Programming Post

News and Tips from the Programming Resource Center

Welcome!

To the March 2011 issue of the PRC's newsletter! The Post brings you helpful hints and ideas for activities and events you can hold for your residents, as well as news from the PRC!

Bulletin Board Contest!

The PAs are hosting another bulletin board contest! There is no theme for this contest, only two rules—you **MUST** use cotton balls, and you can **NOT** use any printers when making your board!

Prize: Your choice of a bulletin board or program done for you by the PAs, OR a personal assistant PA for a day at the PRC to do everything for you while you sit at the PA computer!

To enter: Upload a picture of your board to the PRC Facebook page by March 15 or e-mail to resprc@wm.edu
