

Missing Person Inquiry and Confidential Contact Information Form

In accordance with the Higher Education Opportunity Act of 2008, the College of William & Mary has a procedure to investigate when a student is reported missing. Each student has the option to designate a confidential contact by submitting this form to the Dean of Students. This person will be contacted within 24 hours of the time that a student is considered missing. Law enforcement officials (including campus police) also will be notified of a student's absence no later than 24 hours after the student has been deemed missing, and will follow their own investigation procedures.
