

DESTINATIONS OF CHEMISTRY MAJORS

2018

<i>Saman Abdulkadir</i>	Not reported
<i>Annalise Ajmani</i>	Scribing and working, then medical school Taking Patent Practitioner bar exam and planning to work as a patent examiner for USPTO
<i>Elizabeth Amato</i>	USPTO
<i>Rachel Anderson</i>	Gap year, applying for physical therapy graduate school
<i>Brett Barden</i>	Graduate studies in chemistry at Ohio State University
<i>Lydia Boike</i>	Ph.D. studies in chemistry at University of California Berkeley
<i>Sarah Bredenkamp</i>	Ph.D. studies in organic chemistry at University of California Irvine
<i>Sophia Bunde</i>	Medical school at the University of Pittsburgh
<i>Anna Do</i>	Dental school at West Virginia University
<i>Margaret Duval</i>	Research assistant at a hospital, applying for medical school
<i>Tristan Elmore</i>	Working as an ER scribe, then medical school
<i>John Ford</i>	Not reported
<i>Wade Fritzeen</i>	Professional school
<i>Courtney Frost</i>	Not reported
<i>Alison Gerhard</i>	Graduate studies in chemistry at William & Mary
<i>Theresa Gozzo</i>	Ph.D. studies in analytical chemistry at University of Washington
<i>William Kim</i>	Working as a medical scribe and applying for medical school
<i>Tyler Larson</i>	Graduate studies in analytical chemistry at University of North Carolina Chapel Hill
<i>Joseph Lee</i>	Not reported
<i>McKenzie Mott</i>	Not reported
<i>Zachary Nimmo</i>	Medical school at the University of Pennsylvania
<i>Matthew Oplinger</i>	Medical school at Eastern Virginia Medical School
<i>Deborah Owusu</i>	Dental school at Virginia Commonwealth University
<i>Changen Pan</i>	Gap year, then medical school
<i>Wint Phyoo</i>	Pharmacy school at Virginia Commonwealth University
<i>Mona Rasooly</i>	Dental school at the University of New England
<i>Chandan Reddy</i>	Not reported
<i>Hee Jeong Roh</i>	Not reported
<i>Simran Rohatgi</i>	Developing science tests for K-12
<i>Megan Screen</i>	Graduate studies in inorganic chemistry at University of California Irvine
<i>Somya Shankar</i>	Clinical research coordinator at Emory University
<i>Daniel Spear</i>	Graduate studies at University of California Davis
<i>Matthew Sturner</i>	Not reported
<i>Nita Takanti</i>	Ph.D. studies in chemistry at Purdue University
<i>Katherine Wahlbeck</i>	Ph.D. studies in analytical Chemistry at University of Massachusetts Amherst

Matthew Wang Not reported
Amelia Wheaton Ph.D. studies in chemistry at University of Wisconsin Madison
Ian Wilkinson Graduate studies in nuclear engineering at Colorado School of Mines
Shichuan Xi Graduate studies at Northwestern University
Paul Young Scribing, then medical school
Justin Yu Ph.D. studies at University of Maryland College Park
