W&M INTERNAL PROGRAMS:

Tribefunding, William & Mary’s approach to crowdfunding, is looking for projects to advertise through W&M’s GiveCampus portal and the application deadline is September 15. We are seeking 4-6 projects to go live on November 1 and run for 45 days. Qualifying projects should have the potential to transform William & Mary and have broader impact on local and/or global communities. Preference will be given to projects that incorporate collaboration between students and faculty/staff. Each project formally submitted will be approved after careful review by the Tribefunding committee. Applications must not only convey the scope and impact, but also the resources and network support necessary for success. Advocates and advisors are also a required component, as is demonstrated financial need. We certainly do not want valuable and strong projects to go unnoticed, so don’t forget to submit your application!
