# Duo Enrollment – Landline Enrollment

These instructions are for the initial setup of a Phone Number with Duo two-factor authentication. If you already have a device configured with Duo and need to make changes to your authentication method, please see the Device Management instructions. The landline enrollment does not have to be a desk phone, you may also enroll your cell phone.

Sign in to Duo Management	
On your computer: Via a web browser, go to: https://2f.wm.edu/ and click **"Login to W&M"**
