

2003 Chemistry Concentrators and Their Destinations

as of May 2003

Edith Villette Bowers	graduate studies in M.D./Ph.D. program, Duke (chem/phys)
William Edward Brenzovich	graduate studies in chemistry, Scripps
James Francis Cahoon	graduate studies in chemistry, UC-Berkeley (chem/philosophy)
Janet Levon Chapman	not reported (Dec. '02)
Alexander Chen	not reported (chem/bio)
Thomas Khristopher Chen	graduate studies in chemistry, UNC-Chapel Hill
Brittany N. Davis	studies in Spain senior year (May '04) (chem/Hispanic studies)
Adam Austin Deer	graduate program in painting & printmaking, MD Inst. C. of Art (chem/art)
Kimberly Alice Dendramis	masters in chemistry, Ohio U
Matthew Scott Detar	dental school, MCV
Anna Victoria Durden	graduate studies in chemistry, Columbia
Jonathan David Harper	undecided
Christopher Edwin Henry	graduate studies in chemistry, UCLA (chem/bio)
Krista Lee Hessler	law school, Harvard
Andrew Johnson Hill	pharmaceutical sales representative, Novartis
Hung-Lun John Hsia	medical school, UVA (bio/chem)
Jeffrey Scott Iwig	graduate studies in biochemistry, Washington U-St. Louis (chem/bio)
Christopher Michael Jones	graduate studies in chemistry, Arizona
Robert Randolph Knowles	graduate studies in chemistry, CalTech
Mark Joseph Lachowicz	looking for employment
Janine Suzanne Ladislaw	graduate studies in chemistry, U. Pennsylvania
Timothy Ray Leftwich	work or a year before graduate school (chem/physics)
Bethany Christa Lobo	law school, Harvard
Scott Edward Lyle	medical school
Brian Thomas Masick	research assistant, Novartis Res. Found. (chem/Hispanic studies)
Gabriella Luisa Mirabilio	earn a teaching certificate and teach high school chemistry
Rebecca Lynn Monsess	chemistry teacher, Hanover Co. Public Schools
Andrew Wayne Moore	undecided
Matthew A. Morgan	serve in Americorps (chem/English)
Ryan David Muller	medical school, U. of S. Carolina
Ethan Scott Munzinger	intern at Johns Hopkins for summer (chem/religion)
Stephanie L. Murray	Peace Corps
Henry Joseph Nothnagel	graduate studies in chemistry, Penn State
Lindsay Anne Papp	medical school, UVA (chem/bio)
Lara Elizabeth Pawlow	work for year before medical school
Miriam Pevzner	graduate studies in chemistry, Purdue
Ronald Allen Quinlan	graduate studies in chemistry, U. Tennessee
Shazia Amtur Raheem	pharmacy/MBA program, MCV
Armen Youri Sharabian	masters program in chemistry, W&M
Michael John Steve Simulescu	medical school
Tabor Elizabeth Skreslet	medical school, UVA
Adam David Slansky	attend a post baccalaurate program, then medical school
Joel Philip Thomas	working at NASA-Langley as assistant to the Inspector General
Jonathan Vernon Todd	systems analyst, American Management Systems
