## Cost to Student and Student Financial Assistance

# Total price for students living on campus (2016/2017)

Source: Derived - IPEDS, Institutional Characteristics component

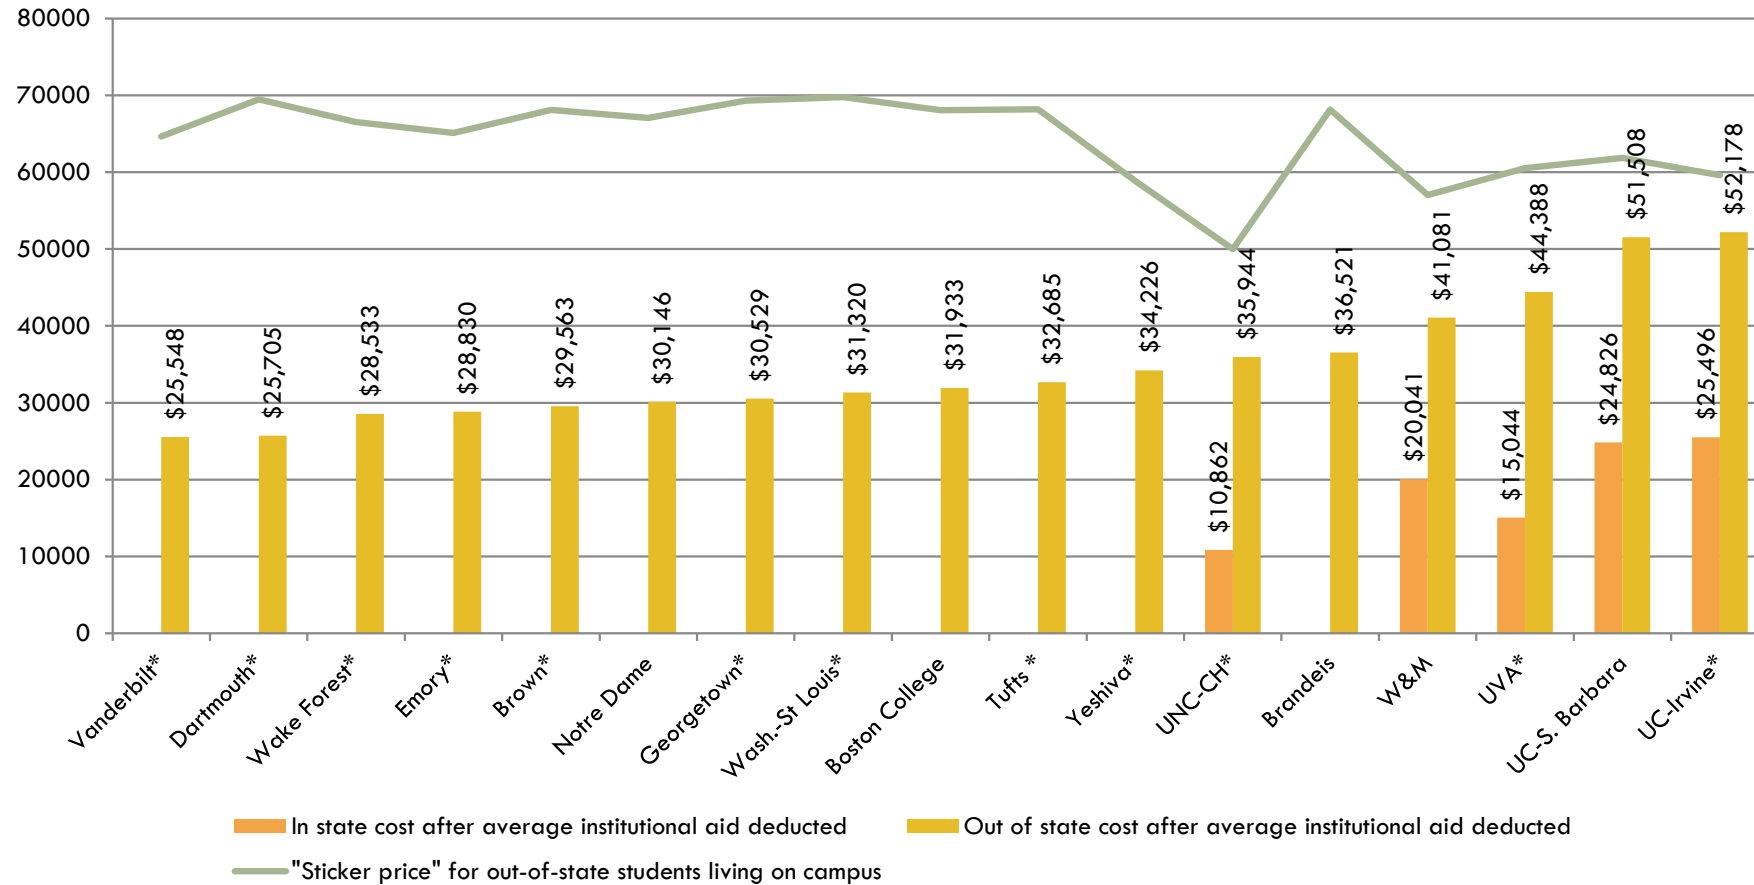

\*Denotes institutions that have a medical school

Note: Schools with the same tuition for in-state and out-of-state have a single reported figure.

Total Price is cost of attendance for full-time undergraduate students living on campus for the academic year. Cost includes tuition and fees, books and supplies, on campus room and board, and other on campus expenses.

# Price for students after average institutional grant (2015/2016)

Source: IPEDS, Student Financial Aid component

\*Denotes institutions that have a medical school

Note: Schools with the same tuition for in-state and out-of-state have a single reported figure.

Total Price: cost of attendance for full-time students for academic year. Cost includes in-state tuition and fees, books and supplies, on campus room and board, and other on campus expenses.

