

Dear Employer:

We invite you to partner with us as a participant in the Career Center Corporate Sponsors Program. It is through the generous support of our employers that we are able to extend our services and programs beyond our own institutional capability.

In the coming academic year we will launch a comprehensive and ambitious program of skill-based workshops, career forums, professional panels and roundtables, and other specialized programs. As always, we will look forward to hosting you at our fall and spring career fairs, engaging you in our programs and workshops, and facilitating your on-campus recruitment visits.

Among the hallmarks of our students are their recognized academic achievement, intense involvement in organizations and leadership experiences, and unprecedented commitment to community through volunteer service. We will collaborate with you to promote their career awareness, increase their anticipation of opportunities and ensure that they are more fully informed, better prepared and more competitive in the job market. Our combined efforts greatly strengthen our work with Arts & Sciences as well as Business students as they seek to gain opportunities for internships and full-time employment.

Please consider joining us in the 2006-2007 William & Mary Career Center Corporate Sponsorship Program. Scroll down to find a description of the program and the various levels of sponsorship. A Corporate Sponsorship provides you with greater visibility on campus and as well truly demonstrates your partnership with us in preparing William & Mary students for meaningful and successful careers.

Feel free to call me (757.221.3228) if you have questions about the Corporate Sponsors Program. Scroll down for a pledge card; and, please let me know if your firm requires an invoice.

We are excited about our work with you in the coming year. Thank you for your continuing commitment to the College and to our students.

Warm regards,

Mary Schilling

Mary Schilling, Director
