

## DESTINATION OF CHEMISTRY MAJORS

<i>Alessandra Bournigal</i>	Gap year as an EMT, then medical school
<i>Madeline Brass</i>	Applying for jobs
<i>Haley Brennan</i>	Not reported
<i>Caleb Burns</i>	Masters studies in chemistry at William & Mary
<i>Joseph Chibueze</i>	Gap year, applying to medical school
<i>Aaron Cole</i>	Applying for jobs and to graduate schools
<i>Jessica Cruzado</i>	Not reported
<i>Andrew Dahik</i>	Applying for jobs
<i>Kentrell Darden-Askew</i>	Not reported
<i>Alfredo Fallorina</i>	Applying to medical schools
<i>Kalie Fikse</i>	Veterinary school
<i>Rose-Marie Fuchs</i>	Working in financial consulting
<i>Alexander Galas</i>	Working for SGS North America's Environmental Division
<i>Frank Geisler</i>	Not reported
<i>Davis Gold</i>	Not reported
<i>Zhenyu Han</i>	Ph.D. studies in chemistry at Northwestern University
<i>Christian Harris</i>	Applying for jobs
<i>Ryan Haynie</i>	Working as an imagery analyst for the Department of Defense
<i>Robert Korb</i>	Not Reported
<i>William Lake</i>	Ph.D. studies in theoretical chemistry at Yale University
<i>Nadege Lebert</i>	Applying for jobs
<i>Alison Leighty</i>	Applying for jobs in the pharmaceutical industry
<i>Miguel Locsin</i>	Dual MD/MPH studies at Emory Medical School
<i>Danielle Long</i>	Medical Masters studies at EVMS
<i>Kristen Lum</i>	Working as applications engineer at Henkel
<i>Pauline Lynch</i>	Ph.D. studies in chemistry at University of Minnesota
<i>Hendrik Ma</i>	Applying for jobs and later to graduate schools
<i>Anna Martin</i>	Applying for jobs
<i>Rachael McCarthy</i>	Masters studies in public health-epidemiology at George Washington University
<i>Henry Melzer</i>	Teach for America in Hawaii
<i>Rebecca Merriman-Goldring</i>	Applying to conservation intern programs
<i>Amin Nasser</i>	Applying to postbac programs and medical schools
<i>Paul Negulescu</i>	Working in laboratory research in pharmaceutical industry
<i>Samuel Obbin</i>	Working at LSE (Health Policy), then medical school
<i>Elizabeth Owens</i>	Not reported
<i>Sophie Padilla</i>	Masters studies in environmental science at SUNY-ESF
<i>Steven Paredes</i>	Gap year
<i>Elijah Parker</i>	Not reported
<i>Anwar Radwan</i>	Applying to dental school
<i>Vanessa Rivera</i>	Working in the chemical industry, future plans for graduate school
<i>Eric Roos</i>	Ph.D. studies in chemistry at University of North Carolina-Chapel Hill
<i>Christina Rubio</i>	Gap year, applying to medical schools
<i>Joshua Sacks</i>	Dual Ph.D. studies in oceanography and astrobiology at the University of Washington
<i>Jacob Shusterman</i>	Ph.D. studies in chemistry at Virginia Commonwealth University
<i>Indira Stevens</i>	Ph.D. studies in chemistry at University of North Carolina-Chapel Hill
<i>Carlo Tampubolon</i>	Getting a job using chemistry and economics majors
<i>Michelle Townsend</i>	Ph.D. studies in organic chemistry at University of North Carolina-Chapel Hill
<i>Christopher Travis</i>	Ph.D. studies in chemistry at University of North Carolina-Chapel Hill
<i>Anna Tsutsui</i>	Gap year, applying to medical school
<i>Mikayla Vanhooke</i>	Gap year studying French, applying to medical schools
<i>Hunter Voslow</i>	Not reported
<i>Xiye Wang</i>	Ph.D. studies at Columbia University
<i>Robert Wiley</i>	Ph.D. studies in organic chemistry at University of North Carolina-Chapel Hill
<i>Evan Woods</i>	Gap year, applying to medical schools
<i>Hall Zhang</i>	Scribing/volunteering, applying to medical schools