# Percent of undergraduates receiving financial aid (2015/2016)

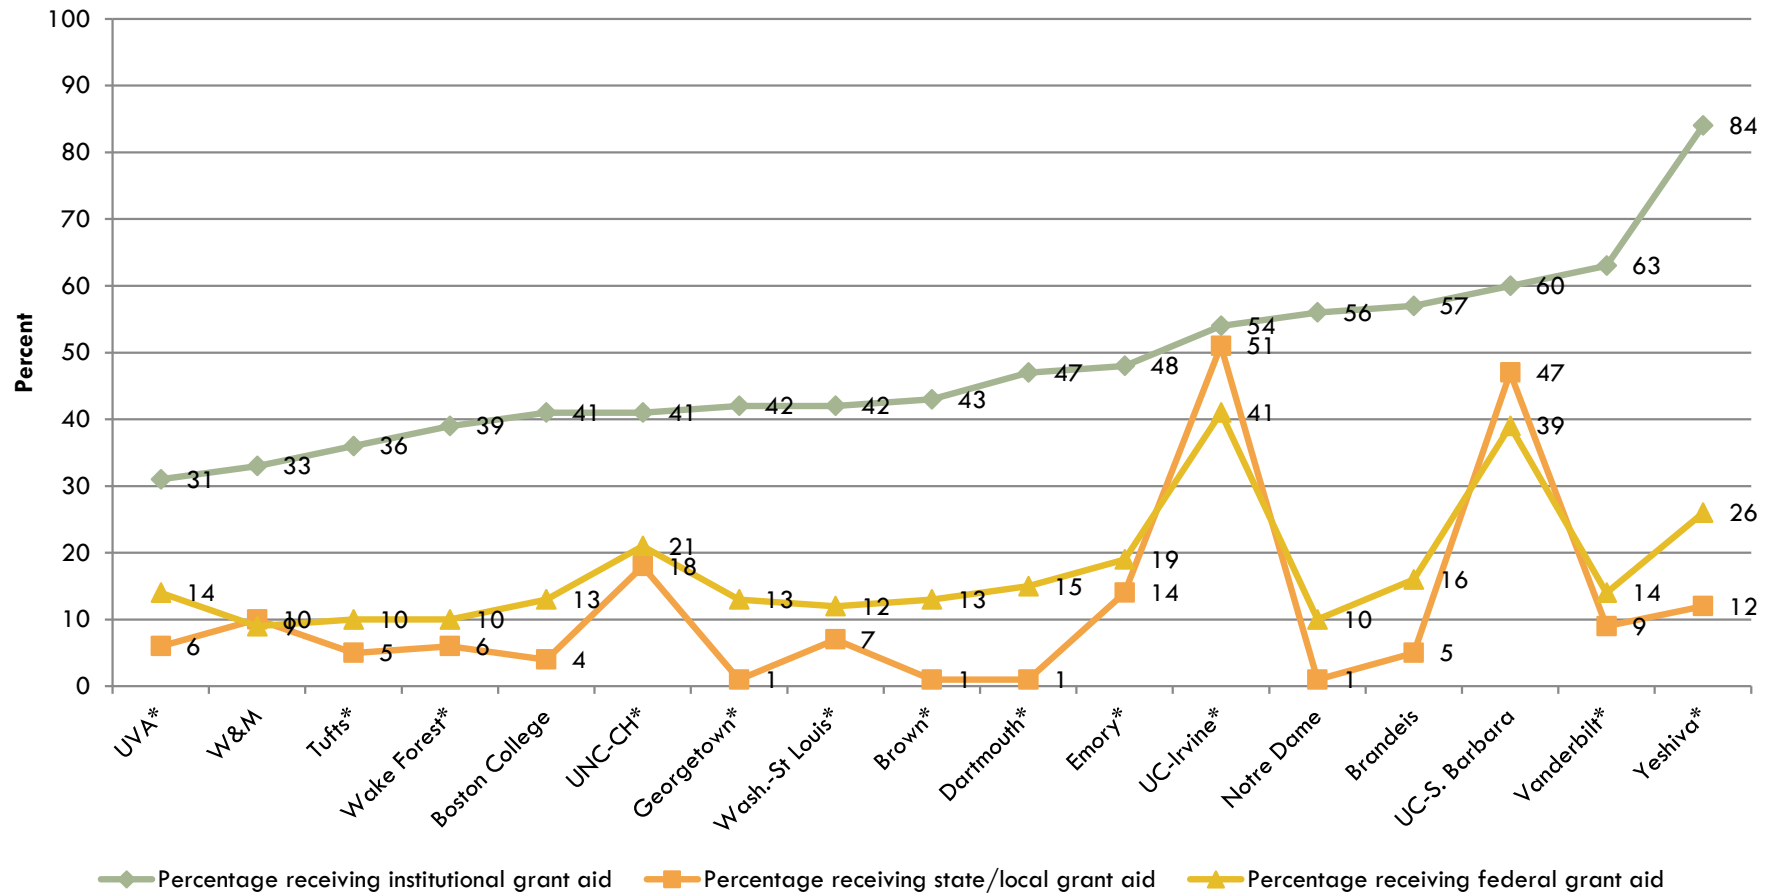

Source: IPEDS, Student Financial Aid component

Note: Financial aid figures based on percentage of all full-time undergraduates. Financial aid includes grants, loans, assistantships, Scholarships, fellowships, tuition waivers, tuition discounts, veteran's benefits, employer aid (tuition reimbursement) and other monies (other than from relatives/friends provided to students to meet expenses. This includes Title IV subsidized and unsubsidized and unsubsidized loans made directly to students.

\*Denotes institutions that have a medical school

# Percent of undergraduates receiving grant aid (2015/2016)

Source: IPEDS, Student Financial Aid component

\*Denotes institutions that have a medical school

Federal: grants provided by federal agencies, including Title IV Pell Grants and Supplemental Educational Opportunity Grants (SEOG).

State/Local: monies awarded to the institution under state and local student aid programs, including the state portion of State Student Incentives Grants (SSIG).

Institutional: scholarships and fellowships granted and funded by the institution. Includes scholarships targeted to certain individuals (e.g., based on state of residence, major fields of study, athletic team participation) for which the institution designates the recipient.

# Average amount of grant aid (2015/2016)

Source: IPEDS, Student Financial Aid component

\*Denotes institutions that have a medical school

Note: Financial aid figures based on percentage of all full-time undergraduates.
