own event on March 21 from 11-4; law degree candidates will receive information directly from the law school.

• **Student Speaker Competition:** All graduating students – undergraduates and graduate students alike – are eligible to apply. Please visit the Commencement website and click on the "Information for Students" page for more information. The deadline to apply is March 13, 2013. For additional information, check out the Information for Students section of the Commencement website. Also, follow us on Facebook and Twitter for regular updates, important deadlines, and useful information.

**Important Information on W&M Health Center and Insurance Eligibility for 2012-2013**

**W&M Student Health Center eligibility for 2012-2013**
1. All students who are registered full-time or with Research Graduate status are eligible for use of all services offered at the W&M Student Health Center (SHC) with payment of the appropriate fees. Services offered at the SHC include a variety of primary care medical services (including laboratory testing) and pharmacy services. Students must meet the Student Health Center eligibility requirements each semester.
2. Full-time students are assessed a Student Health Center fee as part of their tuition and fees during the fall and spring semesters.
3. Research Graduate students will need to make arrangements for the payment of the Student Health Center fee before accessing services during the fall and spring semesters.
4. Full-time or Research Graduate statuses in the spring semester qualify students for use of the Student Health Center in the summer, with payment of the summer Student Health Center fee, unless the student graduates in May.
5. Part-time or continuous enrollment students are not eligible for services at the Student Health Center.
6. Students who have the College’s Student Insurance Plan but who are no longer eligible to use the services of the Student Health Center due to a change in student status (part-time, continuous enrollment or graduation), may still use the pharmacy services but may not use the medical services at the SHC.

**W&M Student Insurance eligibility for 2012-2013**
(1) As explained in previous editions of this newsletter, students who are registered full-time or with Research Graduate status in the Fall semester and who specifically requested to be enrolled in the “Annual” coverage (NOT “Annual in Installments”) will continue to be eligible for and enrolled in the College’s Student Insurance Plan even if they become part-time or continuous enrollment students in the Spring semester, because the Annual coverage begins on 8/1 and concludes on 7/31. Note that such insured part-time or continuous enrollment students continue to be eligible for pharmacy services but not medical services at the W&M Student Health Center once they fall below full-time status or are no longer registered with Research Graduate status.

(2) All students who are registered full-time or with Research Graduate status are also eligible to enroll in the College’s Student Insurance Plan. Students must meet the Student Health Center and Insurance eligibility requirements each semester. Full-time or Research Graduate students admitted to the College (or their academic program) for Fall 2006 or later, and all F-1 and J-1 international students, WILL BE ENROLLED in the Student Insurance each semester and the cost will be billed to their student account in two installments (fall and spring semester) UNLESS proof of other adequate health insurance is furnished by submitting an approved Waiver Request each academic year before the posted deadline.

(3) There is an option for up to six months of “Continuation coverage” at $310/month for students who have been insured on the College’s Student Insurance Plan for at least 90 days but who no longer meet the eligibility requirements, for example: (a) students who are full-time or Research Graduate students, are enrolled in the Fall coverage only or were billed for the Annual coverage in installments (i.e., billed each semester), and then become part-time or continuous enrollment students in the Spring semester, or (b) students who are full-time or
Research Graduate students in the Fall semester, are enrolled in the Fall only coverage, and graduate in January. The application and premium payment for Continuation coverage must be submitted directly with the insurance company using a mail-in enrollment form (no online enrollment available) and cannot be billed to the student account, unlike the premium for the regular student policy.

(4) The one-year term Student Insurance policy ends each year on 7/31, so eligible students who have active Spring/Summer coverage continue to be eligible for and enrolled in the Student Insurance Plan during the summer even if they graduate in May and/or are not registered during the summer. Note: Insured students who graduate in May are eligible until 7/31 for pharmacy services but not medical services at the W&M Student Health Center after they graduate.

The above information is subject to change; please see the Student Health Center web page at http://www.wm.edu/offices/healthcenter/index.php for updates. If there are questions about the above, please contact the Student Insurance Coordinator, Trista Sikes, at trsike@wm.edu, with a cc to Dean John Swaddle at jpswad@wm.edu.

**DID YOU KNOW THAT?** The newsletter for Graduate Students in Arts & Sciences is published each week during the fall and spring semesters. We welcome your submissions. Copy may be edited for length. Submission should be sent to cyroberts@wm.edu.

The new issue of the **GRANT ADVISOR** is now available at http://www.grantadvisor.com/tgaplus/.

If you are off-campus, go to http://www.grantadvisor.com/tgapass/ and enter "tga" (without the quotes) as the username and "jazzy" as the password.

This publication lists deadlines for grants and fellowship opportunities broken down by the following categories: Fine Arts, Humanities, Social Sciences, Sciences, Education, International, Health Related, Minorities/Women, Unrestricted/Other, Federal Register.

**FUNDING OPPORTUNITIES**

**ARTS & HUMANITIES:**

**Preservation and Access Education and Training, NEH, deadline: 5/1/13;**

**Wabash Center for Teaching and Learning in Theology and Religion,**
http://www.wabashcenter.wabash.edu/grants/default.aspx:
- Small Project Grants, rolling deadline
- Project Grants, deadlines: March 1, October 1

**Fellowship Programs at Independent Research Institutions (FPIRI), NEH, deadline: 8/15/13;**
http://www.neh.gov/grants/research/fellowship-programs-independent-research-institutions.

**T.B.L. Webster Fellowship and A.D. Trendall Fellowship,** Institute of Classical Studies, School of Advanced Study, University of London, deadline: 1/31/13; http://www.icls.sas.ac.uk/awards/fellowships.
(The Webster Fellowship is awarded to senior scholars from universities outside the UK whose research interests are in the ancient theatre or in classical art and archaeology. The Trendall Fellowship is awarded to senior scholars from universities outside the UK whose research interests are in South Italian archaeology and history, or in art history.)

**SOCIAL SCIENCES:**

2012 Sandell Grant Program in Retirement Research, Center for Retirement Research at Boston College, deadline: 1/31/13; [http://crr.bc.edu/about-us/grant-programs/steven-h-sandell-grant-program-2/](http://crr.bc.edu/about-us/grant-programs/steven-h-sandell-grant-program-2/).

**SCIENCE & RESEARCH/FEDERAL:**

NOAA Regional Ocean Partnership Funding Program - FY2013 Funding Competition, NOAA, deadline: 2/11/13; [http://www07.grants.gov/search/search.do?&mode=VIEW&oppId=210473](http://www07.grants.gov/search/search.do?&mode=VIEW&oppId=210473).

Fiscal Year (FY) 2013 Research Opportunities in Aeronautics (ROA), NASA, please see full solicitation for research areas and deadlines; [http://nspires.nasaprs.com/external/solicitations/summary.do?method=init&solId={0A8625E4-D356-4A03-C358-EFD0D8A5562C}&path=open](http://nspires.nasaprs.com/external/solicitations/summary.do?method=init&solId={0A8625E4-D356-4A03-C358-EFD0D8A5562C}&path=open).

Software Infrastructure for Sustained Innovation - SSE & SSI (SI2 - SSE&SSI), NSF, deadlines: 3/19/13; 2/3/14; [http://www.nsf.gov/pubs/2013/nsf13525/nsf13525.htm](http://www.nsf.gov/pubs/2013/nsf13525/nsf13525.htm); **NOTE: only one institutional application can be submitted – if you are interested in applying, please advise us.**

STEM for K-12 and Higher Education, ONR, deadline: announcement will remain open until 30 September 2013 or until replaced by another BAA; http://www.onr.navy.mil/Contracts-Grants/Funding-Opportunities/Broad-Agency-Announcements.aspx.

Visiting Faculty Program, DOE, deadline: 1/10/13; http://science.energy.gov/wdts/vfp/.

FOUNDATION:

OTHER:

STUDENT:

Dissertation Fellowship in Population, Reproductive Health, and Economic Development, The William and Flora Hewlett Foundation/Institute of International Education, deadline: 3/11/13; http://www.iie.org/en/Programs/Hewlett-IIE-Fellowship. (The fellowship is intended for doctoral students enrolled in economics, economic demography, geography, and epidemiology, and address population and development issues in their dissertation topics. Students must have completed their graduate coursework by the start of the fellowship, and must be studying at a university in sub-Saharan Africa, the US, or Canada.)

Undergraduate Scholarship Program (UGSP), NIH, deadline: 3/1/13; https://www.training.nih.gov/programs/ugsp.

A Newsletter for Graduate Students in Arts & Sciences

The Virginia Space Grant Consortium (VSGC)
2013-2014 Scholarship and Fellowship Program

VIRGINIA SPACE GRANT CONSORTIUM GRADUATE RESEARCH FELLOWSHIPS, application deadline February 8, 2013. W&M graduate students have been very successful in receiving these research fellowships of $5000. During the past three years, ten W&M A&S graduate students have received new $5,000 research fellowships and nine W&M A&S grad students have received $5,000 renewals. Students must be U.S. citizens and can be pursuing any field of study with aerospace relevance (STEM fields as well as social science fields). The term "aerospace" is interpreted very broadly, although the application must explain the aerospace relevance of the proposed research. If you have questions about these fellowships, please e-mail Dean John Swaddle (jpswad@wm.edu).

More information about Virginia Space Grant Consortium can be found at http://www.vsgc.odu.edu.

Application for 2013-14 Graduate STEM Research Fellowship Program can be found at http://www.vsgc.odu.edu/sf/gradfellow/

NOMINATIONS SOUGHT FOR S. LAURIE SANDERSON AWARDS FOR EXCELLENCE IN UNDERGRADUATE MENTORING. In the spring of 2009, the A&S Graduate Studies Advisory Board and the A&S Committee on Graduate Studies voted unanimously in support of the Board's concept for initiating and funding these annual awards to A&S graduate students in recognition of outstanding undergraduate mentoring in scholarship and research outside of classroom teaching. A total of 12, $250 awards have been presented at the Symposium since 2010. Unlike the Teaching Assistant awards that are currently offered within some departments/programs, this award recognizes mentoring in the context of undergraduate scholarship and research outside of classroom teaching. Such mentoring might include, among other examples, graduate students who mentor undergraduates in the context of the undergraduate students' senior theses, honors theses, writing projects, term papers, or research in a laboratory, field site, museum, or archive. The 2012-2013 awards will be presented at the 2013 Graduate Research Symposium's awards luncheon on March 23, 2013, drawing more undergraduate students and faculty to the symposium and luncheon and increasing visibility for the important contributions of graduate students in mentoring undergraduate students in scholarship and research. Guidelines and a nomination form http://www.wm.edu/as/graduate/gradadvisoryboard/undergradmentor/index.php are available for undergraduate students and faculty, who are invited to nominate current graduate students. The deadline is February 1, 2013, for receipt of a complete nomination consisting of a nomination form from a current or past W&M undergraduate student AND a second nomination form from a current or past W&M faculty member.

DATES TO REMEMBER

Add/Drop Period: Students can add and drop courses online through 5:00pm January 28.

Withdrawal Period: After January 28 registration changes must be submitted on an Add/Drop/Withdrawal form for the Dean’s approval and processing. Please contact the Registrar and Administrator of Graduate Student Services (wdcart@wm.edu) if you have questions.
SPECIAL CAREER CENTER EVENT FOR W&M GRAD STUDENTS IN ARTS & SCIENCES

PERSONAL FINANCE WORKSHOP, Tuesday, January 22nd, 6:00 pm, Presentation Room, Cohen Career Center. Presented by Mike Stump, CPA, CISA, Director, Internal Audit, W&M

Mike Stump will discuss how graduate students can manage their personal finances. He will deal with living on a stipend, managing debt (student loans and credit cards) and will offer ways for graduate students to save money while on a limited budget. His presentation will include answers to questions submitted in advance, ensuring that he will address issues of concern to graduate A&S/VIMS students at W&M.

Use this link to RSVP and submit questions for the presenter to address: https://wm-csm.symplicity.com/surveys/personalfinance. For further information, contact Julia Kaziewicz.

CHARTER DAY FEBRUARY 8

Former U.S. Secretary of Defense and William & Mary Chancellor Robert M. Gates ’65 will give remarks at William & Mary’s Charter Day ceremony at 4 p.m. on Feb. 8, 2013, in Kaplan Arena. Gates was invested as the College’s 24th chancellor at the 2012 Charter Day ceremony, becoming the first William & Mary alumnus in the modern era to serve in the honorary role.

The 2013 Charter Day ceremony, which is free and open to the public, will mark the 320th anniversary of the College receiving its royal charter from King William III and Queen Mary II of England. Lois Critchfield, a longtime friend of William & Mary and former CIA employee, will receive an honorary degree at the event.

Tickets for the WILLIAM & MARY CHARTER DAY CONCERT Gavin DeGraw with special guest Good Old War at the College’s 3rd Annual Charter Day Concert on Saturday, February 9th at 8pm

In advance, general admission tickets for the elevated sections are $15 for students, $25 for faculty and staff (with promotional code “GDFS”). All Faculty and Staff may purchase discounted tickets (for $5 off) with the discount code and $30 for the public. Floor tickets are an additional $10. Tickets are now on sale at the William & Mary Ticket Office and online.

IMPORTANT COMMENCEMENT INFORMATION

Student Affairs will hold Commencement 101 informational forums on the following dates:

- Wed., Feb. 6 – 5:30-6:30 p.m.
- Tues. Feb. 12 – 5:00-6:00 p.m.; 6:00-7:00 p.m. (back-to-back)
- Tues. Feb. 19 – 6:00-7:00 p.m.; 7:00-8:00 p.m. (back-to-back)
- Mon, Feb. 25 – 5:00-6:00 p.m.in Commonwealth Auditorium (Sadler Center).

Anyone who is interested in Commencement 2013 is encouraged to attend -- undergrads, grad students, staff, parents, etc. It should last no more than an hour and it will be a good opportunity for students to ask any questions they might have about Commencement-related activities. This year’s Commencement Weekend is planned for May 10-12, 2013. Please read the following three (3) important event updates:

- **Registration and tickets:** Degree candidates who want to participate in and receive guest tickets to the main Commencement Ceremony at William & Mary hall are required to register in advance. Online registration to receive up to four (4) guest tickets will run from March 15 – April 1, 2013. Degree candidates who walk in the academic procession do not need a ticket. If any tickets remain after the registration period, degree candidates may enter a lottery for one additional ticket (in early April). Stay tuned for more on this.

- **Regalia** (caps, gowns, hoods) and Graduation Announcements: The W&M Bookstore (757-253-4900) is your primary source for these items. You may purchase regalia and other graduation-related items at the Grad Finale sales event in the Sadler Center March 26-27, 2013 (11-6 on Tues 3/26 and 10-4 on Wed 3/27). We will send you more information closer to the time of this event. - **Student Speaker Competition:** All graduating students – undergraduates and graduate students alike – are eligible to apply. Please visit the Commencement website and click on the “Information for Students” page for more information. The deadline to apply is March 13, 2013.

For additional information, check out the Information for Students section of the Commencement website. Also, follow us on Facebook and Twitter for regular updates, important deadlines, and useful information.
MATH & PHYSICS COLLOQUIUM
February 1, 2013, 4:00 PM, Andrews, Room 101
Please join us for a presentation on the quest to understand past, current, and future behavior of the Earth's climate. Cissy Patterson public lecture: "CLIMATE CHANGE: THE SCIENCE AND THE MATH" presented by Christopher Jones, the Bill Guthridge Distinguished Professor of Mathematics, UNC - Chapel Hill. Hosted by Jesse Berwald & John Delos. Refreshments will be served.

RESEARCH & TRAVEL FUNDING

A&S GRADUATE STUDENT RESEARCH GRANTS. A&S Graduate students are encouraged to apply for support [maximum of $300] from the Office of Graduate Studies and Research (OGSR) that will allow them to collect data at museums or archives, conduct research, and travel to field work sites. The purpose of the support is to enhance the graduate students' professional preparation. Not all applicants will receive funding or full funding; therefore, students are encouraged to apply for additional aid or matching funds from other sources and to indicate this information on their applications. Such information will be viewed favorably in the evaluation process. Funding will be limited to direct research related activities. Eligibility: Any graduate student actively enrolled in a graduate program of Arts & Sciences, and who is in good academic standing may apply. Students who have previously received a Graduate Student Research Grant from the OGSR are eligible to apply, but applications from students who have received fewer OGSR Graduate Student Research Grants recently will be given higher funding priority. 2012-2013 GRADUATE STUDENT RESEARCH GRANTS Application Procedure: Applications for Spring 2013 must be received in the Office of Graduate Studies and Research by 4:00 p.m. on February 15, 2013, and will cover expenses incurred January 1 through April 15, 2013. Late applications will not be accepted. Applications must be signed by the student’s faculty advisor, and must also include a signed Institutional Compliance Form. Guidelines and an application can be found at: http://www.wm.edu/as/graduate/studentresources/researchgrants/index.php. Students seeking funding for conference travel should not apply to this program, but should see application guidelines for the GSA Supplemental Conference Travel funds at http://wmpeople.wm.edu/site/page/gsa/conferencefunding.

FROM THE A&S GRADUATE STUDENT ASSOCIATION (GSA)

GSA SPRING MEETINGS
Spring 2013 GSA meeting will be held from 6:15-7:30 pm in the James Room on the following Wednesdays: February 6, March 13, and April 3. Pizza and refreshments will be provided. Representation at these meetings ensures that your program remains eligible under the "Good Standing Provision for GSA Conference Funding". Department representatives are encouraged to contact Libby Cook ecook@email.wm.edu for more information.

