W&M EVENTS

- **Deadline to apply to graduate for January 2018, May 2018 and August** Failure to apply to graduate by the **October 1, 2017** deadline may impact: the number of commencement tickets available to you; inclusion of your name (and dissertation title) in the commencement program; and the timely awarding of your degree. Students who expect to graduate in 2018 must apply by no later than the October 1, 2017 deadline set
by the Office of the University Registrar. If you intend to graduate in 2018 and miss the
deadline, you may contact Wendy Urbano, Graduation Coordinator, wdurba@wm.edu, to
discuss options for filing late; accommodation is at the discretion of the Office of the
University Registrar.

To file for graduation in 2018:
Go to myWM and click the Banner button
Login to Banner Self Service
Select Student & Financial Aid
Select Student Records
Select Apply to Graduate

If you are trying to use the online application to graduate and receive a "No Curricula..."
error, that means that Banner has already logged an expected graduation term for you
as something other than one of the three terms for 2018 (January, May, and August). If
so, contact Wendy Urbano, Graduation Coordinator, wdurba@wm.edu, as she will need
to make the adjustment to Banner so that you can apply online. Note that if you have a
hold on your record, you will not be able to use the online application until the hold is
removed.

For full details please refer to Graduation Application website.
