HEALTH & WELLNESS

Dr. Kelly Crace, AVP for Health & Wellness
Virtual Health & Wellness

The departments of Health & Wellness are actively building additions to this set of virtual resources that are designed to enhance your wellness. Check back often or subscribe to our YouTube channel for the latest offerings.

Featured Articles & Resources
- Race Based Trauma
- Staying Active
- W&M Counseling Center
- Flourishing During Unexpected, Uncertain and Unwanted Change by Kelly Crace
- NOCD: Online Therapy & Managing Obsessive-Compulsive Disorder
- Serene Campus Scenes

On-Demand Videos

In the spring of 2020 we launched the Virtual Health & Wellness site as an adaptive effort to serve the newly remote W&M community. Visionary collaboration between Creative Services and H&W staff resulted in easy access to on-demand videos developed from students and staff in each of our departments. The on-demand videos, which feed from our YouTube channel, have been reviewed more than 12,000 times.

  (between Andrews & Swem)
Other Tents

- Residence Halls
- School of Education
- School of Law
Lights & Chairs

- Sadler Terrace
- Crim Dell Meadow
- Sorority Court
Sadler Music Sessions
Are the lights in front of Sadler an annual thing or just for this year? They're so pretty!

squigglyquigley • 4d

They’re new this year
