# Programming Post

News and Tips from the Programming Resource Center

## Welcome!

To the April/May 2011 issue of the PRC's newsletter! The Post brings you helpful hints and ideas for activities and events you can hold for your residents, as well as news from the PRC!

## Bulletin Board Contest Winner: Alyssa Beda!

Alyssa, an RA in Monroe Hall, put this board up on the door of her residents' study lounge to remind them to de-stress and take study breaks. Her creative use of cotton balls as Einstein's hair and her woven background paper swayed the judges' votes and won her a program designed and run by the PA's!  
Congratulations, Alyssa!

## Pre-Made Closing Boards

The PRC staff has put together a bulletin board for closing that has information on moving out, checking out, and more for your residents! We will have copies printed out and ready to pick up so you can just come in and grab one anytime we're open.