GSA SUPPLEMENTAL CONFERENCE TRAVEL FUNDING. Through a collaborative effort between the Office of Graduate Studies and Research (OGSR) and the GSA, a limited number of $200 awards are available to assist selected Arts & Sciences graduate students who are attending or presenting at a research conference. The OGSR/GSA Conference Funding competitively awards Arts & Sciences graduate students who wish to attend or present at research conferences in their field of study. Conference Funding is financed through the Office of Graduate Studies and Research; however, it is solely administered by the GSA. The goal of Conference Funding is to supplement other funding sources and to help offset the expenses that graduate students accrue advancing their scholarship and knowledge. Since conference experience and attendance are critical for the job market, Conference Funding is designed to encourage graduate student presence at conferences by addressing some of the limitations of other funding sources. The application deadline for conference travel taken during the period January 1, 2013 through April 15, 2013 is 5:00pm on February 1, 2013. Important Information on W&M Health Center and Insurance Eligibility for 2012-2013

W&M Student Health Center eligibility for 2012-2013
1. All students who are registered full-time or with Research Graduate status are eligible for use of all services offered at the W&M Student Health Center (SHC) with payment of the appropriate fees. Services offered at the SHC include a variety of primary care medical services (including laboratory testing) and pharmacy services. Students must meet the Student Health Center eligibility requirements each semester.
2. Full-time students are assessed a Student Health Center fee as part of their tuition and fees during the fall and spring semesters.
3. Research Graduate students will need to make arrangements for the payment of the Student Health Center fee before accessing services during the fall and spring semesters.
4. Full-time or Research Graduate statuses in the spring semester qualify students for use of the Student Health Center in the summer, with payment of the summer Student Health Center fee, unless the student graduates in May.
5. Part-time or continuous enrollment students are not eligible for services at the Student Health Center.
6. Students who have the College’s Student Insurance Plan but who are no longer eligible to use the services of the Student Health Center due to a change in student status (part-time, continuous enrollment or graduation), may still use the pharmacy services but may not use the medical services at the SHC.

W&M Student Insurance eligibility for 2012-2013
(1) As explained in previous editions of this newsletter, students who are registered full-time or with Research Graduate status in the Fall semester and who specifically requested to be enrolled in the “Annual” coverage (NOT “Annual in Installments”) will continue to be eligible for and enrolled in the College’s Student Insurance Plan even if they become part-time or continuous enrollment students in the Spring semester, because the Annual coverage begins on 8/1 and concludes on 7/31. Note that such insured part-time or continuous enrollment students continue to be eligible for pharmacy services but not medical services at the SHC.

(2) All students who are registered full-time or with Research Graduate status are also eligible to enroll in the College’s Student Insurance Plan. Students must meet the Student Health Center and Insurance eligibility requirements each semester. Full-time or Research Graduate students admitted to the College (or their academic program) for Fall 2006 or later, and all F-1 and J-1 international students, WILL BE ENROLLED in the Student Insurance each semester and the cost will be billed to their student account in two installments (fall and spring semester) UNLESS proof of other adequate health insurance is furnished by submitting an approved Waiver Request each academic year before the posted deadline.

(3) There is an option for up to six months of “Continuation coverage” at $310/month for students who have been insured on the College’s Student Insurance Plan for at least 90 days but who no longer meet the eligibility requirements, for example: (a) students who are full-time or Research Graduate students, are enrolled in the Fall coverage only or were billed for the Annual coverage in installments (i.e., billed each semester), and then become part-time or continuous enrollment students in the Spring semester, or (b) students who are full-time or Research Graduate students in the Fall semester, are enrolled in the Fall only coverage, and graduate in January. The application and premium payment for Continuation coverage must be submitted directly with the insurance company using a mail-in enrollment form (no online enrollment available) and cannot be billed to the student account, unlike the premium for the regular student policy.

(4) The one-year term Student Insurance policy ends each year on 7/31, so eligible students who have active Spring/Summer coverage continue to be eligible for and enrolled in the Student Insurance Plan during the summer even if they graduate in May and/or are not registered during the summer.

The above information is subject to change; please see the Student Health Center web page at http://www.wm.edu/offices/healthcenter/index.php for updates. If there are questions about the above, please contact the Student Insurance Coordinator, Trista Sikes, at trsike@wm.edu, with a cc to Dean John Swaddle at jpswad@wm.edu.
2012 KEIO UNIVERSITY/ COLLEGE OF WILLIAM & MARY CROSS-CULTURAL COLLABORATION
JOB OPPORTUNITY

The Keio University, College of William & Mary Cross-Cultural Collaboration is a program centered on experiential learning which allows both Japanese and American students to study questions of cultural difference and national identity. The program brings forty Japanese university students to America for three weeks to study and experience first-hand American society and culture with William & Mary graduate and undergraduate students. Students attend lectures on a variety of topics including race, religion, and pop culture while engaging with American culture firsthand through fieldwork activities such as trips to Colonial Williamsburg, Hampton University, and a four-day stay in Washington, D.C. The Reves Center for International Studies announces two positions are currently accepting applications for the administering and overseeing of the Keio program:

ASSISTANT DIRECTOR

The Assistant Director supports the Academic Director in planning and implementing both academic and logistical aspects of the Keio/W&M Cross-Cultural Collaboration program. Beginning in the Spring 2013 semester, the duties include assisting in the selection of Classroom Instructors (CIs), who lead classroom discussions, review work produced in the classroom, and participate in afternoon and evening activities; and the recruiting, interviewing, and selecting Peer Assistants (PAs), who work individually with the small teams of Japanese students to assist them with their projects and daily activities. The Assistant Director, in conjunction with the Academic Director helps to plan and hold an orientation session for PAs and CIs, and assists on deciding the tentative schedule. Molly DeStafney, GEO Assistant Director for Study Abroad Operations and Keio Coordinator at the Reves Center, also assists in planning and implementing these activities.

NOTE: Both the Academic Director and Assistant Director live with the students in the dormitory and in Washington, D.C. and will receive a meal supplement.

JOB REQUIREMENT: Previous experience in the Keio program. Successful candidate will possess strong team-building and communication skills, interest in cross-cultural and/or international education.

Compensation: $3,500

Application Deadline: February 1

To apply, please send the following documents to the attention of Molly DeStafney, at the Reves Center:

- Letter of application
- Current resume or CV
- List of 3 references with their contact information

If you have any questions about these positions, please email Molly DeStafney at mldestafney@wm.edu.

DID YOU KNOW THAT? The newsletter for Graduate Students in Arts & Sciences is published each week during the fall and spring semesters. We welcome your submissions. Copy may be edited for length. Submission should be sent to cyroberts@wm.edu.

The new issue of the GRANT ADVISOR is now available at http://www.grantadvisor.com/tgaplus/.

If you are off-campus, go to http://www.grantadvisor.com/tgapass/ and enter “tga” (without the quotes) as the username and “jazzy” as the password.

This publication lists deadlines for grants and fellowship opportunities broken down by the following categories: Fine Arts, Humanities, Social Sciences, Sciences, Education, International, Health Related, Minorities/Women, Unrestricted/Other, Federal Register.

FUNDING OPPORTUNITIES
ARTS & HUMANITIES:

*An organization may submit only one application under these FY 2014 Grants for Arts Projects guidelines, with few exceptions as listed in the solicitation.

*An organization may submit only one application under these FY 2014 Grants for Arts Projects guidelines, with few exceptions as listed in the solicitation.

U.S. and international contemporary independent documentary film grants, Sundance Documentary Fund, Sundance Institute, deadlines: February 1 and July 1; [http://www.sundance.org/programs/documentary-fund/](http://www.sundance.org/programs/documentary-fund/).

(supports work by academics, independent scholars and writers working on significant projects relating to the history, culture, or art of the Americas before 1830. Candidates with a U.S. history topic are strongly encouraged to concentrate on the period prior to 1801. The fellowship is also open to filmmakers, novelists, creative and performing artists, and others working on projects that draw on this period of history)

SOCIAL SCIENCES:

Grants, Ruth Landes Memorial Research Fund, rolling deadline; [http://www.thereedfoundation.org/landes/grants.html](http://www.thereedfoundation.org/landes/grants.html).
(research topics include, but are not limited to, aging, gender and sexuality, race and ethnicity, immigrant and minority populations, culture and education, language and identity, and religion)

Applicants are encouraged to submit proposals that: develop or benefit from new quantitative measures or methodological approaches for addressing education issues; include interdisciplinary teams with subject matter expertise, especially when studying science, technology, engineering and mathematics (STEM) learning; analyze TIMSS, PISA, or other international data resources; include the integration and analysis of more than one data set

SCIENCE & RESEARCH/FEDERAL:

significant increases in R21 awards for FY 2012.

**Campus Cyberinfrastructure - Network Infrastructure and Engineering Program (CC-NIE), NSF,**

**FOUNDATION:**

Small Grants, Child Health Foundation, deadlines: LOI 4/30/13; invited full proposal 8/30/13; [http://www.childhealthfoundation.org/guidelines.html](http://www.childhealthfoundation.org/guidelines.html);
This year (2013) proposals are requested with the prevention or treatment of enteric and/or respiratory disease. These will be given precedence. Areas of priority include: development of sustainable biomedical and social technologies; and adaptation and implementation of technologies in local situations that may have widespread applications.

**OTHER:**

Travel Grants, Burroughs Wellcome Fund, deadline 2/1/13; [http://www.bwfund.org/pages/480/Background/](http://www.bwfund.org/pages/480/Background/); (eligible disciplines: PhD in mathematics, physics, chemistry, computer science, statistics, or engineering and are interested in investigating research opportunities in the biological sciences)

New Directions, Doctoral New Investigator, Undergraduate Research, Undergraduate New Investigator, ACS-PRF, submission window: 2/11/13 – 3/15/13; [http://portal.acs.org/portal/acsorg/content?_nb=true&_pageLabel=PP_SUPERARTICLE&node_id=1251&use_sec=false&sec_url_var=region1&_uuid=b4e3b8b0-0302-4fe3-a51c-6e666441e1fe](http://portal.acs.org/portal/acsorg/content?_nb=true&_pageLabel=PP_SUPERARTICLE&node_id=1251&use_sec=false&sec_url_var=region1&_uuid=b4e3b8b0-0302-4fe3-a51c-6e666441e1fe).

Grants, American Heart Association, [http://my.americanheart.org/professional/Research/FundingOpportunities/Funding-Opportunities_UCM_316909_SubHomePage.jsp#](http://my.americanheart.org/professional/Research/FundingOpportunities/Funding-Opportunities_UCM_316909_SubHomePage.jsp#);
Beginning Grant-in-Aid, deadline: 1/22/13
Scientist Development Grant, deadline: 1/30/13
Grant in Aid, deadline: 1/22/13

**STUDENT:**

[http://www.wm.edu/as/graduate/](http://www.wm.edu/as/graduate/)

(Basic Science, Human Biology, Public Health, Clinical Research, Vaccine and Infectious Disease)

Oak Ridge National Lab:
  - Graduate Student Opportunities; [http://www.orau.org/ornl/graduate-students/default.htm](http://www.orau.org/ornl/graduate-students/default.htm);
  - Advanced Short-Term Research Opportunity Program
  - Higher Education Research Opportunities
  - Nuclear Engineering Science Laboratory Synthesis (NESLS)
  - Radioactive Ion Beam Studies for Stewardship Science
  - Undergraduate Student Opportunities; [http://www.orau.org/ornl/undergraduates/default.htm](http://www.orau.org/ornl/undergraduates/default.htm);
  - Oak Ridge Science Semester (ORSS)
  - Higher Education Research Opportunities
  - Laboratory Technology Program

Undergraduate and Graduate Marine Science and Engineering Summer Internships, Florida Atlantic University-Harbor Branch, deadline: March 1; [http://www.fau.edu/hboi/education/internships/](http://www.fau.edu/hboi/education/internships/);
(aquaculture, biomedical marine research, marine biology, marine mammal research, marine natural product chemistry, marine microbiology, ocean engineering, ocean technology, oceanography)

**REMEMBER:** 2013-14 Scholarship/Fellowship Opportunities, Virginia Space Grant Consortium; [http://vsgc.odu.edu/](http://vsgc.odu.edu/):
  - Undergrad STEM Research Scholarship, deadline: 2/8/13
  - Grad STEM Research Fellowship, deadline: 2/8/13
  - STEM Bridge Scholarship, deadline: 3/15/13

Paid science, technology, engineering and math (STEM) summer internships: Virginia’s undergraduate students and Virginia companies have a new and free way to find each other for paid science, technology, engineering and math (STEM) summer internships, but they need to act quickly. The online application process for students for summer 2013 internships closes on January 31, 2013. Sponsored by the Virginia Space Grant Consortium (VSGC). A complete list of participating companies can be found at [wwwcsiip.spacegrant.org](http://wwwcsiip.spacegrant.org).

American Indian Studies Dissertation Writing Fellowship, Yale Graduate School of Arts and Sciences in conjunction with the Howard R. Lamar Center for the Study of Frontiers and Borders and the Ethnicity, Race, and Migration Program, deadline: 3/22/13; [http://erm.yale.edu/fellowship-opportunity](http://erm.yale.edu/fellowship-opportunity).

Grants, American Heart Association, [http://my.americanheart.org/professional/Research/FundingOpportunities/FundingOpportunities_UCM_316909_SubHomePage.jspf](http://my.americanheart.org/professional/Research/FundingOpportunities/FundingOpportunities_UCM_316909_SubHomePage.jspf);
Predoctoral Fellowship, deadline: 1/22/13
SPECIAL CAREER CENTER EVENT FOR W&M GRAD STUDENTS IN ARTS & SCIENCES

Teaching Workshop - Designing effective collaborative learning activities: The Jigsaw Technique, Thursday, January 31, 3:30-5:30pm, Cohen Career Center Presentation Room

Presented by Sharon Zuber, Director of the W&M Writing Center & Barbara Tewksbury, Geoscientist at Hamilton College. We are pleased to offer a workshop focused on effective teaching with a focus on a particular strategy – the “jigsaw technique”. The jigsaw technique is a simple, learning strategy that emphasizes both individual accountability and achievement of group goals. The workshop will include discussion about how this teaching technique can be used in courses in a variety of disciplines. We encourage participation by graduate students from all departments and programs. Pizza will be served! RSVP jxkazi@email.wm.edu.

NOMINATIONS SOUGHT FOR S. LAURIE SANDERSON AWARDS FOR EXCELLENCE IN UNDERGRADUATE MENTORING. In the spring of 2009, the A&S Graduate Studies Advisory Board and the A&S Committee on Graduate Studies voted unanimously in support of the Board’s concept for initiating and funding these annual awards to A&S graduate students in recognition of outstanding undergraduate mentoring in scholarship and research outside of classroom teaching. A total of 12, $250 awards have been presented at the Symposium since 2010. Unlike the Teaching Assistant awards that are currently offered within some departments/programs, this award recognizes mentoring in the context of undergraduate scholarship and research outside of classroom teaching. Such mentoring might include, among other examples, graduate students who mentor undergraduates in the context of the undergraduate students’ senior theses, honors theses, writing projects, term papers, or research in a laboratory, field site, museum, or archive. The 2012-2013 awards will be presented at the 2013 Graduate Research Symposium’s awards luncheon on March 23, 2013, drawing more undergraduate students and faculty to the symposium and luncheon and increasing visibility for the important contributions of graduate students in mentoring undergraduate students in scholarship and research. Guidelines and a nomination form http://www.wm.edu/as/graduate/gradadvisoryboard/undergradmentor/index.php are available for undergraduate students and faculty, who are invited to nominate current graduate students. The deadline is February 1, 2013, for receipt of a complete nomination consisting of a nomination form from a current or past W&M undergraduate student AND a second nomination form from a current or past W&M faculty member.

CHARTER DAY FEBRUARY 8

Former U.S. Secretary of Defense and William & Mary Chancellor Robert M. Gates ’65 will give remarks at William & Mary’s Charter Day ceremony at 4 p.m. on Feb. 8, 2013, in Kaplan Arena. Gates was invested as the College’s 24th chancellor at the 2012 Charter Day ceremony, becoming the first William & Mary alumnus in the modern era to serve in the honorary role.

The 2013 Charter Day ceremony, which is free and open to the public, will mark the 320th anniversary of the College receiving its royal charter from King William III and Queen Mary II of England. Lois Critchfield, a longtime friend of William & Mary and former CIA employee, will receive an honorary degree at the event.

Tickets for the WILLIAM & MARY CHARTER DAY CONCERT Gavin DeGraw with special guest Good Old War at the College’s 3rd Annual Charter Day Concert on Saturday, February 9th at 8pm. In advance, general admission tickets for the elevated sections are $15 for students, $25 for faculty and staff (with promotional code “GDFS”). All Faculty and Staff may purchase discounted tickets (for $5 off) with the discount code and $30 for the public. Floor tickets are an additional $10. Tickets are now on sale at the William & Mary Ticket Office and online.
RESEARCH & TRAVEL FUNDING

A&S GRADUATE STUDENT RESEARCH GRANTS. A&S Graduate students are encouraged to apply for support [maximum of $300] from the Office of Graduate Studies and Research (OGSR) that will allow them to collect data at museums or archives, conduct research, and travel to field work sites. The purpose of the support is to enhance the graduate students’ professional preparation. Not all applicants will receive funding or full funding; therefore, students are encouraged to apply for additional aid or matching funds from other sources and to indicate this information on their applications. Such information will be viewed favorably in the evaluation process. Funding will be limited to direct research related activities.

Eligibility: Any graduate student actively enrolled in a graduate program of Arts & Sciences, and who is in good academic standing may apply. Students who have previously received a Graduate Student Research Grant from the OGSR are eligible to apply, but applications from students who have received fewer OGSR Graduate Student Research Grants recently will be given higher funding priority.

2012-2013 GRADUATE STUDENT RESEARCH GRANTS Application Procedure: Applications for Spring 2013 must be received in the Office of Graduate Studies and Research by 4:00 p.m. on February 15, 2013, and will cover expenses incurred January 1 through April 15, 2013. Late applications will not be accepted. Applications must be signed by the student’s faculty advisor, and must also include a signed Institutional Compliance Form. Guidelines and an application can be found at: http://www.wm.edu/as/graduate/studentresources/researchgrants/index.php. Students seeking funding for conference travel should not apply to this program, but should see application guidelines for the GSA Supplemental Conference Travel funds at http://wmpeople.wm.edu/site/page/gsa/conferencefunding.

FROM THE A&S GRADUATE STUDENT ASSOCIATION (GSA)

GSA SPRING MEETINGS
Spring 2013 GSA meeting will be held from 6:15-7:30 pm in the James Room on the following Wednesdays: February 6, March 13, and April 3. Pizza and refreshments will be provided. Representation at these meetings ensures that your program remains eligible under the "Good Standing Provision for GSA Conference Funding". Department representatives are encouraged to contact Libby Cook ecook@email.wm.edu for more information.

