My Birth Plan Workbook

Name:__________________________________________

Healthy Beginnings Project
The College of William and Mary
ATTENDANTS
I'd like the following people to be present during labor and/or birth:

- Partner: ___________________________________________________________
- Friend/s: __________________________________________________________
- Relative/s: _________________________________________________________
- Doula: ____________________________________________________________
- Children: __________________________________________________________

ENVIRONMENT
I'd like to be able to:

- bring soothing music
- dim the lights
- wear my own clothes during labor and delivery
- take pictures and/or video during labor and delivery
- maintain a calm setting

HOSPITAL ADMISSION & PROCEDURES

- I'd like the option of returning home if I'm not in active labor.

Once I'm admitted, I'd like:

- my partner to be allowed to stay with me at all times
- only my practitioner, nurse, and guests to be present (i.e., no residents, medical students, or other hospital personnel)
- to wear my contact lenses, as long as I don't need a c-section
- to eat if I wish to
- to try to stay hydrated by drinking clear fluids instead of having an IV
- to have a heparin or saline lock
- to walk and move around as I choose
OTHER INTERVENTIONS
As long as the baby and I are doing fine, I’d like to:

- have intermittent rather than continuous electronic fetal monitoring
- be allowed to progress free of stringent time limits and have my labor augmented only if necessary
- prefer/do not prefer an enema before delivery and do/do not wish to have pubic hair shaved

LABOR PROPS
If available, I’d like to try a:

- birthing stool
- birthing chair
- squatting bar
- birthing pool/tub

I’d like to bring the following equipment with me:

- birthing stool
- beanbag chair
- birthing pool/tub

other: ____________________________________________________________

PAIN RELIEF
I’d like to try the following pain-management techniques:

- acupressure
- bath/shower
- breathing techniques/distraction
- hot/cold therapy
- self-hypnosis
- walk
[] massage
[] medication
[ ] other: ____________________________________________________________

[] Please don't offer me pain medication. I'll request it if I need it.

**I do want medicinal pain relief, and I prefer:**

[ ] regional analgesia: epidural and/or spinal block
[ ] I would like an epidural as early as possible
[ ] I would like an epidural later in labor
[ ] systemic medication

**LABOR**

[ ] If nausea occurs would like medicinal relief
[ ] I would like to keep the number of vaginal exams to a minimum
[ ] Additional comments____________________________________________

**PUSHING**

*When it's time to push, I'd like to:*

[ ] do so instinctively
[ ] be coached on when to push and for how long
[ ] be allowed to progress free of stringent time limits as long as my baby and I are doing fine

*I'd like to try the following positions for pushing (and birth):*

[ ] semi-reclining
[ ] side-lying position
[ ] squatting
[ ] hands and knees
[ ] whatever feels right at the time
**VAGINAL BIRTH**

**During delivery, I'd like:**
- to view the birth using a mirror
- to touch my baby's head as it crowns
- the room to be as quiet as possible
- to give birth without an episiotomy unless it is required for my baby’s safety
- I would rather have an episiotomy rather than risk tearing
- my partner to help "catch" our baby

**After birth, I'd like:**
- to hold my baby right away, putting off any procedures that aren't urgent
- to breastfeed as soon as possible or within_________________________.
- not to get oxytocin (Pitocin) after I deliver the placenta unless it's necessary
- to wait until the umbilical cord stops pulsating before it's clamped and cut
- my partner to cut the umbilical cord

**C-SECTION**

**If I have a c-section, I'd like:**
- my partner present at all times during the operation
- the screen lowered a bit so I can see my baby being delivered
- the baby to be given to my partner as soon as he's dried, if appropriate
- to breastfeed my baby in the recovery room
CORD BLOOD BANKING

I'm planning to:
- donate cord blood to a public bank
- bank cord blood privately
- neither

POSTPARTUM

After delivery, I'd like:
- all newborn procedures to take place in my presence
- my partner to stay with the baby at all times if I can't be there
- to stay in a private room
- to have a cot provided for my partner

I'd like:
- 24-hour rooming-in with my baby
- my baby to room-in with me only when I'm awake
- my baby brought to me for feedings only
- to make my decision later depending on how I'm feeling
- my other children brought in to see me and meet the new baby as soon as possible after the birth.

FEEDING ISSUES

I plan to:
- breastfeed exclusively
- combine breastfeeding and formula-feeding
- formula-feed exclusively
- would like the assistance of a lactation consultant
Do not offer my baby:

- formula
- sugar water
- a pacifier

**CIRCUMCISION**

If my baby's a boy:

- I want him to be circumcised at the hospital
- I'll have him circumcised later
- I don't want him circumcised
- Additional comments

**DISCHARGE**

I'd like to:

- be discharged from the hospital with my baby as soon as possible
- stay at the hospital as long as possible
- wait and see how I feel before deciding about the timing of hospital discharge
- Additional comments
