BURSAR'S OFFICE
Federal Financial Aid Release Statement

Options:

1. I request the Bursar's Office apply any current year excess financial aid to any non-institutional current year charges on my student account (institutional charges include tuition, comprehensive fees, room and board).
2. I request the Bursar's Office to apply any current year excess financial aid to any prior year institutional or educationally related charges. **Prior year charges up to a max of \$200.00 may be paid with current year financial aid.**

I understand that I can choose not to have any excess financial aid funds applied to these other charges. If I choose not to have my financial aid applied to other charges, I understand my account may be blocked until such time as I pay the other charges owed the College.

I understand that I can modify or rescind this agreement at any time.