GSA SUPPLEMENTAL CONFERENCE TRAVEL FUNDING. Through a collaborative effort between the Office of Graduate Studies and Research (OGSR) and the GSA, a limited number of $200 awards are available to assist selected Arts & Sciences graduate students who are attending or presenting at a research conference. The OGSR/GSA Conference Funding competitively awards Arts & Sciences graduate students who wish to attend or present at research conferences in their field of study. Conference Funding is financed through the Office of Graduate Studies and Research; however, it is solely administered by the GSA. The goal of Conference Funding is to supplement other funding sources and to help offset the expenses that graduate students accrue advancing their scholarship and knowledge. Since conference experience and attendance are critical for the job market, Conference Funding is designed to encourage graduate student presence at conferences by addressing some of the limitations of other funding sources. The application deadline for conference travel taken during the period January 1, 2013 through April 15, 2013 is 5:00pm on February 1, 2013. For more information and the application, please see http://wmpeople.wm.edu/site/page/gsa/businessfinancial.
IMPORTANT COMMENCEMENT INFORMATION
Student Affairs will hold Commencement 101 informational forums on the following dates:

• Wed., Feb. 6 – 5:30-6:30 p.m.
• Tues, Feb. 12 – 5:00-6:00 p.m.; 6:00-7:00 p.m. (back-to-back)
• Tues. Feb. 19 – 6:00-7:00 p.m.; 7:00-8:00 p.m. (back-to-back)
• Mon, Feb. 25 – 5:00-6:00 p.m.in Commonwealth Auditorium (Sadler Center).

Anyone who is interested in Commencement 2013 is encouraged to attend -- undergrads, grad students, staff, parents, etc. It should last no more than an hour and it will be a good opportunity for students to ask any questions they might have about Commencement-related activities.

This year's Commencement Weekend is planned for May 10-12, 2013. Please read the following three (3) important event updates:

• **Registration and tickets:** Degree candidates who want to participate in and receive guest tickets to the main Commencement Ceremony at William & Mary hall are required to register in advance. Online registration to receive up to four (4) guest tickets will run from March 15 – April 1, 2013. Degree candidates who walk in the academic procession do not need a ticket. If any tickets remain after the registration period, degree candidates may enter a lottery for one additional ticket (in early April). Stay tuned for more on this.

• **Regalia** (caps, gowns, hoods) and Graduation Announcements: The W&M Bookstore (757-253-4900) is your primary source for these items. You may purchase regalia and other graduation-related items at the Grad Finale sales event in the Sadler Center March 26-27, 2013 (11-6 on Tues 3/26 and 10-4 on Wed 3/27). We will send you more information closer to the time of this event. The Law School will hold their own event on March 21 from 11-4; law degree candidates will receive information directly from the law school.

• **Student Speaker Competition:** All graduating students – undergraduates and graduate students alike – are eligible to apply. Please visit the Commencement website and click on the "Information for Students" page for more information. The deadline to apply is March 13, 2013. For additional information, check out the Information for Students section of the Commencement website. Also, follow us on Facebook and Twitter for regular updates, important deadlines, and useful information.

The Virginia Space Grant Consortium (VSGC)
2013-2014 Scholarship and Fellowship Program

VIRGINIA SPACE GRANT CONSORTIUM GRADUATE RESEARCH FELLOWSHIPS, application deadline February 8, 2013. W&M graduate students have been very successful in receiving these research fellowships of $5000. During the past three years, ten W&M A&S graduate students have received new $5,000 research fellowships and nine W&M A&S grad students have received $5,000 renewals. Students must be U.S. citizens and can be pursuing any field of study with aerospace relevance (STEM fields as well as social science fields). The term "aerospace" is interpreted very broadly, although the application must explain the aerospace relevance of the proposed research. If you have questions about these fellowships, please e-mail Dean John Swaddle (jpswad@wm.edu). More information about Virginia Space Grant Consortium can be found at http://www.vsgc.odu.edu. Application for 2013-14 Graduate STEM Research Fellowship Program can be found at http://www.vsgc.odu.edu/sf/gradfellow/
FUNDING OPPORTUNITIES

ARTS & HUMANITIES:

Curatorial Program Grants, Andy Warhol Foundation, deadlines: March 1, September 1; http://www.warholfoundation.org/grant/overview.html.

SOCIAL SCIENCES:

Research Grants, Russell Sage Foundation, letter of inquiry deadlines: March 1, August 1; invited full proposals April 1, September 1; http://www.russellsage.org/how-to-apply/apply-project-awards.

SCIENCE & RESEARCH/FEDERAL:

Clifford G. Shull Fellowship (Neutron Sciences), Oak Ridge National Laboratory (ORNL), deadline: 1/31/13; http://neutrons.ornl.gov/shullfellowship/.

2014-16 Mid-Atlantic Sea Grant, NOAA, deadline: preproposal 3/15/13; http://vaseagrant.vims.edu/research-opportunities/.

Chemical, Bioengineering, Environmental, and Transport Systems (CBET) programs, NSF, submission window: 8/15/13 – 9/17/13:
- Interfacial Processes and Thermodynamics (IPT), http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=13362
- Chemical and Biological Separations (CBS), http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=13363
- Biotechnology, Biochemical, and Biomass Engineering (BBBE), http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=501024
  - Biomedical Engineering (BME), http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=501023

FOUNDATION:

Institute of Management Accountants (IMA) Foundation, http://www.imanet.org/resources_and_publications/research_foundation.aspx:
- Summer Research Scholarship Program, deadline 3/1/13
- Research Grant Program, no submission deadline

STUDENT:

Summer Student Fellowships; Minority Fellowships, Woods Hole Oceanographic Institution, deadline 2/15/13; http://www.whoi.edu/main/undergraduate-programs.

REMINDER NIST SURF (Summer Internship Opportunities for Undergraduates), NIST deadline is 2/15/13; internal W&M deadline: 2/8/13, as W&M must submit one institutional application. http://www.nist.gov/surgaithersburg/welcome1.cfm and http://www.nist.gov/surfboulder/index.cfm. Students can contact Katherine Davis-Small (khdavi@wm.edu, 1-3969) directly regarding interest in applying.

**The Fellowship is intended for recent graduates with a B.A. or B.S.; candidates with advanced degrees are ineligible.

RESEARCH & TRAVEL FUNDING

A&S GRADUATE STUDENT RESEARCH GRANTS. A&S Graduate students are encouraged to apply for support [maximum of $300] from the Office of Graduate Studies and Research (OGSR) that will allow them to collect data at museums or archives, conduct research, and travel to field work sites. The purpose of the support is to enhance the graduate students' professional preparation. Not all applicants will receive funding or full funding; therefore, students are encouraged to apply for additional aid or matching funds from other sources and to indicate this information on their applications. Such information will be viewed favorably in the evaluation process. Funding will be limited to direct research related activities. Eligibility: Any graduate student actively enrolled in a graduate program of Arts & Sciences, and who is in good academic standing may apply. Students who have previously received a Graduate Student Research Grant from the OGSR are eligible to apply, but applications from students who have received fewer OGSR Graduate Student Research Grants recently will be given higher funding priority. 2012-2013 GRADUATE STUDENT RESEARCH GRANTS Application Procedure: Applications for Spring 2013 must be received in the Office of Graduate Studies and Research by 4:00 p.m. on February 15, 2013, and will cover expenses incurred January 1 through April 15, 2013. Late applications will not be accepted. Applications must be signed by the student’s faculty advisor, and must also include a signed Institutional Compliance Form. Guidelines and an application can be found at: http://www.wm.edu/as/graduate/studentresources/researchgrants/index.php. Students seeking funding for conference travel should not apply to this program, but should see application guidelines for the GSA Supplemental Conference Travel funds at http://wmpeople.wm.edu/site/page/gsa/conferencefunding

CHARTER DAY FEBRUARY 8

Former U.S. Secretary of Defense and William & Mary Chancellor Robert M. Gates ‘65 will give remarks at William & Mary’s Charter Day ceremony at 4 p.m. on Feb. 8, 2013, in Kaplan Arena. Gates was invested as the College’s 24th chancellor at the 2012 Charter Day ceremony, becoming the first William & Mary alumnus in the modern era to serve in the honorary role.

The 2013 Charter Day ceremony, which is free and open to the public, will mark the 320th anniversary of the College receiving its royal charter from King William III and Queen Mary II of England. Lois Critchfield, a longtime friend of William & Mary and former CIA employee, will receive an honorary degree at the event.

Tickets for the WILLIAM & MARY CHARTER DAY CONCERT Gavin DeGraw with special guest Good Old War at the College’s 3rd Annual Charter Day Concert on Saturday, February 9th at 8pm.

In advance, general admission tickets for the elevated sections are $15 for students, $25 for faculty and staff (with promotional code “GDFS”). All Faculty and Staff may purchase discounted tickets (for $5 off) with the discount code and $30 for the public. Floor tickets are an additional $10. Tickets are now on sale at the William & Mary Ticket Office and online.

The Virginia Space Grant Consortium (VSGC) 2013-2014 Scholarship and Fellowship Program

VIRGINIA SPACE GRANT CONSORTIUM GRADUATE RESEARCH FELLOWSHIPS, application deadline February 8, 2013. W&M graduate students have been very successful in receiving these research fellowships of $5000. This year’s Commencement Weekend is planned for May 10-12, 2013. Please read the following three (3) important event updates:

- **Registration and tickets:** Degree candidates who want to participate in and receive guest tickets to the main Commencement Ceremony at William & Mary hall are required to register in advance. Online registration to receive up to four (4) guest tickets will run from March 15 – April 1, 2013. Degree candidates who walk in the academic procession do not need a ticket. If any tickets remain after the registration period, degree candidates may enter a lottery for one additional ticket (in early April). Stay tuned for more on this.

- **Regalia** (caps, gowns, hoods) and Graduation Announcements: The W&M Bookstore (757-253-4900) is your primary source for these items. You may purchase regalia and other graduation-related items at the Grad Finale sales event in the Sadler Center March 26-27, 2013 (11-6 on Tues 3/26 and 10-4 on Wed 3/27). We will send you more information closer to the time of this event. The Law School will hold their own event on March 21 from 11-4; law degree candidates will receive information directly from the law school.

- **Student Speaker Competition:** All graduating students – undergraduates and graduate students alike – are eligible to apply. Please visit the Commencement website and click on the "Information for Students" page for more information. The deadline to apply is March 13, 2013. For additional information, check out the Information for Students section of the Commencement website. Also, follow us on Facebook and Twitter for regular updates, important deadlines, and useful information.
DID YOU KNOW THAT? The newsletter for Graduate Students in Arts & Sciences is published each week during the fall and spring semesters. We welcome your submissions. Copy may be edited for length. Submission should be sent to cyroberts@wm.edu.

FUNDING OPPORTUNITIES

The new issue of the GRANT ADVISOR is now available at http://www.grantadvisor.com/tgaplus/.

If you are off-campus, go to http://www.grantadvisor.com/tgapass/ and enter "tga" (without the quotes) as the username and "print" as the password.

This publication lists deadlines for grants and fellowship opportunities broken down by the following categories: Fine Arts, Humanities, Social Sciences, Sciences, Education, International, Health Related, Minorities/Women, Unrestricted/Other, Federal Register.

ARTS & HUMANITIES:

Visiting Scholars Program (focus is upon the modern civil rights movement), The James Weldon Johnson Institute of Emory University, deadline: 2/25/13; http://www.jamesweldonjohnson.emory.edu/sub-visiting.htm.

SOCIAL SCIENCES:

innovative research that can make a profound contribution to the field of financial literacy and relevant to the financial wellbeing of the public. Inquiries are encouraged from disciplines in fields as diverse as: behavior, marketing, economics, finance, neuroscience, education, sociology, change theory, psychology, decision sciences and others.

**SCIENCE & RESEARCH/FEDERAL:**

Ruth L. Kirschstein National Research Service Awards (NRSA) for Individual Senior Fellows (Parent F33), NIH, standard deadlines: April 8, August 8, December 8; http://grants.nih.gov/grants/guide/pa-files/PA-11-114.html.

Research Opportunities in Space and Earth Sciences (ROSES) 2013, NASA, deadlines: various – full solicitation will be released in NSPIRES around 2/4/13; http://www07.grants.gov/search/search.do?&mode=VIEW&oppld=217273.

**OTHER:**

2014-15 Core Fulbright Scholar Program Competition OPENS February 1, CIES, deadline 8/1/13; http://www.cies.org/us_scholars/us_awards/.

* With the launch of the 2014-15 Core Fulbright Scholar Program competition, restrictions regarding previous Fulbright experiences will no longer be a prohibitive factor in applying for a Fulbright Scholar grant. Lifetime limit restrictions that were implemented beginning in June of 2006 have now been lifted. However, as stipulated in section 624.2 of the Fulbright Program Policies, general preference for Fulbright Scholar opportunities will continue to be given to candidates who have not previously received a Fulbright Scholar grant.

**FOUNDATION:**

USArtists International (USAI), Mid-Atlantic Arts Foundation, next deadline: 4/19/13; [http://www.midatlanticarts.org/funding/deadlines.html](http://www.midatlanticarts.org/funding/deadlines.html).

*grants are available to American dance, music and theater ensembles and solo performers that have been invited to perform at international festivals and engagements that represent extraordinary career opportunities anywhere in the world outside of the United States.

**STUDENT:**

Graduate Student Research Grant, North American Society for the Psychology of Sport and Physical Activity (NASPSP), deadline: April 1; [http://www.naspspa.org/naspspa-graduate-student-research-grant](http://www.naspspa.org/naspspa-graduate-student-research-grant).

Student Grants-in-Aid (graduate and undergraduate students), Society of Wetland Scientists, deadline: 2/15/13; [http://www.sws.org/studentgrants/index.mgi](http://www.sws.org/studentgrants/index.mgi).

Student Grant Program (undergraduate, graduate or postdoc), Evolving Earth Foundation, deadline 3/1/13; [http://www.evolvingearth.org/evolvingearthgrants/grantsmain.htm](http://www.evolvingearth.org/evolvingearthgrants/grantsmain.htm).

REVISED PHYSICAL STANDARDS FOR THESES AND DISSERTATIONS EFFECTIVE IMMEDIATELY

Please note beginning with January 2013 graduation, ALL students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards and templates can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php

It is your responsibility to review the entire document to make sure you are in compliance with the Physical Standards. Please check with your Department/Program Graduate Administrator for help reviewing thesis/dissertation for formatting standards per physical standards document prior to submission to the Office of Graduate Studies.

Revisions include but are not limited to the following:

1) It is required that students submit one complete draft of their thesis/dissertation for review of format by the OGSR 3 weeks prior to the published deadline before submitting the final copies. For May 2013 graduation, the draft deadline is March 29, 2013. (March 29 is Good Friday and is recognized as a "religious" holiday by the College, however the College will be open. If you observe the religious holiday, please submit by March 28. The OGSR prefers to receive this required draft by electronic copy to apgrad@wm.edu.

2) Final thesis and dissertation copies must be submitted in a small box with a printed label with your full name, graduation date, degree and department/program for review.

3) Changes to “Required Page Order” and page numbering.

4) All students are now required to have a Table of Contents, Acknowledgements and Dedication page.

GRADUATION FEES MAY 2013

Master’s and Doctoral Degree Students
Binding Fees (3 copies, $7.00 ea.)

Doctoral Degree Students only
• Dissertation Filing Fee ($65 – formerly Microfilming Fee)
• Copyright Fee (optional $55)
• Dissertation Publishing Fee (Open Access, optional $95). Please note that if you select one of the Open Access publishing options, you must also pay this fee at the Cashier’s office.

Survey of Earned Doctorates Form
The 2012-2013 Survey of Earned Doctorates form must be submitted by graduating doctoral degree students and can be obtained at http://www.norc.org/Research/Projects/Pages/survey-of-earned-doctorates-(sed).aspx

ProQuest/UMI Dissertation Agreement Form
Doctoral degree students should refer to the following pdf document to obtain the 2012-2013 Dissertation Publishing Agreement form(s) and to review additional publishing options that are available at http://www.il.proquest.com/dissertationagree/umi_agreement_papersub.pdf. When accessing this site use "dissertations" as the login and "publish" as the password.

Physical Standards for Theses and Dissertations. Please note that the Physical Standards for Theses and Dissertations have been updated. Students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php.
IMPORTANT COMMENCEMENT INFORMATION

Student Affairs will hold Commencement 101 informational forums on the following dates:

- Tues, Feb. 12 – 5:00-6:00 p.m.; 6:00-7:00 p.m. (back-to-back)
- Tues, Feb. 19 – 6:00-7:00 p.m.; 7:00-8:00 p.m. (back-to-back)
- Mon, Feb. 25 – 5:00-6:00 p.m. in Commonwealth Auditorium (Sadler Center).

Anyone who is interested in Commencement 2013 is encouraged to attend -- undergrads, grad students, staff, parents, etc. It should last no more than an hour and it will be a good opportunity for students to ask any questions they might have about Commencement-related activities.

This year's Commencement Weekend is planned for May 10-12, 2013. Please read the following three (3) important event updates:

- **Registration and tickets:** Degree candidates who want to participate in and receive guest tickets to the main Commencement Ceremony at William & Mary hall are required to register in advance. Online registration to receive up to four (4) guest tickets will run from March 15 – April 1, 2013. Degree candidates who walk in the academic procession do not need a ticket. If any tickets remain after the registration period, degree candidates may enter a lottery for one additional ticket (in early April). Stay tuned for more on this.

- **Regalia (caps, gowns, hoods) and Graduation Announcements:** The W&M Bookstore (757-253-4900) is your primary source for these items. You may purchase regalia and other graduation-related items at the Grad Finale sales event in the Sadler Center March 26-27, 2013 (11-6 on Tues 3/26 and 10-4 on Wed 3/27). We will send you more information closer to the time of this event. The Law School will hold their own event on March 21 from 11-4; law degree candidates will receive information directly from the law school.

