Overview

The following is a general description of the Commonwealth of Virginia’s State Health Benefits Program eligibility and enrollment information for employees. It is not intended to replace member handbooks and other plan documents. For more detailed information or clarification, visit the DHRM website at www.dhrm.virginia.gov or contact your Benefits Administrator. Participation in the State Health Benefits Program is subject to current program provisions, state and federal laws and regulations, and plan availability. The Commonwealth reserves the right to change your enrollment to ensure compliance.

When Can I Request Enrollment or Election Changes?

When Newly Eligible
For health care coverage and flexible spending accounts, request enrollment within 30 calendar days of the date of hire or of becoming eligible. Once you have submitted a valid election during this enrollment window and that election takes effect, it is binding and may not be changed. When adding dependents to coverage, supporting documentation is required that provides proof of eligibility. **If you do not have the documentation, do not miss the enrollment deadline. The documents can be submitted later.** See your agency Benefits Administrator.

During Open Enrollment
The Open Enrollment period occurs each spring and is your annual opportunity to enroll or make election changes to health care coverage and to enroll in FSAs effective July 1. When adding dependents to coverage, supporting documentation is required that provides proof of eligibility. **If you do not have the documentation, do not miss the enrollment deadline.** The documents can be submitted later. See your agency Benefits Administrator.

Qualifying Mid-Year Events
Certain qualifying mid-year events permit specific election changes outside the Open Enrollment period, including changes to your plan and membership. Examples of qualifying mid-year events include changes in your employment, changes in your marital status, changes in the number of your eligible family members, and changes affecting the employment of a covered family member. Your change request must be received within 60 calendar days of the event and be on account of and consistent with the event. Once you have submitted a valid election during this enrollment window and that election takes effect, it is binding and may not be changed. You will be asked to provide supporting documentation for the qualifying mid-year event. A complete list of qualifying mid-year events may be found on the DHRM website and on the attached enrollment form. When adding dependents to coverage, supporting documentation is required that provides proof of eligibility. **If you do not have the documentation, do not miss the enrollment deadline.** The documents can be submitted later. See your agency Benefits Administrator.

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, under a **HIPAA Special Enrollment** you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents’ other coverage). However, you must request enrollment within 60 days of the day your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days after the marriage, birth, adoption or placement for adoption.

The Children’s Health Insurance Program Reauthorization Act of 2009 (CHIPRA) created two new Special Enrollment rights for certain eligible employees and dependents who lose coverage or become eligible for premium assistance under a Medicaid or state children’s health insurance program. Employees must request coverage changes within 60 days of the eligibility determination.

To request a **HIPAA Special Enrollment** or obtain more information, contact your agency’s Benefits Administrator.
What Election Choices are Available?

Health Care Coverage in most cases includes medical, dental, pharmacy, and behavioral health services. Certain family members who meet eligibility and rules requirements may also be covered. Supporting documentation must be provided before family members can be added.

- Employees who enroll or fail to remove a family member who is not eligible for coverage may face disciplinary action and removal from the State Health Benefits Program for up to three years.
- Continued coverage is available for you and covered family members who lose eligibility under the State Health Benefits Program unless you enroll in the TRICARE supplement. More information about Extended Coverage (COBRA) is available on the DHRM website or from your Benefits Administrator. Portability information for the TRICARE supplement is available from the plan administrator.
- Health Care Premiums are subject to change every July 1.
- Payroll-deducted premiums are withheld on a pre-tax basis.
- Employees are obligated to pay for any month of health care coverage already begun.
- Failure to pay the premium owed results in cancellation of coverage and forfeiture of any partial payment.

Flexible Spending Accounts allow you to set aside part of your salary each pay period before taxes for eligible medical or dependent care expenses. There is a monthly pre-tax administrative fee for one or both accounts. For more information, visit the DHRM website or contact your agency Benefits Administrator.

- A flexible spending account must only be used to pay for IRS-qualified expenses and only for IRS-eligible dependents.
- Enrollees must exhaust all other sources of reimbursement (including those provided under an employer’s plans) before seeking reimbursement from a flexible spending account. They may not seek reimbursement through any other source.
- Enrollees must collect and maintain sufficient documentation to validate reimbursement from a flexible spending account.

Section 5: Employee Certification and Authorization

I certify that I have reviewed and understand the State Health Benefits Program eligibility and enrollment information and I agree to abide by all participation requirements. I certify that all dependents listed meet the eligibility requirements of the program and that the information I have provided on this form is complete and accurate to the best of my knowledge. I understand that intentionally giving incorrect information is considered perjury and punishable to the fullest extent of the law. I understand that the health plan and its business associates have the right to use protected health information in connection with the treatment, payment and health plan operations allowed for by HIPAA. I understand that participating in a Flexible Spending Account (FSA) is completely voluntary, and that payments from my FSA are independently reviewed for compliance with IRS regulations. I further understand that the IRS requires me to reimburse the Plan for any improper, erroneous or excess reimbursement amount that I do not resolve within the timeframe provided by the Plan. In accordance with § 40.1-29(C) of the Code of Virginia, by enrolling in an FSA I specifically authorize the Commonwealth of Virginia to withhold from my paycheck on a post-tax basis such amounts as are necessary to replenish my FSA for any improper, erroneous or excess reimbursement.
