

This and all announcements can be found online in the Psychology website under current students info, or at <http://www.wm.edu/as/psychology/studentresources/announcements/index.php>

Dear Dr. Constance Pilkington,

Hello again from Wediko Children's Services. Thank you once again for your support of the New Hampshire Summer Program! We are beginning to recruit interns for both our New Hampshire Summer Program and our year-round School Treatment Program. We would greatly appreciate your spreading news of our internship positions to students you work with in classes and meetings.

As you may know, Wediko is a non-profit agency with over 70 years of experience dedicated to children whose learning, social development, and self-direction is lagging. During the summer months, Wediko operates its New Hampshire Summer Program, an academic residential treatment setting for children with serious emotional and behavioral disturbances (SED). Year round, we have the Wediko School & Treatment Program, a residential program that provides therapeutic and educational services to boys ages 6 to 21 with emotional, behavioral, and academic needs.

Each year, the Summer Program offers paid internships to students from universities and colleges across the nation. These interns not only enable the success of 145 at-risk youth, but also benefit from ample opportunities for personal and professional growth.

Similar to the Summer Program, the School & Treatment Program also offers positions that work to help at-risk youth achieve success. The School & Treatment Program offers entry-level positions and opportunities for personal and professional growth to graduates from across the country.

Both of these opportunities offer an AmeriCorps education award voucher for those who qualify.

Thank you again for taking the time to consider the potential possibilities we have to offer. Please **click here** to view descriptions of our Summer Program employment opportunities, and **click here** to view descriptions of our School & Treatment employment opportunities. This email with links can be forwarded to students or the information from the links can be copied and pasted onto an email and sent to a listserv.

Sincerely,

Leslie Keebler

Wediko Summer Program Administrative Coordinator