- **Student Speaker Competition:** All graduating students – undergraduates and graduate students alike – are eligible to apply. Please visit the Commencement website and click on the “Information for Students” page for more information. The deadline to apply is March 13, 2013. For additional information, check out the Information for Students section of the Commencement website. Also, follow us on Facebook and Twitter for regular updates, important deadlines, and useful information.

RESEARCH & TRAVEL FUNDING

A&S GRADUATE STUDENT RESEARCH GRANTS. A&S Graduate students are encouraged to apply for support [maximum of $300] from the Office of Graduate Studies and Research (OGSR) that will allow them to collect data at museums or archives, conduct research, and travel to field work sites. The purpose of the support is to enhance the graduate students’ professional preparation. Not all applicants will receive funding or full funding; therefore, students are encouraged to apply for additional aid or matching funds from other sources and to indicate this information on their applications. Such information will be viewed favorably in the evaluation process. Funding will be limited to direct research related activities.

**Eligibility:** Any graduate student actively enrolled in a graduate program of Arts & Sciences, and who is in good academic standing may apply. Students who have previously received a Graduate Student Research Grant from the OGSR are eligible to apply, but applications from students who have received fewer OGSR Graduate Student Research Grants recently will be given higher funding priority. 2012-2013 GRADUATE STUDENT RESEARCH GRANTS Application Procedure: Applications for Spring 2013 must be received in the Office of Graduate Studies and Research by 4:00 p.m. on February 15, 2013, and will cover expenses incurred January 1 through April 15, 2013. Late applications will not be accepted. Applications must be signed by the student’s faculty advisor, and must also include a signed Institutional Compliance Form. Guidelines and an application can be found at: http://www.wm.edu/as/graduate/studentresources/researchgrants/index.php. Students seeking funding for conference travel should not apply to this program, but should see application guidelines for the GSA Supplemental Conference Travel funds at http://wmpeople.wm.edu/site/page/gsa/conferencefunding

ARTS & SCIENCES
http://www.wm.edu/as/graduate/
Managing your student accounts and paying your tuition has become easier with eServices! In Fall 2012 the College implemented a new online system, eServices, powered by TouchNet, that allows you to view your account, make a payment, and authorize others to make payments on your behalf—all in one site! eServices provides a complete yet easy-to-read view of your student account where you can view all charges and a complete payment history. From the same screen you will be able to make a payment using a credit card or electronic check.

**eServices Features:** View your student account activity or make a payment using a credit card (with a 2.75% fee) or electronic check (no fee). Create 'Authorized Users' to view and pay on your student account. Authorized Users view and pay on your student's account. Pay your W&M housing deposit online via the new Touchnet portal under 'eDeposit'. View and pay your Spring semester eBill online in eServices. Enroll in eRefunds to have your student account refunds directly deposited to your bank account.

Stay tuned for more information from the Bursar’s Office, and take a look at the financial operations webpage for details [www.wm.edu/eservices](http://www.wm.edu/eservices) or the [eServices FAQ's](http://www.wm.edu/offices/financialoperations/sa/faq/servicefaq/index.php) webpage:

---

**19TH ANNUAL UNDERGRADUATE SCIENCE RESEARCH SYMPOSIUM** The 19th Annual Undergraduate Science Research Symposium will be held from 1:00-4:30 on Friday, February 22. The Symposium provides students who have conducted research in one of the science disciplines to present his or her work. This year the Symposium Poster presentations will take place from 2:00-4:00 in Tidewater A&B; Oral presentations will take place from 1:00-4:30 in the Colony, James, and York rooms. The presentations are open to the public. Everyone is invited to attend! [Click here](http://www.wm.edu/as/graduate/) to see the full schedule.

---

**IMPORTANT INFORMATION NEEDED FROM A&S GRAD STUDENTS.** The Graduate Portfolio website [http://www.wm.edu/as/graduate/graduate_portfolio/index.php](http://www.wm.edu/as/graduate/graduate_portfolio/index.php), sponsored by The A&S Graduate Student Association and the Office of Graduate Studies and Research, is currently accepting updates. The website is designed specifically to showcase the honors and accomplishments of W&M A&S graduate students.

**PLEASE E-MAIL YOUR INFORMATION TO YOUR GSA REPRESENTATIVE BY FEBRUARY 28 FOR POSTING TO THE WEB SITE** (see e-mail addresses below). You also have the option to submit your information on the web at [https://forms.wm.edu/1539](https://forms.wm.edu/1539). To submit the information on the web you will need your WMuserid and password. Please note your submissions are not automatically downloaded to the Portfolio.

This "Graduate Portfolio" website makes accessible to the public the awards, publications, and other noteworthy activities of current and recently graduated students. The Portfolio allows undergraduate students, faculty, staff, alumni and prospective students to note what W&M A&S graduate students are doing in their programs and with their degrees. The Portfolio also increases awareness of the successes of W&M A&S graduate students, and encourages further opportunities for both enrolled and graduated W&M students.

This call for information will cover accomplishments dated from September 2011 through the present. Subsequently, information will be updated three times per year and will be archived as a valuable resource on the web site by year. The site will list accomplishments under the following categories: Awards/Honors, Community Service/Outreach, Fellowships, Internships, Conference Presentations, Publications, Research Grants, and Recent Alumni Employment/Positions. Graduate Student Association (GSA) representatives will collect the information from students in their respective departments/programs. We ask that you send only accomplishments received outside of William & Mary, the exception being nationally competitive awards affiliated with William & Mary (e.g., publication in the William & Mary Quarterly) or prestigious College-wide awards (e.g., Thatcher Prize for Excellence).

Awards/activities must be listed in the following format for inclusion in the Graduate Portfolio:

---

**ARTS & SCIENCES**

[http://www.wm.edu/as/graduate/](http://www.wm.edu/as/graduate/)
Funding Opportunities

Arts & Humanities:

Anneliese Maier Research Awards, The Alexander von Humboldt Foundation, deadline: 4/30/13; http://www.humboldt-foundation.de/web/anneliese-maier-award.html. Nominations for the research award can be made for researchers from abroad from the fields of the humanities and social sciences whose scientific achievements have been internationally recognized in their research area and from whose research collaboration with specialist colleagues in Germany a sustainable contribution is expected towards the further internationalization of the humanities and social sciences in Germany.

The Everett Helm Visiting Fellowships and Mendel Fellowships, Lilly Library, Indiana University, deadlines: April 15, October 15; http://www.indiana.edu/~liblilly/fellowships.shtml. The Lilly Library is the principal rare book and manuscript library of Indiana University. Its holdings support research in British, French, and American literature and history; the literature of voyages and exploration.
specifically the European expansion in the Americas; early printing, and the Church, children's literature, music; film, radio and television; medicine, science, and architecture; and food and drink.

2013 Summer Research Laboratory (SRL) on Russia, Eastern Europe, and Eurasia, University of Illinois at Urbanna-Champaign; http://www.reeec.illinois.edu/srl/#Q8.

Grants for Art and Culture, Japan Foundation, deadline: 3 months prior to proposed project start date; http://www.jfny.org/arts_and_culture/smallgrant.html.

SOCIAL SCIENCES:

   Deadlines: January 15 and August 15 annually for Senior Research Proposals, Doctoral Dissertation Research Improvement Grant Proposals, most Workshop proposals and proposals for Training Programs.
   January 16 and August 16 annually for Faculty Scholars proposals.
   March 1 annually. REG and REU supplement proposals may also be submitted out of cycle, with prior permission of the Program Officer.
   EAGER, RAPID, and small workshop proposals may be submitted at any time, with prior permission of the Program Officer.

Visiting Scholars, Institute for Advanced Study, School of Social Sciences, deadline: 6/1/13; http://www.sss.ias.edu/.

Nominations for the research award can be made for researchers from abroad from the fields of the humanities and social sciences whose scientific achievements have been internationally recognized in their research area and from whose research collaboration with specialist colleagues in Germany a sustainable contribution is expected towards the further internationalization of the humanities and social sciences in Germany.

Letter of Inquiry, Carnegie Corporation, deadline: rolling; http://carnegie.org/grants/grantseekers/how-to-apply/:
   Grants promote international peace and to advance education and knowledge. Please see website for additional details.

Institutional Grants, Tinker Foundation, deadline: 3/1/13; http://www.tinker.org/content/institutional-grants-overview:
   Proposals should address one of these areas of interest: Democratic Governance, Education, Sustainable Resource Management, U.S. Policy Toward Latin America, Antarctica Science and Policy.

SCIENCE & RESEARCH/FEDERAL:

Chesapeake Bay Program Office Fiscal Year 2013 Request for Proposals for the Annual Chesapeake Bay Submerged Aquatic Vegetation Aerial Survey, EPA, deadline: 3/11/13; http://www.epa.gov/region3/chesapeake/SAV_Aerial_Survey_RFP.pdf.

Measurement Science and Engineering (MSE) Research Grant Programs, NIST, deadlines: please see full solicitation; http://www.nist.gov/director/ocfo/grants/upload/2013-mse-ffo.pdf:
Programs for: (1) the Material Measurement Laboratory (MML); (2) the Physical Measurement Laboratory (PML); (3) the Engineering Laboratory (EL); (4) the Information Technology Laboratory (ITL); (5) the NIST Center for Neutron Research (NCNR); (6) the Center for Nanoscale Science and Technology (CNST); (7) the Office of Special Programs (OSP), and (8) the Associate Director for Laboratory Programs (ADLP).

OTHER:

Prospects in Theoretical Physics (PiTP) summer program, Institute for Advanced Study, School of Natural Sciences, deadline: 3/1/13; http://www.sns.ias.edu/pitp/.

STUDENT:

Competitive scholarships to students from disadvantaged backgrounds who are committed to careers in biomedical, behavioral, and social science health-related research.

Graduate Partnerships Program (GPP), NIH Office of Intramural Training and Education, deadlines: please see website; https://www.training.nih.gov/programs/gpp.

Mightex Systems Student Research Grant (SRG), Mightex Systems, no deadline given; http://www.mightexsystems.com/support/mightexsystemsstudentresearchgrant.html.

Mightex Systems, with operations based in Toronto, Canada, and in the Silicon Valley, California, is a leading supplier of photonic products and services for a broad spectrum of applications including industrial imaging, bio-photonic solutions, LED illumination, machine vision, life & health sciences, and industrial test & measurement etc.
REVISED PHYSICAL STANDARDS FOR THESES AND DISSERTATIONS EFFECTIVE IMMEDIATELY

Please note beginning with January 2013 graduation, ALL students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards and templates can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php

It is your responsibility to review the entire document to make sure you are in compliance with the Physical Standards. Please check with your Department/Program Graduate Administrator for help reviewing thesis/dissertation for formatting standards per physical standards document prior to submission to the Office of Graduate Studies.

Revisions include but are not limited to the following:

1) It is required that students submit one complete draft of their thesis/dissertation for review of format by the OGSR 3 weeks prior to the published deadline before submitting the final copies. For May 2013 graduation, the draft deadline is March 29, 2013. (March 29 is Good Friday and is recognized as a "religious" holiday by the College, however the College will be open. If you observe the religious holiday, please submit by March 28. The OGSR prefers to receive this required draft by electronic copy to apgrad@wm.edu.

2) Final thesis and dissertation copies must be submitted in a small box with a printed label with your full name, graduation date, degree and department/program for review.

3) Changes to "Required Page Order" and page numbering.

4) All students are now required to have a Table of Contents, Acknowledgements and Dedication page.

GRADUATION FEES MAY 2013

Master’s and Doctoral Degree Students
Binding Fees (3 copies, $7.00 ea.)

Doctoral Degree Students only
• Dissertation Filing Fee ($65 – formerly Microfilming Fee)
• Copyright Fee (optional $55)
• Dissertation Publishing Fee (Open Access, optional $95). Please note that if you select one of the Open Access publishing options, you must also pay this fee at the Cashier’s office.

Survey of Earned Doctorates Form
The 2012-2013 Survey of Earned Doctorates form must be submitted by graduating doctoral degree students and can be obtained at http://www.norc.org/Research/Projects/Pages/survey-of-earned-doctorates-(sed).aspx

ProQuest/UMI Dissertation Agreement Form
Doctoral degree students should refer to the following pdf document to obtain the 2012-2013 Dissertation Publishing Agreement form(s) and to review additional publishing options that are available at http://www.il.proquest.com/dissertationagree/umi_agreement_papersub.pdf. When accessing this site use "dissertations" as the login and "publish" as the password.

Physical Standards for Theses and Dissertations. Please note that the Physical Standards for Theses and Dissertations have been updated. Students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php.
IMPORTANT COMMENCEMENT INFORMATION

19TH ANNUAL UNDERGRADUATE SCIENCE RESEARCH SYMPOSIUM

The 19th Annual Undergraduate Science Research Symposium will be held from 1:00-4:30 on Friday, February 22. The Symposium provides students who have conducted research in one of the science disciplines to present their work. This year the Symposium Poster presentations will take place from 2:00-4:00 in Tidewater A&B; Oral presentations will take place from 1:00-4:30 in the Colony, James, and York rooms. The presentations are open to the public. Everyone is invited to attend! Click here to see the full schedule.

IMPORTANT INFORMATION NEEDED FROM A&S GRAD STUDENTS. The Graduate Portfolio website http://www.wm.edu/as/graduate/graduate_portfolio/index.php, sponsored by The A&S Graduate Student Association and the Office of Graduate Studies and Research, is currently accepting updates. The website is designed specifically to showcase the honors and accomplishments of W&M A&S graduate students.

PLEASE E-MAIL YOUR INFORMATION TO YOUR GSA REPRESENTATIVE BY FEBRUARY 28 FOR POSTING TO THE WEB SITE (see e-mail addresses below). You also have the option to submit your information on the web at https://forms.wm.edu/1539. To submit the information on the web you will need your WMuserid and password. Please note your submissions are not automatically downloaded to the Portfolio.

This "Graduate Portfolio" website makes accessible to the public the awards, publications, and other noteworthy activities of current and recently graduated students. The Portfolio allows undergraduate students, faculty, staff, alumni and prospective students to note what W&M A&S graduate students are doing in their programs and with their degrees. The Portfolio also increases awareness of the successes of W&M A&S graduate students, and encourages further opportunities for both enrolled and graduated W&M students.

This call for information will cover accomplishments dated from September 2011 through the present. Subsequently, information will be updated three times per year and will be archived as a valuable resource on the website by year. The site will list accomplishments under the following categories: Awards/Honors, Community Service/Outreach,
Fellowships, Internships, Conference Presentations, Publications, Research Grants, and Recent Alumni Employment/Positions. Graduate Student Association (GSA) representatives will collect the information from students in their respective departments/programs. We ask that you send only accomplishments received outside of William & Mary, the exception being nationally competitive awards affiliated with William & Mary (e.g., publication in the William & Mary Quarterly) or prestigious College-wide awards (e.g., Thatcher Prize for Excellence).

Awards/activities must be listed in the following format for inclusion in the Graduate Portfolio:

Category of Award/Activity, Title of Award/Activity, Date of Award/Activity, **Student First and Last Name** (bold), Degree, Program.

**Fellowship Example:** NSF Fellow, 2011-2012, **John Smith**, PhD, Physics

You may use any format accepted in your discipline for the Publications and Conference Presentations, with the student name, degree, and program added at the end of the citation. Provide complete citations, including up to ten co-authors (with "et al." indicating co-authors greater than ten), for Publications and Conference Presentations.

**Publication Example:** George Smith and Karen Jones. "Lost without Lost." The Journal of Popular Film and Television. 12.3 (Spring 2010): 50-60., **Karen Jones**, PhD, American Studies

Please e-mail your information in the appropriate format to your GSA representative listed below. You also have the option to submit your information on the web at [https://forms.wm.edu/1539](https://forms.wm.edu/1539). You will need your WMuserid and password. Note if you use the web submission, the information will not automatically be updated on the A&S Graduate Portfolio page.

**GSA Student Survey**

The Graduate Student Association wants to learn more about graduate student experiences on campus and across departments. We have put together a survey regarding what we feel are two pressing concerns: health insurance and parking. We are hoping to get both a broad and a deep understanding of what issues our grad community faces in these areas. The only way we can make a serious and sustained argument for future improvements is to understand what's happening now.

That's where you come in. Please take a few minutes to fill out the survey found here ([https://docs.google.com/spreadsheet/viewform?formkey=dFQ5d1ctZEVtc25aUzZhekpPbmlQdHc6MQ#gid=0](https://docs.google.com/spreadsheet/viewform?formkey=dFQ5d1ctZEVtc25aUzZhekpPbmlQdHc6MQ#gid=0)). The survey is completely anonymous and will remain open until Monday, February 25 at 5pm. If you have any questions or concerns, please contact Libby Cook (ecook@email.wm.edu).

**SPECTRUM Meeting**

Please join Spectrum's first meeting for Spring 2013 at Aromas Cafe (431 Prince George Street, Merchants Square, Williamsburg) from 5:30 pm - 6:30 pm on Sunday, Feb. 24th. Spectrum is a gay, lesbian, bisexual, and transgender group for William and Mary graduate and non-traditional students. The first meeting will include introductions and a discussion about activities and events for Spring. For more information please contact: spectrum@email.wm.edu
**FUNDING OPPORTUNITIES**

**ARTS & HUMANITIES:**

**SOCIAL SCIENCES:**

The ORIP High-End Instrumentation Grant (HEI) program encourages applications from groups of NIH-supported investigators to purchase a single major item of equipment to be used for biomedical research that costs at least $750,000. The maximum award is $2,000,000. Instruments in this category include, but are not limited to, biomedical imaging systems, NMR spectrometers, mass spectrometers, electron microscopes and supercomputers.

Grants, State Justice Institute, deadlines: various – please see website; http://www.sji.gov/grants.php:
- Project Grants
- Technical Assistance Grants
- Curriculum Adaptation & Training Grants
- Partnership Grants
- Strategic Initiatives Grant
- Education Support Program Grants

Obesity Policy Evaluation Research (R01), NIH, standard deadlines: NEW February 5, June 5, October 5; RENEWAL/RESUBMISSION/REVISION March 5, July 5, November 5; http://grants.nih.gov/grants/guide/announcements/PAR-13-110.html.

