

Training

Professor Carl Bonner, and three NSU graduate students; Lawrence Douglas, Amanda Harding and Chanel Smith, are trained on how to use the Hirox Microscope by Natalie Brock.

ODU Bio-Science Professor James Swanson, Electrical and Computer Engineering Associate Professor Juergen Kolb, Electrical Engineering Professor Helmut Baumgart, and graduate student Yi Ling Chen, get trained on the Hirox Microscope by Olga.

SEM Maintenance

Natalie and Richard did repair work on the SEM when a vacuum hose was found to be leaking.

Great Art!
