## 2024-25 Dependent Student Verification Worksheet

Student Name:

W&M Student ID:

Verification allows William & Mary to ensure the information you reported on your FAFSA is accurate. Discrepancies between the FAFSA and the supporting documentation may result in revised financial aid eligibility.

### A. Family Size

Family Size – Includes the following:

- The student
- The student’s parents, even if the student is not living with them.
  - Exclude a parent who has died or is not living in the household due to separation or divorce.
  - Include stepparent if applicable.
  - Include a parent or stepparent on active duty with the U. S. Armed Forces apart from the family.
- The student’s siblings and/or other persons if all the following are true:
  - They live with the student’s parents (or live apart due to college enrollment),
  - They receive more than half of their support from the student’s parents **and**
  - They will continue to receive more than 50.1% of support from the student’s parents from August 2024 through August 2025

Criteria for “dependent children” or “other persons” align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S. tax return at the time of completing the 2024 – 2025 FAFSA. As a result, do not include any unborn children in the family size.

*(Attach a separate page with the student’s name and W&M ID number at the top if you need more space).*
