**W&M INTERNAL PROGRAMS:**

**Green Fee Project Proposals**, deadline: 3/4/16 5pm;  
Proposals should address an important issue for the sustainable future of the College. They may involve research designed to explore innovative approaches to sustainability, or studies that provide new and useful information that will aid COS decision-making in the future. Proposals that require seed money or start-up costs leading to larger efforts involving extra-mural funding are encouraged. Proposals for equipment or projects that retrofit or renovate existing facilities to improve energy efficiency, landscape management practices, or operational transformations are also of great interest to COS.

**COS Summer Research Grants**, deadline: 3/10/16;  
The Green Fee Summer Research Grants support a student’s close collaboration with William and Mary faculty and/or staff in researching sustainability issues on the campuses of the university. The grant is intended to provide the student with an opportunity to conduct creative research while advancing the College’s goals of sustainability.

**Community of Scholars Fund**, no deadline;
