### Program Director

PD selections will be announced in May 2016.

**Selection Process**

The ISAC evaluates all proposals and selects program directors. Program directors will be selected based on the following criteria: overall quality of course proposal; site-specific nature of course; synergy with other courses offered; expertise of the candidate.

There is no preference for candidates who have recently directed or participated in this or other W&M faculty-led programs.

The ISAC will consider feedback from the Reves Center with regard to applicants who have directed prior W&M summer programs. In addition, given the distinct responsibilities of the Program Director position, university administrators may contact appropriate offices (Provost, Dean, Title IX Coordinator) for information relating to the applicant. The applicant will be given the opportunity to respond to or explain any negative information thus obtained.
