Vol. 12, No. 25 March 23, 2015  The weekly pdf of Funding Opportunities is attached.

Our heartfelt thanks to everyone who participated in this year’s Graduate Research Symposium. There were more than 160 poster and oral presentations by graduate students from W&M and from 16 regional institutions. We especially want to give a special thanks to the volunteers and presenters who gave generously of their time. Preliminary numbers indicate that this year’s event exceeded last year’s participation levels and an early review of the evaluations indicates a high satisfaction with the event overall. The Symposium needs dedicated and enthusiastic volunteers for next year. If you are interested in taking a more active role in the Symposium, please contact Chasity Roberts at grs@wm.edu.
