Theme: Values, Educational, Lifeskills
Goal: How close do your values match up to what you think you see yourself doing later in life? What are values and how do they affect what you do every day? This program will discover your true values and how you see yourself in the future through a fantasy trip.

Group Size: Unlimited
Time: Approximately 1 hour
Materials: Handouts
Setting: Any room big enough to fit group.

Activity Set-up:
I. Packet is self-explanatory.
II. Don’t get bogged down in a big discussion over morals/values/ethics, but tell people the definitions so they can be thinking about them.
III. You will need to make enough photocopies up the “Love List” and “What do I Value in Life?” handouts for everyone in your group.
