- Wrist Splint Ryno-Lacer: $25.00

### NOTE - Other lab tests (i.e. lipid profile, CMP, glucose, etc) sent to an outside lab for processing are drawn at the SHC as a courtesy. However, you (or your insurance company) are responsible for this fee and will be billed directly by that lab for those charges.

There is a fee to see all providers which is payable at the time of service.

Fees are subject to change at any time without prior notice.
