FACULTY FUNDING OPPORTUNITIES: 07/14/2017

Reminder, NIH Reports

NIH requires an eRA Commons ID for all individuals in graduate and undergraduate student roles who participate in NIH-funded projects for at least one person month or more. A warning will be generated when an RPPR is submitted that lists individuals in a graduate or undergraduate student role who have not established an eRA Commons ID. Then beginning in October 2014, RPPRs lacking the eRA Commons ID for Graduate and Undergraduate Students will receive an error and the RPPR will not be accepted by the NIH without this information.
