a. Inclusion of an approval process for expenditures. – This proposal was submitted to officially document this process prior to funds being distributed to the SA. It was recommended that this process follow what was outlined in the “Establishing an Agency Fund” document previously submitted to the SA by Mr. Zoll.
   i. How will expenditures be approved?
   Requests for expenditures must be submitted in writing and be approved by a simple majority of the Staff Assembly’s Executive Board prior to the purchase being made. The Executive Board has the right to decline reimbursement of any transaction that has not been approved. Expenses must comply with university policies and procedures. The Treasurer will be tasked with oversight of the fund and will “...maintain fiscal records; make authorized disbursements of funds; submit monthly financial reports of expenses to the Executive Board...” per Article I.B.3. of the Staff Assembly By-Laws.

b. Consolidating the positions of Recording Secretary and Membership Secretary into a single “Secretary” position. – This proposal was submitted to consolidate duties now that fiscal responsibility has been moved from the Recording Secretary position to the Treasurer.

c. Constitution Article IV., Point A: Revise the ratio of voting members as the ratio of one voting member per 50 staff members is no longer accurate.

d. Constitution Article IV., Point D: Better define the term “consecutive elected term” per discussions held before mid-year elections.
e. **Bylaws Article I, Point B**: Proposal to change the Presidential term from 1 year to 2 years.

f. **Bylaws Article I, Point B**: Add the requirement to create a consolidated annual report to the Treasurer role.

g. **Bylaws Article II, Point A, Item 1**: Spell out that the term of each committee Chair will last only 1 year and new chairs will be appointed by each new president.
