The presidents of William & Mary, Old Dominion University and Virginia Commonwealth University will convene selected leaders from throughout Hampton Roads and Richmond at a forum at the Mason School of Business on the campus of William & Mary. The forum will begin at 1:30 p.m. on Tuesday, August 23. An end-of-day reception will follow, which will provide both a networking opportunity and a chance to extend the conversation.

Learning more about opportunities created by the GO Virginia initiative will be a primary focus of the forum, which also will include broader discussion of new ways to work together to grow Virginia’s economy and expand boundaries for cooperation between business, higher education and government. Ideas and examples will be shared.

Scheduled speakers currently include the following:

- Legislative leaders of the GO Virginia initiative
- John Broderick, President, Old Dominion University
- Thomas R. Frantz, Chairman Emeritus, Williams Mullen; Executive Member, Hampton Roads Business Roundtable
- John A. Luke, Chairman, WestRock; Rector, Virginia Commonwealth University
