News and Tips from the Programming Resource Center

SEPTEMBER 2011

Welcome Back!

Congratulations on getting your opening bulletin boards and door tags up! Now it's time to settle into routine with

monthly boards and lots of hall programs. Come into the PRC to make your programs stand out.

About the Post

The Programming Post is the PRC's monthly newsletter. It exists to give you helpful hints and ideas for activities and events you can hold for your residents, as well as news from the PRC!

Who Are the Program Advocates?

The PAs, Alexis, Blakely, James, Kiara, and Lauren, are here to make your job easier. Not only does that job include coming back to school even before the Head Residents to pre-cut background paper and prep the PRC, but it also means that one of us is always in the PRC to help you brainstorm and execute ideas for your hall or area.
