**Reminders**
• There will be a Fellowship Workshop for Students in the Sciences Tuesday, November 17th 2015 from 6pm - 7:30pm in the Cohen Career Center, Presentation Room. This will be a Workshop for students interested in applying for fellowships and grants, with a particular focus on the Virginia Space Grant Consortium graduate research fellowship and undergraduate research scholarship. Pizza will be provided. More

• The OGSR/GSA Conference Funding competitively awards Arts & Sciences graduate students who wish to attend or present at research conferences in their field of study. Conference Funding is financed through the Office of Graduate Studies and Research; however, it is solely administered by the GSA. There are a limited number of $300 awards available to assist selected Arts & Sciences graduate students who are attending or presenting at a research conference. For conference dates between January 1 and April 15, 2016, the application deadline is January 23, 2016. More

• Spring schedule adjustment/registration for continuing students ends Friday, December 4th 2015

• Virginia residents: Submit the Application for Virginia In-state Tuition Privileges before registering for classes, or you will be charged the out-of-state rate. Out-of-state students: If you believe you might now be eligible for in-state classification, you can submit the application to the Registrar’s Office. More

• The Department of Energy’s (DOE) Office of Science is pleased to announce that the Office of Science Graduate Student Research (SCGSR) program is now accepting applications for the 2015 Solicitation 2. Applications are due 5:00pm ET on Tuesday December 15, 2015. Details and Application submission. More

• Applications for the Virginia Space Grant Consortium Graduate Research Fellowships are now available. The fellowships provide $6,000 to graduate students who are actively engaged in research projects with faculty mentors. Renewable for one year. The application deadline is February 8, 2016 More

• The NIH Loan Repayment Programs are accepting applications now through November 16, 2015. In exchange for a two-year research commitment, the NIH LRPs will repay up to $70,000 in eligible student loan debt to researchers and health professionals conducting qualifying research funded by domestic non-profit or government organizations. The 2016 Loan Repayment Programs applications deadline is November 16, 2015 at 8:00 PM. Please visit our webpage at www.lrp.nih.gov to learn more about eligibly and to apply. If you are not eligible for the LRPs, kindly pass along this announcement to a colleague that may be interested. If you have any questions about the application process, please contact our Information Center, Monday-Friday, from 9:00 AM – 5:00 PM, EST. We can be reached by phone at 866-849-4047 and by email at lrp@nih.gov. Our Information Center will be available to answer your questions on November 11 (Veteran’s Day) and on Saturday, November 14 from 10:00 AM – 3:00 PM, EST. Apply Today!
Jeffress Trust Awards Program in Interdisciplinary Research (The Medical Foundation)  Jeffress awards support high impact, innovative one-year projects that integrate computational and quantitative scientific methodologies across a broad range of scientific disciplines. They provide $100,000 awards as seed funding to support one-year pilot studies that encourage the development of innovative interdisciplinary strategies that integrate computational and quantitative scientific methodologies across a broad range of scientific disciplines. Up to four applications will be accepted from each nonprofit academic or research institution in Virginia, nominated through their own internal selection process.

CWM Internal deadline: 12/8/15
CWM internal competition application information is at: http://www.wm.edu/offices/sponsoredprograms/announcements/jeffress-trust-awards-in-interdisciplinary-research.php.

Applicants selected by the FRC to move forward to full application will be notified by email.
Jeffress deadline: 1/8/16
http://www.hria.org/tmfgrants/jeffress/

CIT CRCF
The first webinar for applicants will be held this coming Tuesday, November 10, at 11:00 a.m. During this session, they'll cover details on all the programs offered and the Letter of Intent process. Should you be interested in learning more about CRCF, you’re welcome to join. Q&A will again be available.
Registration is available via https://attendee.gotowebinar.com/rt/1094334397690369537.

W&M INTERNAL PROGRAMS:

The AidData Project within the Institute for the Theory and Practice of International Relations (ITPIR) invites current William & Mary Professional and Instructional Faculty to apply for funding to support new or ongoing research that utilizes its data to advance our knowledge of development finance.

2016 Reves Faculty Fellows, deadline: 12/11/15;
http://www.wm.edu/offices/revescenter/funding/facultyfunding/fellows/index.php:
The Reves Center supports faculty-student research and collaboration on internationally-focused, engaged scholarship. One of more faculty fellows is designated each year.

Community of Scholars Fund, no deadline;
http://www.wm.edu/as/charlescenter/scholars/communityfund/index.php:
Mini-grants from the Community of Scholars Fund are available to faculty, staff, and students to encourage intellectual interaction between faculty and students outside the classroom. Possible uses for this funding include book or film discussion groups; or trips to lectures, museums, performances, laboratories, or field sites, including associated travel and/or meal expenses.

Distinguished Lectures in International Studies, rolling deadline,
http://www.wm.edu/offices/revescenter/funding/facultyfunding/lectures/index.php:
The Reves Center for International Studies is pleased to help support internationally-focused public lectures and performances. Funding is available to William & Mary faculty who wish to host distinguished scholars, artists, and practitioners whose public events and visits will contribute to international education at the university.
Faculty International Conference Travel Grants, rolling deadline, http://www.wm.edu/offices/revescenter/funding/facultyfunding/conferencegrants/index.php:
The Reves Center for International Studies offers grants of up to $500 for W&M faculty who are presenting papers at international conferences or presenting papers on international, global, or trans-national topics at conferences in the U.S.

Grants for On-Campus Conferences on International Topics, rolling deadline; http://www.wm.edu/offices/revescenter/funding/facultyfunding/oncampus/index.php:
Funding is available to support William & Mary faculty who are hosting on-campus professional conferences that will contribute to international education at the College. Proposals making use of the university’s Washington, D.C. Office are also welcome.
