Announcements

- All full-time graduate students are asked to complete The National College Health Assessment (NCHA). The NCHA is a confidential web-based survey of health behaviors. It is designed to assess student health behaviors in order to provide better services and support for William & Mary students. If you complete the survey, you may benefit by knowing that you have assisted in providing accurate information regarding health behaviors on your campus. Graduate students who complete the survey will be entered into a drawing and could win an Apple TV or 1 of 30 gift cards to Target or Barnes & Noble. If you have questions, feel free to email The Office of Health Promotion: hp@wm.edu or go to www.wm.edu/tribechoices for more information.

- Students who plan to graduate in May and August 2015, would like to march in the Commencement Ceremony and wants their name to appear in the commencement program must submit their Notice of Candidacy to Stetson by IMMEDIATELY – Deadline is today February 23, 2015. Failure to file Notice of Candidacy jeopardizes your chance to participate in Commencement activities.

- The KEIO University/College of William & Mary Cross-Cultural Collaboration (Summer 2015) is currently seeking applicants for four Classroom Instructor positions, open to graduate Arts & Sciences students. The application deadline will be Friday, February 27th. Please contact Sarah Mullen directly for a position description and information for applying.

The new issue of the Grant Advisor is now available at [http://www.grantadvisor.com/tgaplus/](http://www.grantadvisor.com/tgaplus/). If you are off-campus, go to [http://www.grantadvisor.com/tgapass/](http://www.grantadvisor.com/tgapass/) and enter "tga" (without the quotes) as the username and "hedge" as the password. This publication lists deadlines for grants and fellowship opportunities broken down by the following categories: Fine Arts, Humanities, Social Sciences, Sciences, Education, International, Health Related, Minorities/Women, Unrestricted/Other, Federal Register.

**W&M INTERNAL PROGRAMS:**

The College’s Committee on Sustainability (COS) seeks proposals for research that advance the President’s Policy on Sustainability and the goals of COS. Projects will be supported for up to 12 months with funds from the Green Fee. Renewals will be considered on a case-by-case basis.

**Community of Scholars Fund**, no deadline; [http://www.wm.edu/as/charlescenter/scholars/communityfund/index.php](http://www.wm.edu/as/charlescenter/scholars/communityfund/index.php):
Mini-grants from the Community of Scholars Fund are available to faculty, staff, and students to encourage intellectual interaction between faculty and students outside the classroom. Possible uses for this funding include book or film discussion groups; or trips to lectures, museums, performances, laboratories, or field sites, including associated travel and/or meal expenses.

The Reves Center for International Studies is pleased to help support internationally-focused public lectures and performances. Funding is available to William & Mary faculty who wish to host distinguished scholars, artists, and practitioners whose public events and visits will contribute to international education at the university.

**Faculty International Conference Travel Grants**, rolling deadline, [http://www.wm.edu/offices/revescenter/funding/facultyfunding/conferencegrants/index.php](http://www.wm.edu/offices/revescenter/funding/facultyfunding/conferencegrants/index.php):
The Reves Center for International Studies offers grants of up to $500 for W&M faculty who are presenting papers at international conferences or presenting papers on international, global, or transnational topics at conferences in the U.S.

**Grants for On-Campus Conferences on International Topics**, rolling deadline; [http://www.wm.edu/offices/revescenter/funding/facultyfunding/oncampus/index.php](http://www.wm.edu/offices/revescenter/funding/facultyfunding/oncampus/index.php):
Funding is available to support William & Mary faculty who are hosting on-campus professional conferences that will contribute to international education at the College. Proposals making use of the university's Washington, D.C. Office are also welcome.

**STUDENT:**

The Green Fee Summer Research Grants support a student’s close collaboration with William and Mary faculty and/or staff in researching sustainability issues on the campuses of the university. The grant is intended to provide the student with an opportunity to conduct creative research while advancing the College’s goals of sustainability.

- Undergraduates, Recent-AAS/BS, MS, and PhD – Science, Engineering, Technology and Mathematics (STEM) majors or related disciplines for technical support opportunities

*open to individuals with undergraduate or graduate degrees who are interested in exploring museum careers.

The EPA Environmental Research and Business Support Program provides opportunities for exceptional undergraduate and graduate students and recent bachelor’s, master’s, and postdoctoral graduates to participate in the U.S. Environmental Protection Agency’s (EPA) Office of Research and Development (ORD) research and administrative projects at multiple EPA laboratories and research centers. They seek qualified applicants in both business and science, technology, engineering, and math (STEM) fields for our program. Selected applicants will receive hands-on training in a real-world setting, academic incentives and professional benefits, all while contributing to EPA’s Mission. Location of the project will be determined by the needs of the respective research and development laboratories and offices within the Office of Research and Development. Past positions have been offered in Cincinnati, Ohio; Gulf Breeze, Florida; Research Triangle Park, North Carolina; Las Vegas, Nevada; Duluth, Minnesota; Athens, Georgia; and Washington, D.C.