Post-PhD Research Grants, Wenner-Gren, deadlines: May 1, November 1; http://www.wennergren.org/programs/post-phd-research-grants.

Hunt Postdoctoral Fellowships, Wenner-Gren, deadlines: May 1, November 1; http://www.wennergren.org/programs/hunt-postdoctoral-fellowships.

International Collaborative Research Grants, Wenner-Gren, deadlines: June 1, December 1; http://www.wennergren.org/programs/international-collaborative-research-grants.

Conference and Workshop Grants, Wenner-Gren, deadlines: June 1, December 1; http://www.wennergren.org/programs/conference-and-workshop-grants.

SCIENCE & RESEARCH/FEDERAL:

ICECool Applications (ICECool Apps), DARPA, deadline: 3/22/13; http://www07.grants.gov/search/search.do?oppId=219415.
**FOUNDATION:**

**Fellowship**, Ms. Foundation for Women, deadline: 2/15/13; [http://forwomen.org/content/120/en/fellowship](http://forwomen.org/content/120/en/fellowship).

*Research areas: education, community, health/medicine*

**STUDENT:**

**Areas of focus:** Peace and conflict prevention/resolution, Disease prevention and treatment, Water and sanitation, Maternal and child health, Basic education and literacy, Economic and community development

**Global Studies Grant for Student Travel and Study Abroad**, Global Studies Foundation, deadline: July 1; [http://www.globalstudiesfoundation.org/ShowContents.cfm?CategoryId=64](http://www.globalstudiesfoundation.org/ShowContents.cfm?CategoryId=64).

**Internship Programs**, The Washington Center, deadlines: vary depending on internship dates; [http://www.twc.edu/node/11005](http://www.twc.edu/node/11005).

**Undergraduate, graduate, and postdoctoral female chemists travel grant**, ASC/Eli Lilly, deadline: February 15, September 15; [http://portal.acs.org/portal/acs/corg/content?_nfpb=true&_pageLabel=PP_SUPERARTICLE&node_id=1383&use_sec=false&sec_url_var=region1&__uuid=9d381b47-3fe1-4bba-a1f9-4b82e2cf518d](http://portal.acs.org/portal/acs/corg/content?_nfpb=true&_pageLabel=PP_SUPERARTICLE&node_id=1383&use_sec=false&sec_url_var=region1&__uuid=9d381b47-3fe1-4bba-a1f9-4b82e2cf518d).

Wadsworth International Fellowships, Wenner-Gren, deadline: March 1;  

Engaged Anthropology Grant, Wenner-Gren, deadlines: February 1, August 1;  
DID YOU KNOW THAT?
A Newsletter for Graduate Students in Arts & Sciences

IMPORTANT COMMENCEMENT INFORMATION

STUDENT’S WHO PLAN TO GRADUATE IN MAY AND AUGUST 2013 AND WANT THEIR NAME TO APPEAR IN THE COMMENCEMENT PROGRAM, MUST SUBMIT THEIR NOTICE OF CANDIDACY BY MARCH 1. THERE WILL BE NO EXCEPTIONS PER THE COLLEGE REGISTRAR!!

REVISED PHYSICAL STANDARDS FOR THESES AND DISSERTATIONS EFFECTIVE IMMEDIATELY

Please note beginning with January 2013 graduation, ALL students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards and templates can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php

It is your responsibility to review the entire document to make sure you are in compliance with the Physical Standards. Please check with your Department/Program Graduate Administrator for help reviewing thesis/dissertation for formatting standards per physical standards document prior to submission to the Office of Graduate Studies.

Revisions include but are not limited to the following:

1) It is required that students submit one complete draft of their thesis/dissertation for review of format by the OGSR 3 weeks prior to the published deadline before submitting the final copies. For May 2013 graduation, the draft deadline is March 29, 2013. (March 29 is Good Friday and is recognized as a “religious” holiday by the College, however the College will be open. If you observe the religious holiday, please submit by March 28. The OGSR prefers to receive this required draft by electronic copy to apgrad@wm.edu.

2) Final thesis and dissertation copies must be submitted in a small box with a printed label with your full name, graduation date, degree and department/program for review.

3) Changes to “Required Page Order” and page numbering.

4) All students are now required to have a Table of Contents, Acknowledgements and Dedication page.
GRADUATION FEES MAY 2013

Master's and Doctoral Degree Students

Binding Fees (3 copies, $7.00 ea.)

Doctoral Degree Students only

• Dissertation Filing Fee ($65 – formerly Microfilming Fee)
• Copyright Fee (optional $55)
• Dissertation Publishing Fee (Open Access, optional $95). Please note that if you select one of the Open Access publishing options, you must also pay this fee at the Cashier’s office.

Survey of Earned Doctorates Form

The 2012-2013 Survey of Earned Doctorates form must be submitted by graduating doctoral degree students and can be obtained at http://www.norc.org/Research/Projects/Pages/survey-of-earned-doctorates-(sed).aspx

ProQuest/UMI Dissertation Agreement Form

Doctoral degree students should refer to the following pdf document to obtain the 2012-2013 Dissertation Publishing Agreement form(s) and to review additional publishing options that are available at http://www.il.proquest.com/dissertationsagree/umi_agreement_papersub.pdf. When accessing this site use “dissertations” as the login and “publish” as the password.

Physical Standards for Theses and Dissertations. Please note that the Physical Standards for Theses and Dissertations have been updated. Students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php.

NEWS AND INFORMATION

Fall Priority Registration for continuing students in Graduate Studies, Arts and Sciences is March 18 – March 29.

March 30 – July 1 Fall Schedule Adjustment

Summer Session registration information is below

March 11 – May 27 Summer Session 1 & Summer Session 3 Registration
March 11 – June 30 Summer Session 2 Registration

IMPORTANT INFORMATION on registration:

All returning A&S graduate students must register by July 1. If a continuing student who's eligible for an out-of-state tuition waiver is not registered by July 1, the Financial Aid office cannot apply the tuition waiver to the student's account in a timely manner and the student’s next E-bill may charge out-of-state tuition. Neither the Financial Aid office nor the Office of Graduate Studies & Research will be able to correct the tuition charges until a subsequent E-bill cycle, which means that late fees may be due on the incorrect charge for out-of-state tuition. If the incorrect charges have resulted from failure to register prior to July 1, the College will not remove the late fees from the E-bill and the student will be responsible for paying the late fees.

Reminder – Students who are Virginia residents but have not submitted the “Application for Virginia In-state Tuition Privileges” http://www.wm.edu/offices/registrar/documents/tuition/Domicile_Application.pdf must do so prior to registering for classes or you will be charged tuition at the out-of-state rate. Students currently classified as out-of-state may also submit this form to the Registrar’s office if you believe you may now be eligible for in-state classification.
IMPORTANT INFORMATION NEEDED FROM A&S GRAD STUDENTS. The Graduate Portfolio website http://www.wm.edu/as/graduate/graduate_portfolio/index.php, sponsored by The A&S Graduate Student Association and the Office of Graduate Studies and Research, is currently accepting updates. The website is designed specifically to showcase the honors and accomplishments of W&M A&S graduate students.

PLEASE E-MAIL YOUR INFORMATION TO YOUR GSA REPRESENTATIVE BY FEBRUARY 28 FOR POSTING TO THE WEB SITE (see e-mail addresses below). You also have the option to submit your information on the web at https://forms.wm.edu/1539. To submit the information on the web you will need your WMuserid and password. Please note your submissions are not automatically downloaded to the Portfolio.

This "Graduate Portfolio" website makes accessible to the public the awards, publications, and other noteworthy activities of current and recently graduated students. The Portfolio allows undergraduate students, faculty, staff, alumni and prospective students to note what W&M A&S graduate students are doing in their programs and with their degrees. The Portfolio also increases awareness of the successes of W&M A&S graduate students, and encourages further opportunities for both enrolled and graduated W&M students.

This call for information will cover accomplishments dated from September 2011 through the present. Subsequently, information will be updated three times per year and will be archived as a valuable resource on the web site by year. The site will list accomplishments under the following categories: Awards/Honors, Community Service/Outreach, Fellowships, Internships, Conference Presentations, Publications, Research Grants, and Recent Alumni Employment/Positions. Graduate Student Association (GSA) representatives will collect the information from students in their respective departments/programs. We ask that you send only accomplishments received outside of William & Mary, the exception being nationally competitive awards affiliated with William & Mary (e.g., publication in the William & Mary Quarterly) or prestigious College-wide awards (e.g., Thatcher Prize for Excellence).

Awards/activities must be listed in the following format for inclusion in the Graduate Portfolio:

Category of Award/Activity, Title of Award/Activity, Date of Award/Activity, **Student First and Last Name** (bold), Degree, Program.

**Fellowship Example:** NSF Fellow, 2011-2012, **John Smith**, PhD, Physics

You may use any format accepted in your discipline for the Publications and Conference Presentations, with the student name, degree, and program added at the end of the citation. Provide complete citations, including up to ten co-authors (with "et al." indicating co-authors greater than ten), for Publications and Conference Presentations.

**Publication Example:** George Smith and Karen Jones. "Lost without Lost." The Journal of Popular Film and Television. 12.3 (Spring 2010): 50-60., **Karen Jones**, PhD, American Studies

Please e-mail your information in the appropriate format to your GSA representative listed below. You also have the option to submit your information on the web at https://forms.wm.edu/1539. You will need your WMuserid and password. Note if you use the web submission, the information will not automatically be updated on the A&S Graduate Portfolio page.

American Studies: Nabeel Siddiqui nasiddiqui@email.wm.edu
Anthropology: Rachel Bowen rebowen@email.wm.edu
Applied Science: Will Roach wmrroach@email.wm.edu
Biology: Jessica Ebers jhebers@email.wm.edu
Chemistry: Joseph Auslander jsauslander@email.wm.edu
Computer Science: Ed Novak ejnovak@email.wm.edu
History: Laura Ansley lmansley@email.wm.edu
Physics: Daniel Davee dvdavee@email.wm.edu
Psychology: David Newman dbnewman@email.wm.edu
Public Policy: Geoffrey Zindren gpzindren@email.wm.edu
DID YOU KNOW THAT? The newsletter for Graduate Students in Arts & Sciences is published each week during the fall and spring semesters. We welcome your submissions. Copy may be edited for length. Submission should be sent to cyroberts@wm.edu.

FUNDING OPPORTUNITIES

ARTS & HUMANITIES:

SOCIAL SCIENCES:

School Nutrition and Physical Activity Policies, Obesogenic Behaviors and Weight Outcomes (R01), NIH, standard deadlines: NEW February 5, June 5, October 5; RENEWAL/RESUBMISSION/REVISION March 5, July 5, November 5; http://grants.nih.gov/grants/guide/pa-files/PA-13-100.html.

The ORIP High-End Instrumentation Grant (HEI) program encourages applications from groups of NIH-supported investigators to purchase a single major item of equipment to be used for biomedical research that costs at least $750,000. The maximum award is $2,000,000. Instruments in this category include, but are not limited to, biomedical imaging systems, NMR spectrometers, mass spectrometers, electron microscopes and supercomputers.

NIH Summer Research Experience Programs (R25), NIH, deadline: 4/2/13;

Post-PhD Research Grants, Wenner-Gren, deadlines: May 1, November 1; [http://www.wennergren.org/programs/post-phd-research-grants](http://www.wennergren.org/programs/post-phd-research-grants).

International Collaborative Research Grants, Wenner-Gren, deadlines: June 1, December 1; [http://www.wennergren.org/programs/international-collaborative-research-grants](http://www.wennergren.org/programs/international-collaborative-research-grants).

SCIENCE & RESEARCH/FEDERAL:

FOUNDATION:
Fellowship, Ms. Foundation for Women, deadline: 2/15/13; http://forwomen.org/content/120/en/fellowship.

Grants, RGK Foundation, LOI deadline: rolling; http://www.rgkfoundation.org/public/guidelines:
*research areas: education, community, health/medicine

STUDENT:

Pre-Doctoral Research Fellowships, Brookings Institute, Foreign Policy Program, deadline: 4/5/13; http://www.brookings.edu/about/employment/fellowship/2013/fp12190.

Areas of focus: Peace and conflict prevention/resolution, Disease prevention and treatment, Water and sanitation, Maternal and child health, Basic education and literacy, Economic and community development

Global Studies Grant for Student Travel and Study Abroad, Global Studies Foundation, deadline: July 1; http://www.globalstudiesfoundation.org/ShowContents.cfm?CategoryID=64.

Internship Programs, The Washington Center, deadlines: vary depending on internship dates; http://www.twc.edu/node/11005.

Undergraduate, graduate, and postdoctoral female chemists travel grant, ASC/Eli Lilly, deadline: February 15, September 15; http://portal.acs.org/portal/acs/corg/content?_nfpb=true&_pageLabel=PP_SUPERARTICLE&node_id=1383&use_sec=false&sec_url_var=region1&_uuid=9d381b47-3fe1-4bba-a1f9-4b82e2cf518d.

Engaged Anthropology Grant, Wenner-Gren, deadlines: February 1, August 1; http://www.wennergren.org/programs/engaged-anthropology-grant.
NEWS AND INFORMATION

Fall Priority Registration for continuing students in Graduate Studies, Arts and Sciences is March 18 – March 29. Fall Schedule Adjustment begins March 30 – July 1. We REQUIRE all returning A&S graduate students to register by July 1.

Summer Session registration information is below

March 11 – May 27 Summer Session 1 & Summer Session 3 Registration

March 11 – June 30 Summer Session 2 Registration

IMPORTANT INFORMATION on registration:

Reminder – Students who are Virginia residents but have not submitted the “Application for Virginia In-state Tuition Privileges” must do so prior to registering for classes or you will be charged tuition at the out-of-state rate. Students currently classified as out-of-state may also submit this form to the Registrar’s office if you believe you may now be eligible for in-state classification.

12TH ANNUAL GRADUATE RESEARCH SYMPOSIUM

Please mark your calendars to attend the 12th Annual Graduate Research Symposium March 22-23 at the Sadler Center. Please join us for over 150 lectures and poster presentations by Arts & Sciences graduate students from W&M as well as 19 regional institutions. Be sure to visit the web for a complete list of activities and events

http://www.wm.edu/as/graduate/researchsymposium/index.php. Make plans to attend followed by a Reception from 5:00-7:00pm, in Chesapeake A, for great food and conversation. Poster displays in multiple disciplines will be located on the 2nd Floor Lobby Friday, March 23 from 8:30am-5:00pm and Saturday, March 24 from 8:30am-12:00pm.

All attendees (including presenters, their guests, faculty, alumni, session chairs, room proctors, and volunteers) are required to fill out the RSVP form by Friday, March 15, 2013 in order to attend catered events. Lectures are free and open to the public.

Not presenting at the Symposium, but still want to get involved? We are looking for volunteers to help serve as room proctors. Please email Shaun Richards sfrichards@email.wm.edu if interested.
Career Development Opportunities for Graduate Students during the Graduate Research Symposium

**MOCK JOB INTERVIEWS**

Friday, March 22 from 3:30 - 5:00 PM, Presentation Room - Career Center

**MOCK ACADEMIC POSITION Interview**

**MOCK MUSEUM-TRACK Interview**

Each interview will be followed with time for audience Q&A. This is a fantastic opportunity to get a glimpse into the interview process, and to find out what might be expected of you in your next interview. Immediately following please join us for a Networking Reception on the Roof Top Terrace. For additional information: [www.wm.edu/offices/career/graduate_students/index.php](http://www.wm.edu/offices/career/graduate_students/index.php)

**Teaching Project Workshops**

Please RSVP to Joel Schwartz [jxschw@wm.edu](mailto:jxschw@wm.edu) and indicate which workshop you'd like to attend.

**Lessons from My Flipped Classroom**

Gene Roche, Director of Academic Information Services and School of Education

Tuesday, March 19, 12:30PM - 1:30PM, Blow 201

The presentation outlines some challenges and lessons learned in redesigning a 50 student course, Computers for Business Decision-Making, as a blended or flipped class. The one credit class, part of initial block for undergraduates at the Mason School, requires students to quickly develop a high level of skill with Excel and to apply that skill analyzing a variety of complex problems—all in six weeks. A primary goal of the presentation will be to provide a framework that might be useful to faculty members who are considering new designs for an upcoming course.

The presentation builds on the two posts that I made earlier on the topic, but with more details about the pedagogical issues that would be of interest to teaching professors. [http://at.blogs.wm.edu/flipped-classroom-update/](http://at.blogs.wm.edu/flipped-classroom-update/) [http://at.blogs.wm.edu/confessions-of-a-classroom-flipper/](http://at.blogs.wm.edu/confessions-of-a-classroom-flipper/)

**Classroom Assessment: What Happens In My Course–What and How My Students are Learning**

Paul Heideman, Biology

Thursday, March 21, 12:30PM-1:30PM, Blow 201

As a novice teacher, I thought that if I tried to be clear, then my students were learning. It often wasn't true. My goal for this workshop is for participants (including me) to leave with new plans for gathering data on what our students are learning and the approaches they are using to learn. We will go over some useful ways to gather information from a class and some sources for ideas on using such data. The main task will be planning what we MIGHT do in a course in this semester in order to gain useful information. A handout will have something that I hope any instructor could use, as is. This topic falls broadly in two areas, “Classroom Assessment”, which in turn can be considered a subcategory of “Classroom Research”. Both mean: “how do I tell what's going on in my course?” The goal is to discover how and why students are studying and learning as they do, and why they behave (as learners) as they do.

**REVISED PHYSICAL STANDARDS FOR THESES AND DISSERTATIONS**

Please note beginning with January 2013 graduation, ALL students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards and templates can be found on the following site. [http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php](http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php)

It is your responsibility to review the entire document to make sure you are in compliance with the Physical Standards. Please check with your Department/Program Graduate Administrator for help reviewing thesis/dissertation for formatting standards prior to submission to the Office of Graduate Studies.

