

Renter's Insurance Mandate

By mandate from the Buchanan in Arlington, VA all residents of the Buchanan *must* have renter's insurance in order to move in.

Renter's insurance is offered by most major insurance companies; some companies actually offer the option of a rider on a homeowner's policy to cover the belongings of students away at college. We recommend that you contact your current insurance provider to examine your options. There are also a handful of companies that specifically cater to college students; below are two examples:

CSI Insurance Agency Inc.

<http://www.csiprotection.com>
(888) 411-4911

National Student Services, Inc.

<http://www.nssinc.com>
(800) 256-6774

The Buchanan also recommends **eRenterplan Insurance** for as low as \$18.00/month:

<http://www.erenterplan.com>

The Buchanan requires a \$100,000 liability minimum and recommends a \$25,000 personal property minimum.

Proof of insurance may include the following:

- **Letter from insurance company**
- **Copy of policy with renter's insurance rider**
- **Policy Declaration Page**

All of the above must include the policy number, the effective and expiration dates of your policy, and the amount of coverage.
