Section III

To be completed by the applicant:

1. Interview, either in person or via phone, a certified athletic trainer of ethnic heritage. During the interview the student must inquire about how the athletic trainer was introduced to the profession, who he or she considered as a mentor, and what advice they would offer to a student who is considering athletic training as a profession.
2. To locate an athletic trainer of ethnic heritage, you can visit the website of the Ethnic Diversity Advisory Committee of the National Athletic Trainers' Association at www.edacweb.org and click on the Mentoring section to locate an athletic trainer to interview.
3. Write an essay describing the athletic trainer you interviewed with attention to how they became interested in the profession and how they were mentored as an athletic training student. Attach the essay to your application.
