College of William & Mary

The Netherlands

Leiden University Exchange

The tuition exchange agreement between the College of William and Mary and Leiden University, allows William and Mary students to pay their regular tuition to William and Mary while taking classes at Leiden University in the Netherlands. A university of approximately 17,000 students, Leiden offers almost 50 undergraduate degree programs in a variety of fields, ranging from bio-pharmaceutical sciences to social sciences and from performing arts to “Amerindian” languages and cultures.

The city of Leiden, smaller than Amsterdam and with a high percentage of students, is very centrally located in Europe and provides a base from which to explore many other countries.

More information on courses and life as a study abroad student at Leiden may be found at:
