President’s Letter to Members
We are excited at our members’ response to the course offerings this fall. The fall catalog offers just over 150 courses and activities, with about ten percent of those taught by instructors who are new to Christopher Wren. Fifty-three course offerings are now filled at this writing--if you find that you will be unable to attend a class for which you've registered, please let us know (chriswren@wm.edu) so that someone on the waitlist can take your place. Still, nearly two-thirds of our offerings have openings, and it's not too late to purchase your membership and/or add more courses up to your 8 course maximum.

Thank you for your response to our Satisfaction Survey. The Survey went to 1,760 households, and we had over 500 responses. These are being reviewed, and I hope to summarize our analysis to you in the next issue of the Wren Pen. Your feedback is important to help us focus on improvements to our processes and offerings.

I encourage you, also, to survey the volunteer opportunities that will help us serve you better. We need more members to help serve on our committees—Special Events and Finance among others. Please call our office at 221-1506 and talk to one of our staff to learn more.

President

Give to CWA

Our Immediate Past President Bill Riffer was very forthcoming last spring regarding the financial position of the Christopher Wren Association and the thoughtful process that led to an increase in our membership fees.

Subsequently, we have been asked by some of our members how they might further support the CWA. In response to this, we are introducing a new link on our website, “Give to CWA” at www.impact.wm.edu/cwa. This will direct you to a page where donations may be made to Christopher Wren Association’s Impact fund. Should you wish to donate to another area of William & Mary please go to giving.wm.edu/give-now.

Again, we thank our members for your appreciation of the circumstances.
which prompted the increase in fees for membership, and we offer our thanks in advance for your consideration of additional support.
