Theme: Safety, Life Skills

Goal: To help students learn about the safest and cheapest ways to travel.

Group Size: Unlimited

Time: 20-30 minutes

Materials: Copies of handouts for each participant (“Tips on Traveling Cheap” and “20 Tips to Staying Safe While Traveling”)

Setting: A lounge where participants feel comfortable.

Activity Set Up:
1. Optional: Bring snacks/drinks to program. Students respond well to food!
2. Discuss contents of each handout with residents. Have them brainstorm ideas for safe/cheap travel beforehand.
3. Optional: Have a few residents bring laptops and split them into teams. Give them a date, time, and location for travel. Team to find the cheapest travel price wins!
