Information about the Hazing Report Form

The Hazing Prevention Coalition is interdisciplinary group of students, faculty and staff working to prevent hazing within the W&M community. A large barrier to the prevention of hazing is both the failure to report hazing activities and the lack of knowledge of how to report hazing. To that end, the Hazing Prevention Coalition has been working in conjunction with the Dean of Students Office to make reporting concerns easier for all members of the community.

www.wm.edu/hazingprevention

There are two ways to report a concern:

1) Submit a report the College’s Reporting System. This report requires you to log in with your WM ID and password (i.e. not anonymous and only open W&M students, faculty, or staff).
2) Submit a report using our Anonymous Report Form. (Please note that the ability to respond may be limited if the report is anonymous.) We encourage you to provide us with an email address and/or phone number so we may ask follow up questions if necessary. We will respect your desire to remain anonymous.

We believe that no one should be demeaned, humiliated, or harmed in pursuit of membership within our community.
If you think you’ve observed hazing, report it.

For More Information, contact a member of the College’s Hazing Prevention Coalition.
