ROOMMATE AGREEMENT

Room #: _____

COLLEGE OF WILLIAM & MARY, OFFICE OF RESIDENCE LIFE

Living in close quarters can be stressful and can wear thin on the best of friends and roommates. Making clear your expectations, talking about concerns before they develop into huge problems, and being willing to compromise helps pave the way to successful roommate relationships. This agreement between roommates is written to insure that an individual's basic wants and needs are addressed and met. Roommates must discuss each topic and come up with guidelines that each can agree to and live with.

1) Use of personal belongings: What can/can't be shared? Each roommate should check to indicate their response to each item:

Name: _____ Name: _____ Name: _____
