CWA Waitlist Working!

As many of you have experienced, there have been times when a class you hoped to attend was already fully subscribed, and you were placed on a wait list. Good news! The waitlist is working! This semester we have received a record number of calls from thoughtful people who found they had to drop a class. Because of their consideration, we have made an unprecedented number of calls to members, notifying them they ultimately were able to attend a desired class.

We, and your fellow members, thank you! This is yet another way that “CWA only operates when we all participate!”

Our Town & Gown Noon Lecture Series has begun a new chapter with a change in venue at the Matoaka Woods Room at the School of Education building. All seem very pleased with this lovely location.