Revisions include but are not limited to the following:

1) It is required that students submit one complete draft of their thesis/dissertation for review of format by the OGSR 3 weeks prior to the published deadline before submitting the final copies. **For May 2013 graduation, the draft deadline is March 29, 2013.** (March 29 is Good Friday and is recognized as a “religious” holiday by the College,

[http://www.wm.edu/as/graduate/](http://www.wm.edu/as/graduate/)
however the College will be open. If you observe the religious holiday, please submit this required draft by electronic copy to apgrad@wm.edu.

2) Final thesis and dissertation copies must be submitted in a small box with a printed label with your full name, graduation date, degree and department/program for review.

3) Changes to “Required Page Order” and page numbering.

4) All students are now required to have a Table of Contents, Acknowledgements and Dedication page.

GRADUATION FEES MAY 2013

Master's and Doctoral Degree Students
Binding Fees (3 copies, $7.00 ea.)

Doctoral Degree Students only
- Dissertation Filing Fee ($65 – formerly Microfilming Fee)
- Copyright Fee (optional $55)
- Dissertation Publishing Fee (Open Access, optional $95). Please note that if you select one of the Open Access publishing options, you must also pay this fee at the Cashier’s office.

Survey of Earned Doctorates Form
The 2012-2013 Survey of Earned Doctorates form must be submitted by graduating doctoral degree students and can be obtained at http://www.norc.org/Research/Projects/Pages/survey-of-earned-doctorates-(sed).aspx

ProQuest/UMI Dissertation Agreement Form
Doctoral degree students should refer to the following pdf document to obtain the 2012-2013 Dissertation Publishing Agreement form(s) and to review additional publishing options that are available at http://www.il.proquest.com/dissertationagree/umi_agreement_papersub.pdf. When accessing this site use "dissertations" as the login and "publish" as the password.

Physical Standards for Theses and Dissertations. Please note that the Physical Standards for Theses and Dissertations have been updated. Students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php.

FROM THE A&S GRADUATE STUDENT ASSOCIATION (GSA)

GSA SPRING MEETINGS
The next GSA meeting will be held from 6:15-7:30 pm in March 13. Pizza and refreshments will be provided. Representation at these meetings ensures that your program remains eligible under the "Good Standing Provision for GSA Conference Funding". Department representatives are encouraged to contact Libby Cook ecook@email.wm.edu for more information.

NOMINATIONS ARE NOW OPEN FOR THE 2013-2014 GSA OFFICERS: If you are interested in running for a GSA position please submit your nomination (self-nominations are acceptable) in writing to Sarah Stanford-McIntyre, GSA Vice President (ssstanfordmcin@email.wm.edu) by today (March 11th) at 5pm. Candidates are also asked to submit a statement/platform of no more than 250 words which will be posted on our website.

During the March 13th GSA meeting candidates will give short speeches and can answer questions. On March 20, voting will take place via electronic ballot. If you have any questions about the elections, please contact Sarah Stanford-McIntyre (ssstanfordmcin@email.wm.edu).

Descriptions of the positions and election process can be found on our website: http://wmpeople.wm.edu/site/page/gsa/constitution

GSA SUPPLEMENTAL CONFERENCE TRAVEL FUNDING. Through a collaborative effort between the Office of Graduate Studies and Research (OGSR) and the GSA, a limited number of $200 awards are available to assist selected Arts & Sciences graduate students who are attending or presenting at a research conference. The OGSR/GSA Conference Funding competitively awards Arts & Sciences graduate students who wish to attend or present at research conferences in their field of study. Conference Funding is financed through the Office of Graduate Studies and Research; however, it is solely administered by the GSA. The goal of Conference Funding is to supplement other funding sources and to help offset
the expenses that graduate students accrue advancing their scholarship and knowledge. Since conference experience and attendance are critical for the job market, Conference Funding is designed to encourage graduate student presence at conferences by addressing some of the limitations of other funding sources. The application deadline for conference travel taken during the period April 16, 2013 through August 31, 2013 is 5:00pm on March 29, 2013. For more information and the application, please see http://wmpeople.wm.edu/site/page/gsa/conferencefunding.

16th Annual Minnie Braithwaite Lecture in Women’s Studies Matt Richardson, Assistant Professor of English and African/African Diaspora Studies at the University of Texas at Austin, will give a lecture called “The Queer Limit of Black Memory” on Tuesday, March 26, at 6.30 pm. Everyone welcome; reception to follow. Additional information can be found at http://www.wm.edu/as/womensstudies/news/matt-richardson-to-give-16th-annual-minnie-braithwaite-lecture-in-womens-studies.php

DID YOU KNOW THAT? The newsletter for Graduate Students in Arts & Sciences is published each week during the fall and spring semesters. We welcome your submissions. Copy may be edited for length. Submission should be sent to cyroberts@wm.edu.
FUNDING OPPORTUNITIES

The new issue of the GRANT ADVISOR is now available at http://www.grantadvisor.com/tgaplus/.

If you are off-campus, go to http://www.grantadvisor.com/tgapass/ and enter "tga" (without the quotes) as the username and "clear" as the password.

This publication lists deadlines for grants and fellowship opportunities broken down by the following categories: Fine Arts, Humanities, Social Sciences, Sciences, Education, International, Health Related, Minorities/Women, Unrestricted/Other, Federal Register.

ARTS & HUMANITIES:

Fellowships, Netherland Institute for Advanced Studies in the Humanities and Social Sciences, deadline: 4/1/13; http://www.nias.knaw.nl/Pages/NIA/24/379.bGFuZz1FTkc.html.
In the year 2014/15 NIAS specially welcomes projects that are related to the following topics: Cultural Heritage and Computational Humanities; Brain and Cognition; Global Society and Identity.

SOCIAL SCIENCES:

Fellowships, Netherland Institute for Advanced Studies in the Humanities and Social Sciences, deadline: 4/1/13; http://www.nias.knaw.nl/Pages/NIA/24/379.bGFuZz1FTkc.html.
In the year 2014/15 NIAS specially welcomes projects that are related to the following topics: Cultural Heritage and Computational Humanities; Brain and Cognition; Global Society and Identity.

Science of Learning Centers Program, NSF, applications accepted anytime; http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5567:
NOTE: Currently only accepting proposals for Workshops, EAry-concept Grants for Exploratory Research (EAGER), Rapid Response Grants (RAPID), and Supplements to NSF awards (including those funded by other programs). PIs must contact the NSF program officer prior to submission of an EAGER or RAPID proposal.

SCIENCE & RESEARCH/FEDERAL:

Research Experiences for Undergraduates, Sites and Supplements, NSF, deadlines: Sites (Antarctica) 5/24/13; Sites (all others) 8/28/13. For supplements to existing awards, contact your Program Officer; http://www.nsf.gov/pubs/2013/nsf13542/nsf13542.pdf
Innovative Partnerships for Enhancing End to End Early Warning Systems for Hydrometeorological Hazards in South Asia, USAID; Concept Paper deadline: 3/27/13; 

Research on Alcohol and HIV/AIDS (R03), NIH, standard deadlines: NEW February 5, June 5, October 5; RESUBMISSION/RENEWAL/REVISION March 5, July 5, November 5; http://grants.nih.gov/grants/guide/pa-files/PA-13-120.html.

Research on Alcohol and HIV/AIDS (R01), NIH, standard deadlines: NEW February 5, June 5, October 5; RESUBMISSION/RENEWAL/REVISION March 5, July 5, November 5; http://grants.nih.gov/grants/guide/pa-files/PA-13-121.html.

National Oceanographic Partnership Program (NOPP) 13-011, ONR, deadline: 4/12/13;  

Game Changing Opportunities in Technology Development (GCOTD) – 2012, NASA, deadlines: please see full solicitation; 

BAA for Combatting Terrorism Technical Support Office/TSWG Support, Department of the Navy, deadline: 3/21/13;  
https://www.fbo.gov/index?s=opportunity&mode=form&id=55e4449277a51e8a3fc3a2508a866494&tab=core&cvew=0.

Innovative research and development projects in the following mission areas: Advanced Analytics Capabilities (AAC) Chemical, Biological, Radiological, Nuclear and Explosives (CBRNE); Explosives Ordnance Disposal/Low-Intensity Conflict (EOD/LIC); Improvised Device Defeat (IDD); Investigative Support and Forensics (ISF); Irregular Warfare Support Program (IWSP); Personnel Protection (PP); Physical Security (PS); Surveillance, Collection, and Operations Support (SCOS); Tactical Operations Support (TOS); and Training Technology Development (TTD).

Smart and Connected Health (SCH), NSF, deadlines: Exploratory Proposals 5/28/13 and 10/10/13; Integrative Proposals 6/3/13 and 12/10/13;  

Strategic Technologies for CyberInfrastructure (STCI), NSF, deadline: investigators interested in submitting proposals are strongly encouraged to contact the program directors; 

Advanced Technologies for Monitoring CO2 in Geologic Storage and Utilization Operations, National Energy Technology Laboratory, deadline: 4/17/13;  

**OTHER:**

**International cancer technology transfer fellowships (ICRETT)** (for Investigators, clinicians, public health professionals), Global Education and Training Initiative, Union for International Cancer Control (UICC), deadline: applications accepted anytime; [http://www.uicc.org/node/12010](http://www.uicc.org/node/12010).

**FOUNDATION:**

NOTE: Only one organizational application is accepted per year – if you plan to apply, please contact us prior to making any contact with the Foundation.

**Grants for Arts and Culture**, Japan Foundation New York, deadline: 3 months prior to project start date; [http://www.jfny.org/arts_and_culture/smallgrant.html](http://www.jfny.org/arts_and_culture/smallgrant.html).

**STUDENT:**

**Summer research opportunities for undergraduate and graduate students**, National Center for Toxicological Research (Arkansas), FDA, deadline: 3/8/13; [http://www.fda.gov/AboutFDA/WorkingatFDA/FellowshipInternshipGraduateFacultyPrograms/ucm243662.htm](http://www.fda.gov/AboutFDA/WorkingatFDA/FellowshipInternshipGraduateFacultyPrograms/ucm243662.htm).

Doctoral students in the fields of public policy, economics, and other social sciences to perform research on issues relating to employment and training.
12TH ANNUAL GRADUATE RESEARCH SYMPOSIUM
THIS FRIDAY AND SATURDAY

Please mark your calendars to attend the 12th Annual Graduate Research Symposium March 22-23 at the Sadler Center. Please join us for over 150 lectures and poster presentations by Arts & Sciences graduate students from W&M as well as 19 regional institutions. Be sure to visit the web for a complete list of activities and events. [http://www.wm.edu/as/graduate/researchsymposium/index.php](http://www.wm.edu/as/graduate/researchsymposium/index.php).

Awards for Excellence in Scholarship Presentations:
Friday, March 22, 8:30-9:30am – James Room
Please join Corporate Award Winner Sarah Stanford-McIntyre present her research. Sarah, American Studies, PhD, won the MARKET ACCESS INTERNATIONAL, Inc. Award for Excellence in Scholarship in the Humanities and Social Sciences and will present “The First Fruits of the New Age,” Grain Elevators in the American Landscape”. Matt Simons, Physics, PhD, won the NORTHROP GRUMMAN CORPORATION Award for Excellence in Scholarship in the Natural and Computational Sciences and will present “Bright squeezed light from a whispering-gallery mode resonator via second harmonic generation”.

Friday, March 22, 8:30-9:30am – Tidewater B
Please join Corporate Award Winner Jessica Ebers, Biology, MS, present her research. Jessica won the NORTHROP GRUMMAN CORPORATION Award for Excellence in Scholarship in the Natural and Computational Sciences and will present “The Effect of Methyrlmercury on Immune Response to a Common Parasite in Zebra Finches”.

Career Development Opportunities for A&S Graduate Students during the Graduate Research Symposium: MOCK JOB INTERVIEWS
Friday, March 22 from 3:30 - 5:00 PM, Presentation Room - Career Center

- MOCK ACADEMIC POSITION Interview
- MOCK MUSEUM-TRACK Interview

Each interview will be followed with time for audience Q&A. This is a fantastic opportunity to get a glimpse into the interview process, and to find out what might be expected of you in your next interview. Immediately following please join us for a Networking Reception on the Roof Top Terrace. For additional information: [www.wm.edu/offices/career/graduate_students/index.php](http://www.wm.edu/offices/career/graduate_students/index.php).
NEWS AND INFORMATION

Fall Priority Registration for continuing students in Graduate Studies, Arts and Sciences is March 18 – March 29. Fall Schedule Adjustment begins March 30 – July 1. **We REQUIRE** all returning A&S graduate students to register by July 1.

Summer Session registration information is below:

March 11 – May 27 Summer Session 1 & Summer Session 3 Registration

March 11 – June 30 Summer Session 2 Registration

**IMPORTANT INFORMATION on registration:**

Reminder – Students who are Virginia residents but have not submitted the “Application for Virginia In-state Tuition Privileges” [http://www.wm.edu/offices/registrar/documents/tuition/Domicile_Application.pdf](http://www.wm.edu/offices/registrar/documents/tuition/Domicile_Application.pdf) must do so prior to registering for classes or you will be charged tuition at the out-of-state rate. Students currently classified as out-of-state may also submit this form to the Registrar’s office if you believe you may now be eligible for in-state classification.

---

Teaching Project Workshops

Please RVSP to Joel Schwartz [jxschw@wm.edu](mailto:jxschw@wm.edu) and indicate which workshop you’d like to attend.

Lessons from My Flipped Classroom

Gene Roche, Director of Academic Information Services and School of Education

Tuesday, March 19, 12:30PM - 1:30PM, Blow 201

The presentation outlines some challenges and lessons learned in redesigning a 50 student course, Computers for Business Decision-Making, as a blended or flipped class. The one credit class, part of initial block for undergraduates at the Mason School, requires students to quickly develop a high level of skill with Excel and to apply that skill analyzing a variety of complex problems—all in six weeks. A primary goal of the presentation will be to provide a framework that might be useful to faculty members who are considering new designs for an upcoming course.

The presentation builds on the two posts that I made earlier on the topic, but with more details about the pedagogical issues that would be of interest to teaching professors. [http://at.blogs.wm.edu/flipped-classroom-update/](http://at.blogs.wm.edu/flipped-classroom-update/) [http://at.blogs.wm.edu/confessions-of-a-classroom-flipper/](http://at.blogs.wm.edu/confessions-of-a-classroom-flipper/)

Classroom Assessment: What Happens In My Course–What and How My Students are Learning

Paul Heideman, Biology

Thursday, March 21, 12:30PM-1:30PM, Blow 201

As a novice teacher, I thought that if I tried to be clear, then my students were learning. It often wasn’t true. My goal for this workshop is for participants (including me) to leave with new plans for gathering data on what our students are learning and the approaches they are using to learn. We will go over some useful ways to gather information from a class and some sources for ideas on using such data. The main task will be planning what we MIGHT do in a course in this semester in order to gain useful information. A handout will have something that I hope any instructor could use, as is. This topic falls broadly in two areas, “Classroom Assessment”, which in turn can be considered a subcategory of “Classroom Research”. Both mean: “how do I tell what’s going on in my course?” The goal is to discover how and why students are studying and learning as they do, and why they behave (as learners) as they do.
REVISED PHYSICAL STANDARDS FOR THESES AND DISSERTATIONS

Please note beginning with January 2013 graduation, ALL students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards and templates can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php

It is your responsibility to review the entire document to make sure you are in compliance with the Physical Standards. Please check with your Department/Program Graduate Administrator for help reviewing thesis/dissertation for formatting standards per physical standards document prior to submission to the Office of Graduate Studies.

Revisions include but are not limited to the following:

1) It is required that students submit one complete draft of their thesis/dissertation for review of format by the OGSR 3 weeks prior to the published deadline before submitting the final copies. For May 2013 graduation, the draft deadline is March 29, 2013. (March 29 is Good Friday and is recognized as a “religious” holiday by the College, however the College will be open. If you observe the religious holiday, please submit by March 28. The OGSR prefers to receive this required draft by electronic copy to apgrad@wm.edu.

2) Final thesis and dissertation copies must be submitted in a small box with a printed label with your full name, graduation date, degree and department/program for review.

3) Changes to “Required Page Order” and page numbering.

4) All students are now required to have a Table of Contents, Acknowledgements and Dedication page.

GRADUATION FEES MAY 2013

Master’s and Doctoral Degree Students
Binding Fees (3 copies, $7.00 ea.)

Doctoral Degree Students only
- Dissertation Filing Fee ($65 – formerly Microfilming Fee)
- Copyright Fee (optional $55)
- Dissertation Publishing Fee (Open Access, optional $95). Please note that if you select one of the Open Access publishing options, you must also pay this fee at the Cashier’s office.

Survey of Earned Doctorates Form
The 2012-2013 Survey of Earned Doctorates form must be submitted by graduating doctoral degree students and can be obtained at http://www.norc.org/Research/Projects/Pages/survey-of-earned-doctorates-(sed).aspx

ProQuest/UMI Dissertation Agreement Form
Doctoral degree students should refer to the following pdf document to obtain the 2012-2013 Dissertation Publishing Agreement form(s) and to review additional publishing options that are available at http://www.il.proquest.com/dissertationagree/umi_agreement_papersub.pdf. When accessing this site use "dissertations" as the login and "publish" as the password.

Physical Standards for Theses and Dissertations. Please note that the Physical Standards for Theses and Dissertations have been updated. Students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php.
FROM THE A&S GRADUATE STUDENT ASSOCIATION (GSA)

GSA SUPPLEMENTAL CONFERENCE TRAVEL FUNDING. Through a collaborative effort between the Office of Graduate Studies and Research (OGSR) and the GSA, a limited number of $200 awards are available to assist selected Arts & Sciences graduate students who are attending or presenting at a research conference. The OGSR/GSA Conference Funding competitively awards Arts & Sciences graduate students who wish to attend or present at research conferences in their field of study. Conference Funding is financed through the Office of Graduate Studies and Research; however, it is solely administered by the GSA. The goal of Conference Funding is to supplement other funding sources and to help offset the expenses that graduate students accrue advancing their scholarship and knowledge. Since conference experience and attendance are critical for the job market, Conference Funding is designed to encourage graduate student presence at conferences by addressing some of the limitations of other funding sources. The application deadline for conference travel taken during the period April 16, 2013 through August 31, 2013 is 5:00pm on March 29, 2013. For more information and the application, please see http://wmpeople.wm.edu/site/page/gsa/conferencefunding.

