

APPLICATION FOR CONTINUATION IN GRADUATE PROGRAM AT DOCTORAL LEVEL

THE COLLEGE OF WILLIAM AND MARY DEPARTMENT OF HISTORY

Students in the M.A. program who wish to be considered for admission to the Ph.D. program must submit this form by January 5 for full consideration.

Students need not ask department members for recommendations, as all professors will be asked to comment on students they have taught in class. On a separate sheet, students may update their files with information about publications, conferences attended, and other professional activities since they have entered the program. Please submit an updated writing sample along with your application; otherwise, we will consider the original writing sample submitted.
