W&M INTERNAL PROGRAMS:

Green Fee Project Proposals, deadline: 3/4/16 5pm;
https://www.wm.edu/sites/sustainability/committeeonsustainability/greenfee/submitproposal/index.php:
Proposals should address an important issue for the sustainable future of the College. They may involve research designed to explore innovative approaches to sustainability, or studies that provide new and useful information that will aid COS decision-making in the future. Proposals that require seed money or start-up costs leading to larger efforts involving extra-mural funding are encouraged. Proposals for equipment or projects that retrofit or renovate existing facilities to improve energy efficiency, landscape management practices, or operational transformations are also of great interest to COS.

COS Summer Research Grants, deadline: 3/10/16;
http://www.wm.edu/sites/sustainability/getinvolved/summerresearchgrants/index.php:
The Green Fee Summer Research Grants support a student’s close collaboration with William and Mary faculty and/or staff in researching sustainability issues on the campuses of the university. The grant is intended to provide the student with an opportunity to conduct creative research while advancing the College’s goals of sustainability.

Community of Scholars Fund, no deadline;
http://www.wm.edu/as/charlescenter/scholars/communityfund/index.php:
Mini-grants from the Community of Scholars Fund are available to faculty, staff, and students to encourage intellectual interaction between faculty and students outside the classroom. Possible uses for this funding include book or film discussion groups; or trips to lectures, museums, performances, laboratories, or field sites, including associated travel and/or meal expenses.

Distinguished Lectures in International Studies, rolling deadline,
http://www.wm.edu/offices/revescenter/funding/facultyfunding/lectures/index.php:
The Reves Center for International Studies is pleased to help support internationally-focused public lectures and performances. Funding is available to William & Mary faculty who wish to host distinguished scholars, artists, and practitioners whose public events and visits will contribute to international education at the university.
Grants for On-Campus Conferences on International Topics, rolling deadline; 
http://www.wm.edu/offices/revescenter/funding/facultyfunding/oncampus/index.php: 
Funding is available to support William & Mary faculty who are hosting on-campus professional conferences that will contribute to international education at the College. Proposals making use of the university’s Washington, D.C. Office are also welcome.