16th Annual Minnie Braithwaite Lecture in Women's Studies  Matt Richardson, Assistant Professor of English and African/African Diaspora Studies at the University of Texas at Austin, will give a lecture called “The Queer Limit of Black Memory” on Tuesday, March 26, at 6:30 pm. Everyone welcome; reception to follow. Additional information can be found at http://www.wm.edu/as/womensstudies/news/matt-richardson-to-give-16th-annual-minnie-braithwaite-lecture-in-womens-studies.php

DID YOU KNOW THAT? The newsletter for Graduate Students in Arts & Sciences is published each week during the fall and spring semesters. We welcome your submissions. Copy may be edited for length. Submission should be sent to cyroberts@wm.edu.
FUNDING OPPORTUNITIES

The new issue of the GRANT ADVISOR is now available at http://www.grantadvisor.com/tgaplus/.

If you are off-campus, go to http://www.grantadvisor.com/tgapass/ and enter "tga" (without the quotes) as the username and "clear" as the password.

This publication lists deadlines for grants and fellowship opportunities broken down by the following categories: Fine Arts, Humanities, Social Sciences, Sciences, Education, International, Health Related, Minorities/Women, Unrestricted/Other, Federal Register.

ARTS & HUMANITIES:

Fellowships, Netherland Institute for Advanced Studies in the Humanities and Social Sciences, deadline: 4/1/13; http://www.nias.knaw.nl/Pages/NIA/24/379.bGFuZz1FTkc.html.
In the year 2014/15 NIAS specially welcomes projects that are related to the following topics: Cultural Heritage and Computational Humanities; Brain and Cognition; Global Society and Identity.

SOCIAL SCIENCES:

Fellowships, Netherland Institute for Advanced Studies in the Humanities and Social Sciences, deadline: 4/1/13; http://www.nias.knaw.nl/Pages/NIA/24/379.bGFuZz1FTkc.html.
In the year 2014/15 NIAS specially welcomes projects that are related to the following topics: Cultural Heritage and Computational Humanities; Brain and Cognition; Global Society and Identity.

Science of Learning Centers Program, NSF, applications accepted anytime; http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5567:
NOTE: Currently only accepting proposals for Workshops, EArly-concept Grants for Exploratory Research (EAGER), Rapid Response Grants (RAPID), and Supplements to NSF awards (including those funded by other programs). PIs must contact the NSF program officer prior to submission of an EAGER or RAPID proposal.

SCIENCE & RESEARCH/FEDERAL:

Research on Alcohol and HIV/AIDS (R03), NIH, standard deadlines: NEW February 5, June 5, October 5; RESUBMISSION/RENEWAL/REVISION March 5, July 5, November 5; http://grants.nih.gov/grants/guide/pa-files/PA-13-120.html.

Research on Alcohol and HIV/AIDS (R01), NIH, standard deadlines: NEW February 5, June 5, October 5; RESUBMISSION/RENEWAL/REVISION March 5, July 5, November 5; http://grants.nih.gov/grants/guide/pa-files/PA-13-121.html.

BAA for Combatting Terrorism Technical Support Office/TSWG Support, Department of the Navy, deadline: 3/21/13; https://www.fbo.gov/index?s=opportunity&mode=form&id=55e4449277a51e8a3fc3a2508a866494&tab=core&cvew=0.

Innovative research and development projects in the following mission areas: Advanced Analytics Capabilities (AAC) Chemical, Biological, Radiological, Nuclear and Explosives (CBRNE); Explosives Ordnance Disposal/Low-Intensity Conflict (EOD/LIC); Improvised Device Defeat (IDD); Investigative Support and Forensics (ISF); Irregular Warfare Support Program (IWSP); Personnel Protection (PP); Physical Security (PS); Surveillance, Collection, and Operations Support (SCOS); Tactical Operations Support (TOS); and Training Technology Development (TTD).

Strategic Technologies for CyberInfrastructure (STCI), NSF, deadline: investigators interested in submitting proposals are strongly encouraged to contact the program directors; http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=503475.

OTHER:

Undergraduate Analytical Research Program (UARP) Grant, Society for Analytic Chemists of Pittsburgh, deadline: 3/12/13; http://www.sacp.org/grants/uarp/.

International cancer technology transfer fellowships (ICRETT) (for Investigators, clinicians, public health professionals), Global Education and Training Initiative, Union for International Cancer Control (UICC), deadline: applications accepted anytime; http://www.uicc.org/node/12010.

FOUNDATION:

NOTE: Only one organizational application is accepted per year – if you plan to apply, please contact us prior to making any contact with the Foundation.

Grants for Arts and Culture, Japan Foundation New York, deadline: 3 months prior to project start date; http://www.jfny.org/arts_and_culture/smallgrant.html.

STUDENT:

Summer research opportunities for undergraduate and graduate students, National Center for Toxicological Research (Arkansas), FDA, deadline: 3/8/13; http://www.fda.gov/AboutFDA/WorkingatFDA/FellowshipInternshipGraduateFacultyPrograms/ucm243662.htm.

Doctoral students in the fields of public policy, economics, and other social sciences to perform research on issues relating to employment and training.
12TH ANNUAL GRADUATE RESEARCH SYMPOSIUM

Our heartfelt thanks to everyone who participated in this year’s event. There were more than 150 poster and oral presentations by graduate students from W&M and from 19 regional institutions. We especially want to give a special thanks to the volunteers and presenters who gave generously of their time. Preliminary numbers indicate that this year’s event exceeded last year’s participation levels and an early review of the evaluations indicates a high satisfaction with the event overall. The Symposium needs dedicated and enthusiastic volunteers for next year. If you are interested in taking a more active role in the Symposium, please contact Chasity Roberts at grs@wm.edu. Some of the highlights of this year’s event were the Friday Professional Development Workshop at which Vice Provost Manos moderated and the awards ceremony attended by President Reveley, Provost Halleran and Dean Conley. Our congratulations to the following award recipients for Excellence in Scholarship.

Market Access International, Inc. Award for Excellence in Scholarship in the Humanities and Social Sciences - $1,000.00
SARAH STANFORD-MCINTYRE
The College of William and Mary, American Studies, Advisor: Dr. Arthur Knight

Northrop Grumman Corporation Award for Excellence in Scholarship in the Natural and Computational Sciences - $1,000.00
JESSICA EBERS
The College of William and Mary, Biology, Advisor: Dr. Daniel Cristol

William & Mary and Visiting Scholars

Award for Excellence in Scholarship in the Humanities and Social Sciences - $500.00
JAMES HILL
History, Advisor: Dr. Brett Rushforth

William & Mary Honorable Mentions - $100 each
KATHRYN BENNETT
American Studies, Advisor: Dr. Elizabeth Barnes

MADELEINE GUNTER
Anthropology, Advisor: Dr. Martin Gallivan

Visiting Scholars Award for Excellence in the Humanities and Social Sciences - $500.00
JONATHAN BARTH
History, George Mason University

Visiting Scholar Honorable Mention - $100
JONATHAN RENZ
Psychology, Radford University
William & Mary Awards for Excellence in the Natural and Computational Sciences - $500.00 each

WILLIAM ROACH
Applied Science, Advisor: Dr. R. Ale Lukaszew

YUDISTIRA VIRGUS
Physics, Advisor: Dr. Henry Krakauer

William & Mary Honorable Mentions - $100 each

HAO HAO
Computer Science, Advisor: Dr. Qun Li

WEI WEI
Computer Science, Advisor: Dr. Qun Li

Visiting Scholar Award for Excellence in the Natural & Computational Sciences - $ 500.00

ERIN HELLER
Biological Sciences, Old Dominion University

Visiting Scholar Honorable Mentions - $100 each

SANDRA ADDO
Statistics, University of Georgia

ANUSHA LIYANAGE
Physics, Hampton University

Carl J. Strikwerda Awards for Excellence in the Humanities and Social Sciences - $150 each

HAYDEN BASSETT
Anthropology, MA/PhD, Advisor: Dr. Neil Norman

PATRICK HAMMETT
Psychology, MA, Advisor: Cheryl Dickter

Carl J. Strikwerda Award for Excellence in the Natural and Computational Sciences - $150 each

COURTNEY TURRIN
Biology, MS, Advisor: Dr. Bryan Watts

S. Laurie Sanderson Awards for Excellence in Undergraduate Mentoring in the Humanities and Social Sciences - $250 each

JESSICA HERLICH
Anthropology Department, PhD

KRISTIN ZAJO
Psychology Department, MS

S. Laurie Sanderson Awards for Excellence in Undergraduate Mentoring in the Natural & Computational Sciences - $250 each

WILLIAM CZAPLYSKI
Chemistry Department, MS

VALERIE TRIPP
Chemistry Department, MS
NEWS AND INFORMATION

Fall Priority Registration for continuing students in Graduate Studies, Arts and Sciences is March 18 – March 29. Fall Schedule Adjustment begins March 30 – July 1. We REQUIRE all returning A&S graduate students to register by July 1.

Summer Session registration information is below

March 11 – May 27 Summer Session 1 & Summer Session 3 Registration

March 11 – June 30 Summer Session 2 Registration

IMPORTANT INFORMATION on registration:

Reminder – Students who are Virginia residents but have not submitted the “Application for Virginia In-state Tuition Privileges” http://www.wm.edu/offices/registrar/documents/ tuition/Domicile_Application.pdf must do so prior to registering for classes or you will be charged tuition at the out-of-state rate. Students currently classified as out-of-state may also submit this form to the Registrar’s office if you believe you may now be eligible for in-state classification.

FROM THE A&S GRADUATE STUDENT ASSOCIATION (GSA)

NOMINATIONS ARE FOR THE 2013-2014 GSA OFFICERS DUE MONDAY APRIL 1: If you are interested in running for a GSA position please submit your nomination (self-nominations are acceptable) in writing to Sarah Stanford-McIntyre at ssstanfordmcin@email.wm.edu by 5pm, Friday, April 1st. (Note this is a change in date). Candidates are to submit a statement/platform of no more than 250 word bio explaining your interest and qualifications for your chosen officer position.

During the April 3rd GSA meeting candidates will give short speeches and can answer questions. On April 4th, voting will take place via electronic ballot. If you have any questions about the elections, please contact Sarah Stanford-McIntyre at ssstanfordmcin@email.wm.edu.

Descriptions of the positions and election process can be found on our website: http://wmpeople.wm.edu/site/page/gsa/constitution

GSA SUPPLEMENTAL CONFERENCE TRAVEL FUNDING. Through a collaborative effort between the Office of Graduate Studies and Research (OGSR) and the GSA, a limited number of $200 awards are available to assist selected Arts & Sciences graduate students who are attending or presenting at a research conference. The OGSR/GSA Conference Funding competitively awards Arts & Sciences graduate students who wish to attend or present at research conferences in their field of study. Conference Funding is financed through the Office of Graduate Studies and Research; however, it is solely administered by the GSA. The goal of Conference Funding is to supplement other funding sources and to help offset the expenses that graduate students accrue advancing their scholarship and knowledge. Since conference experience and attendance are critical for the job market, Conference Funding is designed to encourage graduate student presence at conferences by addressing some of the limitations of other funding sources. The application deadline for conference travel taken during the period April 16, 2013 through August 31, 2013 is 5:00pm on March 29, 2013. NOMINATIONS FROM FACULTY FOR THE GRADUATE STUDIES ADVISORY BOARD’S DISTINGUISHED THESIS/DISSERTATION AWARDS

A&S faculty are requested to nominate outstanding recent graduates (Aug ’12, Jan ’13, or May ’13) for the Distinguished Thesis/Dissertation awards. The primary criterion is exemplary achievement in graduate student research. Nominations must be submitted to the Office of Graduate Studies & Research by 4:00pm on April 19 using the form available at http://www.wm.edu/as/graduate/gradadvisoryboard/thesisaward/index.php. For more information, please phone or e-mail John Swaddle (ipswad@wm.edu), 1-2468.
RESEARCH & TRAVEL FUNDING

A&S GRADUATE STUDENT RESEARCH GRANTS. A&S Graduate students are encouraged to apply for support [maximum of $300] from the Office of Graduate Studies and Research (OGSR) that will allow them to collect data at museums or archives, conduct research, and travel to field work sites. The purpose of the support is to enhance the graduate students’ professional preparation. Not all applicants will receive funding or full funding; therefore, students are encouraged to apply for additional aid or matching funds from other sources and to indicate this information on their applications. Such information will be viewed favorably in the evaluation process. Funding will be limited to direct research related activities. Eligibility: Any graduate student actively enrolled in a graduate program of Arts & Sciences, and who is in good academic standing may apply. Students who have previously received a Graduate Student Research Grant from the OGSR are eligible to apply, but applications from students who have received fewer OGSR Graduate Student Research Grants recently will be given higher funding priority.

2012-2013 GRADUATE STUDENT RESEARCH GRANTS Application Procedure: Applications for Summer 2013 must be received in the Office of Graduate Studies and Research by 4:00 p.m. on April 26, 2013, and will cover expenses incurred April 16 through August 30, 2013. Late applications will not be accepted. Applications must be signed by the student’s faculty advisor, and must also include a signed Institutional Compliance Form. Guidelines and an application can be found at:

http://www.wm.edu/as/graduate/studentresources/researchgrants/index.php

IMPORTANT COMMENCEMENT INFORMATION

MAY GRADUATES – TTheses AND DISSERTATIONS

REVISED PHYSICAL STANDARDS FOR TTheses AND DISSERTATIONS

Please note beginning with January 2013 graduation, ALL students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards and templates can be found on the following site.

http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php

It is your responsibility to review the entire document to make sure you are in compliance with the Physical Standards. Please check with your Department/Program Graduate Administrator for help reviewing thesis/dissertation for formatting standards per physical standards document prior to submission to the Office of Graduate Studies.

1) It is required that students submit one complete draft of their thesis/dissertation for review of format by the OGSR 3 weeks prior to the published deadline before submitting the final copies. For May 2013 graduation, the draft deadline was March 29, 2013. (March 29 is Good Friday and is recognized as a “religious” holiday by the College, however the College will be open. If you observe the religious holiday, please submit by March 28. The OGSR prefers to receive this required draft by electronic copy to apgrad@wm.edu.

2) Final thesis and dissertation copies must be submitted in a small box with a printed label with your full name, graduation date, degree and department/program for review.

3) Changes to “Required Page Order” and page numbering.

4) All students are now required to have a Table of Contents, Acknowledgements and Dedication page.

Last day to submit final theses and dissertations for May 2013 conferral of degrees is April 19, 2013!
GRADUATION FEES MAY 2013

Master’s and Doctoral Degree Students
Binding Fees (3 copies, $7.00 ea.)

Doctoral Degree Students only
• Dissertation Filing Fee ($65 – formerly Microfilming Fee)
• Copyright Fee (optional $55)
• Dissertation Publishing Fee (Open Access, optional $95). Please note that if you select one of the Open Access publishing options, you must also pay this fee at the Cashier’s office.

Survey of Earned Doctorates Form
FOR DOCTORAL STUDENTS ONLY -- The OGSR participates in the electronic completion for the Survey of Earned Doctorates https://sed.norc.org/survey. You will be asked to provide your name, institution, department, graduation month and year, and an e-mail address. You will be able to advance directly into the survey after registering. Upon submitting the survey you will receive a Certificate of Completion via email. Please print a copy for your records.

ProQuest/UMI Dissertation Agreement Form
Doctoral degree students should refer to the following pdf document to obtain the 2012-2013 Dissertation Publishing Agreement form(s) and to review additional publishing options that are available at http://www.il.proquest.com/dissertationagree/umi_agreement_papersub.pdf. When accessing this site use "dissertations" as the login and "publish" as the password.

Physical Standards for Theses and Dissertations. Please note that the Physical Standards for Theses and Dissertations have been updated. Students must adhere to the new guidelines which have revisions dated 10/08/12. The updated standards can be found on the following site. http://www.wm.edu/as/graduate/studentresources/physicalstandards/index.php.

TEACHING WORKSHOP

What happens when students do experiments on themselves to discover what affects their own learning? Metacognition experiments for freshmen Paul Heideman, Biology Thursday, April 4, 2013, 12:30PM, Blow 201 RSVP to jxschw@wm.edu

In fall 2012, for the first time, I required freshmen in my "Memory and Learning: A practical guide for students" (Biol 115) class do what I call metacognition experiments: experiments on oneself to discover what works or does not work as we study. One example: many of my freshmen asked “how does sleep affect my personal problem solving ability?” The experiment was simple: about 10 minutes of mental multiplication problems of 1x1 digit, 1x2, 1x3, 2x3, and 3x3 digit numbers. They did an equivalent set of problems without paper, in their head, after a night with either 6 or 8 hours of sleep. What did they find? Were they surprised? How did they respond, and did they make any changes? The workshop will go through this and one or two other examples. Following these examples will be an open Q&A discussion with the audience on the implications for our teaching of freshmen.

DID YOU KNOW THAT? The newsletter for Graduate Students in Arts & Sciences is published each week during the fall and spring semesters. We welcome your submissions. Copy may be edited for length. Submission should be sent to cyroberts@wm.edu.
FUNDING OPPORTUNITIES

The Jamestowne Society Fellowship
The Jamestowne Society offers an Annual Fellowship in the amount of $2000 to support completion of a graduate thesis or essay on the history and culture of Virginia before 1700. Applicants may be candidates for graduate degrees in any relevant discipline such as History, American Studies, Literature, Archaeology, Anthropology, Fine Arts, etc., if their research is devoted either exclusively or very substantially to Colonial Virginia prior to 1700. http://www.jamestowne.org/Jamestowne_Society_Fellowship.htm

Applicants supply:
(1) a brief resume,
(2) a proposal outlining the thesis topic,
(3) plans for bringing it to completion, and
(4) a brief writing sample (term paper/seminar paper).

Also required are three references, two of whom should have taught the Applicant at graduate level, and all three of whom shall provide letters of reference for the Applicant. The application deadline is April 15. The Jamestowne Society Fellowship Committee reviews applications and selects award winners. The Committee's decision is announced at the Spring Meeting of the Jamestowne Society in May.

Applications shall be sent to:
Dr. Anne Tyler Netick, Chairman
Jamestowne Society Fellowship Committee
9601 Adkins Road
Charles City, Virginia 23030

NEWS AND INFORMATION

Fall Schedule Adjustment for continuing students in Graduate Studies, Arts and Sciences is March 30 – July 1. We REQUIRE all returning A&S graduate students to register by July 1.

Summer Session registration information is below

March 11 – May 27 Summer Session 1 & Summer Session 3 Registration

March 11 – June 30 Summer Session 2 Registration

IMPORTANT INFORMATION on registration:

Reminder – Students who are Virginia residents but have not submitted the “Application for Virginia In-state Tuition Privileges” http://www.wm.edu/offices/registrar/documents/tuition/Domicile_Application.pdf must do so prior to registering for classes or you will be charged tuition at the out-of-state rate. Students currently classified as out-of-state may also submit this form to the Registrar’s office if you believe you may now be eligible for in-state classification.

NOMINATIONS FROM FACULTY FOR THE GRADUATE STUDIES ADVISORY BOARD’S DISTINGUISHED THESIS/DISSERTATION AWARDS

A&S faculty are requested to nominate outstanding recent graduates (Aug ’12, Jan ’13, or May ’13) for the Distinguished Thesis/Dissertation awards. The primary criterion is exemplary achievement in graduate student research. Nominations must be submitted to the Office of Graduate Studies & Research by 4:00pm on April 19 using the form available at http://www.wm.edu/as/graduate/gradadvisoryboard/thesisaward/index.php. For more information, please phone or e-mail John Swaddle (jpswad@wm.edu), 1-2468.

RESEARCH & TRAVEL FUNDING

A&S GRADUATE STUDENT RESEARCH GRANTS. A&S Graduate students are encouraged to apply for support [maximum of $300] from the Office of Graduate Studies and Research (OGSR) that will allow them to collect data at museums or archives, conduct research, and travel to field work sites. The purpose of the support is to enhance the graduate students’ professional preparation. Not all applicants will receive funding or full funding; therefore, students are encouraged to apply for additional aid or matching funds from other sources and to indicate this information on their applications. Such information will be viewed favorably in the evaluation process. Funding will be limited to direct research related activities. Eligibility: Any graduate student actively enrolled in a graduate program of Arts & Sciences, and who is in good academic standing may apply. Students who have previously received a Graduate Student Research Grant from the OGSR are eligible to apply, but applications from students who have received fewer OGSR Graduate Student Research Grants recently will be given higher funding priority. 2012-2013 GRADUATE STUDENT RESEARCH GRANTS Application Procedure: Applications for
Summer 2013 must be received in the Office of Graduate Studies and Research by 4:00 p.m. on April 26, 2013, and will cover expenses incurred April 16 through August 30, 2013. Late applications will not be accepted. Applications must be signed by the student’s faculty advisor, and must also include a signed Institutional Compliance Form. Guidelines and an application can be found at: http://www.wm.edu/as/graduate/studentresources/researchgrants/index.php

Research Grants and Grants-in-Aid (life sciences), The Whitehall Foundation, deadlines: LOI January 15, April 15, October 1; application June 1, September 1, February 15; http://www.whitehall.org/grants/.

Special Grant Program in the Chemical Sciences, Camille and Henry Dreyfus Foundation, deadlines: LOI 6/5/13; application 8/21/13; http://www.dreyfus.org/awards/special_grant_program_chemical.shtml.

STUDENT:

Higher Education Research Experiences for Students, Oak Ridge National Laboratory (Oak Ridge, TN), deadlines: application is always open but for best results apply February 1 for summer, June 1 for fall, October 1 for winter/spring; http://see.orau.org/ProgramDescription.aspx?Program=10044.

WCC/Eli Lilly Travel Award, ACS PRF, deadlines: February 15, September 15; http://portal.acs.org/portal/acs/corg/content?_nfpb=true&_pageLabel=PP_ARTICLEMAIN&node_id=1383&use_sec=false.
Program provides funding for undergraduate, graduate, and postdoctoral female chemists to travel to meetings to present the results of their research.

**James E. Webb Internship for Minority Undergraduate Juniors, Seniors and Graduate Students in Business and Public Administration**, Smithsonian Institute, deadlines: Summer (to begin after June 1) – February 1; Fall (to begin after October 1) – February 1; Spring (to begin after January 1) - October 1; [http://www.si.edu/ofg/intern.htm#iofg](http://www.si.edu/ofg/intern.htm#iofg).
DID YOU KNOW THAT?
A Newsletter for Graduate Students in Arts & Sciences

Congratulations to all of our graduates!
Have a safe and enjoyable summer!Did You Know That? will go on summer hiatus and will resume publication August 28, 2013.

Research & Travel Funding

A&S Graduate Student Research Grants. A&S Graduate students are encouraged to apply for support [maximum of $300] from the Office of Graduate Studies and Research (OGSR) that will allow them to collect data at museums or archives, conduct research, and travel to field work sites. The purpose of the support is to enhance the graduate students’ professional preparation. Not all applicants will receive funding or full funding; therefore, students are encouraged to apply for additional aid or matching funds from other sources and to indicate this information on their applications. Such information will be viewed favorably in the evaluation process. Funding will be limited to direct research related activities. Eligibility: Any graduate student actively enrolled in a graduate program of Arts & Sciences, and who is in good academic standing may apply. Students who have previously received a Graduate Student Research Grant from the OGSR are eligible to apply, but applications from students who have received fewer OGSR Graduate Student Research Grants recently will be given higher funding priority. 2012-2013 Graduate Student Research Grants Application Procedure: Applications for Summer 2013 must be received in the Office of Graduate Studies and Research by 4:00 p.m. on April 26, 2013, and will cover expenses incurred April 16 through August 30, 2013. Late applications will not be accepted. Applications must be signed by the student’s faculty advisor, and must also include a signed Institutional Compliance Form. Guidelines and an application can be found at: http://www.wm.edu/as/graduate/studentresources/researchgrants/index.php

News and Information

Fall Schedule Adjustment for continuing students in Graduate Studies, Arts and Sciences is March 30 – July 1. We REQUIRE all returning A&S graduate students to register by July 1.

Summer Session registration information is below:

March 11 – May 27 Summer Session 1 & Summer Session 3 Registration
March 11 – June 30 Summer Session 2 Registration

Important Information on registration:
Reminder – Students who are Virginia residents but have not submitted the “Application for Virginia In-state Tuition Privileges” http://www.wm.edu/offices/registrar/documents/tuition/Domicile_Application.pdf must do so prior to registering for classes or you will be charged tuition at the out-of-state rate. Students currently classified as out-of-state may also submit this form to the Registrar’s office if you believe you may now be eligible for in-state classification.
Important information on W&M health care and insurance eligibility for 2013-2014

Students who want to be eligible for the College's Student Insurance Plan in 2013-2014 should be sure to understand this information prior to July 1, 2013. Insurance rates for 2013-14 are in the process of being established.

All students who were admitted to the College for Fall 2006 or later and who register with full-time or Research Graduate statuses are required to have insurance throughout the school year as a condition of enrollment.

- These students will be enrolled in the College's Student Insurance Plan and the cost will be billed to your student account in two installments (fall and spring semesters) UNLESS proof of other adequate health insurance coverage is furnished.
- This requirement also applies to students who receive a W&M degree and are then admitted to a different W&M degree program (i.e. Bachelor’s to Masters or Masters to PhD).

Students who already have health insurance coverage for the entire academic year must submit a waiver request by July 1, 2013 and the waiver request must be approved to avoid being enrolled in and billed for the Student Insurance Plan.

- Students must file a waiver request by the posted deadline each academic year to avoid being enrolled in and billed for the College's Student Insurance Plan.
- Information about the Waiver Request and a link to the online form is available on the Waiver Information page on the Student Health Center-Insurance site (http://www.wm.edu/health/insurance).

Please read the points below carefully to determine how you may wish to be enrolled in and billed for the College's Insurance Policy to maintain your insurance eligibility. It is the student's responsibility to verify that your student account is billed correctly for the Insurance Policy. If there are any billing errors, please notify the Student Insurance Coordinator immediately (trsike@wm.edu).

STUDENTS WHO WILL BE ENROLLED WITH FULL-TIME/GRADUATE RESEARCH STATUS BOTH SEMESTERS

1. If you don’t submit a waiver request by the deadline, you will have the College’s Insurance Policy billed to your student account in two installments (fall and spring semester). You MUST be enrolled at the College with either full-time or Graduate Research statuses BOTH semesters (Fall 2013 & Spring 2014) to maintain your insurance eligibility for the entire policy year (08/01/2013-07/31/2014). There is no option to change or convert your coverage later, so if you think there is a chance you may not be enrolled with full-time or Graduate Research status for the Spring 2014, read the appropriate section below.

2. If you wish to pay by credit card and avoid the credit card convenience fee, you must enroll directly with the Insurance Company at www.uhcsr.com/wm. You should not also be enrolled by the College and have the insurance policy billed to your student account. Notify the Student Insurance Coordinator if you enroll directly with the Insurance Company to ensure that you are not double billed.

3. Full-time or Research Graduate students who are enrolled in either the Annual, Annual in Installments or Spring/Summer coverage will continue to be eligible for the Student Insurance Plan during the Summer 2014 term(s) even if you graduate in May and/or are not registered during the summer.

STUDENTS WHO MAY NOT BE ENROLLED WITH FULL-TIME/GRADUATE RESEARCH STATUS BOTH SEMESTERS.

1. If you think you will become a part-time or continuous enrollment student in the Spring 2014 semester and you wish to maintain your insurance eligibility for the entire policy year (08/01/2013-07/31/2014), you MUST actively enroll in the Annual coverage (not Annual in Installments) in the Fall 2012 semester. If you enroll in the Annual in Installments or you enroll in the Fall coverage only, you will NOT be eligible for the Student Insurance Plan in the Spring 2014 semester when you become a part-time or continuous enrollment student. There is no option to change or convert your coverage later so you should plan ahead.

2. If you must actively enroll in the Annual coverage (not Annual in Installments), you may do so either by completing the College Enrollment Request form at https://forms.wm.edu/4514, which authorizes W&M to
process your annual enrollment and bill your student account accordingly, OR you may enroll directly with the Insurance Company at www.uhcsr.com/wm. You MUST select the Annual coverage period only, not any other coverage period.

3. If you choose to enroll in the Annual coverage directly through the Insurance Company, you will have to pay the entire annual premium in the Fall 2013 semester or at the time of your direct enrollment. **You will not have the option to pay your insurance premium in installments unless you enroll directly through the College and utilize the College’s eServices Tuition Payment Plan, http://www.wm.edu/offices/financialoperations/sa/eservices/paymentplan/index.php.** The 2012-2013 annual student premium was $1,637 ($753 for the fall coverage period and $884 for the Spring/Summer coverage period.)

4. Part-time or continuous enrollment students who enrolled in the Annual coverage in the Fall 2013 semester will continue to be eligible for the Student Insurance Plan during the Spring 2014 semester and the Summer 2014 term(s) even if you graduate in May and/or are not registered for the summer.

**Important information on W&M Student Health Center eligibility for 2013-2014**

All full-time or Research Graduate students are eligible for services at the W&M Student Health Center (SHC). Services offered at the SHC include a variety of primary care medical services (including laboratory testing) and pharmacy services.

1. Full-time students are assessed a Student Health Center fee as part of their tuition and fees during the fall and spring semesters.
2. Research Graduate students will need to make arrangements for the payment of the Student Health Center fee before accessing services during the fall and spring semesters.
3. Full-time or Research Graduate statuses in the spring semester qualifies students for use of the Student Health Center in the summer, with payment of the summer Student Health Center fee, unless the student graduates in May.
4. Part-time or continuous enrollment students are not eligible for services at the Student Health Center.
5. Students who have the College’s Student Insurance Plan but who are no longer eligible to use the services of the Student Health Center due to a change in student status (part-time, continuous enrollment or graduation), may still use the pharmacy services but may not use the medical services at the SHC.

**DATES TO REMEMBER:**

Last day to submit theses and dissertations for August 2013 conferral of degrees is July 19, 2013! Students are **required** to bring a complete draft copy of the thesis or dissertation to the Office of Graduate Studies by **June 28** for review of format, etc., in advance of printing the required three copies.

**PLEASE NOTE JULY 5, 2013 IS THE LAST DAY TO FILE NOTICE OF CANDIDACY WITH THE UNIVERSITY REGISTRAR FOR JANUARY 2014 GRADUATION.** The Notice of Candidacy form can be obtained from the Registrar’s website. http://www.wm.edu/about/administration/deptsandoffices/registrar/graduation/index.php. If you’re not certain whether you’ll complete the degree requirements in time for this graduation date, you should still file for candidacy now and then file again for a later date if you won’t graduate in January 2014. Please contact Wendy Urbano wdurba@wm.edu with questions.

Please note that a one-time, non-refundable Graduation Fee (per degree) of $75.00 will be charged by the college to all students after they have filed their ‘Notice of Candidacy for Graduation’. http://www.wm.edu/offices/registrar/documents/degree/notice_of_candidacy.pdf

PHYSICS COLLOQUIUM
Friday, April 26, 2013, 4:00 PM
Small Hall, Room 111

Join Dr. Troy Carter from the University of California, Los Angeles present "Taming Turbulence in Magnetized Plasmas: From Plasmas for Fusion Energy to Black Hole Accretion Disks". Plasmas in the laboratory and in astrophysical settings vary widely in parameters (e.g. temperature and density) but have one thing in common: they are plagued by instabilities. Instabilities and associated turbulence are detrimental in laboratory plasmas for fusion energy research, causing heat, particles and momentum to "leak" across the confining magnetic field. In astrophysical plasmas like accretion disks, turbulence is often essential to explain observed rates of momentum transport and accretion. I will talk about instabilities and turbulence in magnetized plasmas and their relevance to achieving magnetic confinement fusion in the laboratory and understanding processes in astrophysical plasmas.

For more information please visit https://events.wm.edu/event/view/physics/21296.

*Refreshments will be served in Room 122 at 3:30 PM

DID YOU KNOW THAT? The newsletter for Graduate Students in Arts & Sciences is published each week during the fall and spring semesters. We welcome your submissions. Copy may be edited for length. Submission should be sent to cyroberts@wm.edu.
FUNDING OPPORTUNITIES

ARTS & HUMANITIES:

Luce Fund In American Art Award, Henry Luce Foundation, New York Foundation for the Arts, deadline: June 15; http://www.nyfa.org/source/content/search/resultItem.aspx?PID=12099.

SOCIAL SCIENCES:

Translational Research to Help Older Adults Maintain their Health and Independence in the Community (R01), NIH, standard deadlines: NEW February 5, June 5, October 5; RENEWAL/RESUBMISSION/REVISION March 5, July 5, November 5; http://grants.nih.gov/grants/guide/pa-files/PA-11-123.html.

Secondary Analyses of Existing Data Sets and Stored Biospecimens to Address Clinical Aging Research Questions (R01), NIH, standard deadlines: NEW February 5, June 5, October 5; RENEWAL/RESUBMISSION/REVISION March 5, July 5, November 5; http://grants.nih.gov/grants/guide/pa-files/PA-13-168.html.

Grant competition for work that uses behavioral science to explain or inform the ways that people pursue, experience, or fulfill purpose in their lives, The Center for Decision Research (CDR) at Chicago Booth, deadline: LOI 5/15/13; http://newpathstopurpose.org/grants/rfp.

SCIENCE & RESEARCH/FEDERAL:

Technology Development for High-Throughput Structural Biology Research (R01), NIH, standard deadlines: NEW February 5, June 5, October 5; RENEWAL/RESUBMISSION/REVISION March 5, July 5, November 5; http://grants.nih.gov/grants/guide/pa-files/PAR-13-032.html.

http://www.wm.edu/as/graduate/

OTHER:

Fellowships, Boehringer Ingelheim Fonds, deadlines: February 1, June 1, October 1; http://www.bifonds.de/fellowships-grants/phd-fellowships.html.
Awards fund PhD fellowships to outstanding junior scientists (max. age: 27 years) who wish to pursue an ambitious PhD project of approximately 3 years in basic biomedical research in an internationally leading laboratory.

WCC/Eli Lilly Travel Award, ACS PRF, deadlines: February 15, September 15; http://portal.acs.org/portal/acs/corg/content?_nfpb=true&_pageLabel=PP_ARTICLEMAIN&node_id=1383&use_sec=false.
Program provides funding for undergraduate, graduate, and postdoctoral female chemists to travel to meetings to present the results of their research.

FOUNDATION:

Research and Travel; Dissertation Fellowships; Publication Assistance; Mentors; Educational Outreach; College/University Performance; Professional Performance; Broadcasts.

Research Grants and Grants-in-Aid (life sciences), The Whitehall Foundation, deadlines: LOI January 15, April 15, October 1; application June 1, September 1, February 15; http://www.whitehall.org/grants/.

Special Grant Program in the Chemical Sciences, Camille and Henry Dreyfus Foundation, deadlines: LOI 6/5/13; application 8/21/13; http://www.dreyfus.org/awards/special_grant_program_chemical.shtml.

STUDENT:

Higher Education Research Experiences for Students, Oak Ridge National Laboratory (Oak Ridge, TN), deadlines: application is always open but for best results apply February 1 for summer, June 1 for fall, October 1 for winter/spring; http://see.orau.org/ProgramDescription.aspx?Program=10044.

WCC/Eli Lilly Travel Award, ACS PRF, deadlines: February 15, September 15; http://portal.acs.org/portal/acs/corg/content?_nfpb=true&_pageLabel=PP_ARTICLEMAIN&node_id=1383&use_sec=false.
Program provides funding for undergraduate, graduate, and postdoctoral female chemists to travel to meetings to present the results of their research.

**James E. Webb Internship for Minority Undergraduate Juniors, Seniors and Graduate Students in Business and Public Administration**, Smithsonian Institute, deadlines: Summer (to begin after June 1) – February 1; Fall (to begin after October 1) – February 1; Spring (to begin after January 1) - October 1; http://www.si.edu/ofg/intern.htm#iofg.
