Practical – Students will be expected to demonstrate understanding and application of safety, effective group leadership skills, and set-up/take down of equipment.

ATTENDANCE REQUIREMENT
Due to the nature of this course, a student is expected to attend all sessions. No more than 3 classes may be missed. An attendance policy for the course that describes in detail the class attendance expectations will be provided in a separate form. Please read, understand, and sign this form.

CONSIDERATIONS
A recognized teaching strategy in experiential education involves physical guidance of a student through a technique by an instructor. If such a strategy violates a student’s “comfort zone,” he/she is encouraged to inform the instructor so that an alternative method can be used.

REQUIRED READING
Low and High Ropes Course Facilitators Manuals. (available from the instructor)
Jacobson & Ruddy: Open to Outcome (available from the bookstore)

HOMEWORK
Each student will be required to complete homework as assigned. This may include readings (from required list, handouts, and Internet sources), individual or group presentations, and practical skills demonstrations/application.
