How do I request tables, chairs, stage, etc. for my outdoor event?

Recognized Student Organizations can rent furniture etc. from Facilities Management for outdoor events by submitting a Work Order request form to Scheduling Office.

What is available for rent and how much does it cost? Can my order be delivered?

A list of items available for rent is noted on the backside of the Work Order request form. Please note minimum delivery/return charge should you need your items delivered. Pick-up and drop-off times are noted as well if you intend to transport your items.

How far in advance should I submit my work order to the Scheduling office?

Work orders MUST be submitted 10 days (Mon-Fri), prior to your event.

How do I pay for the rentals?

Student organizations will receive an invoice from the Office of Student Leadership Development for all charges generated from the Work Order. It is your responsibility to submit payment upon receipt of invoice. If you have funding from the Student Assembly please provide index number (see the Financial Operations Specialist).
