

Want to Make a Difference when you Graduate?

U.S. PIRG is a federation of state-based public interest advocacy groups. This year we are hiring 100 graduating college students to work with us as Campus Organizers and Fellows. We will work to determine where this country is going: to solve our energy problems; to reform the campaign finance system; to safeguard individuals from identity theft; to fight hunger and homelessness; and make an impact on many other public interest issues.

We will be holding an information session and interviews on campus next week:

**INFORMATION SESSION—
Tuesday, November 11th, at 5pm
Tidewater A, in the Sadler Center**

**INTERVIEWS—
Wednesday, November 12th, all day
Career Center, Rm. 124 Blow Hall**
